

Oklahoma's Comprehensive Substance Abuse and Mental Health Services Plan

- Purpose & Scope
- Organization
- Content & Highlights
- Public Comment
- Revisions
- SAMHSA Grant Requirements

Purpose

- Proposes a framework for change to bring about continual and lasting transformation
- Describe Oklahoma's inclusive approach (substance abuse and mental health services)
- Satisfies one specific grant requirement to submit a Comprehensive Plan

Format

- Sections 1 through 6 are organized around the general framework of the President's New Freedom Commission Report

- Section 7 concludes with description of Oklahoma's infrastructure to organize and manage change

Sections 1-6

- Overview of the goal
- Oklahoma's needs and vision for transformation
- Benchmark information
 - Data examples
 - Needs assessment findings
 - Strategic activities already underway
- Advisory Board Workgroup recommendations
- Targeted Action Plans – *emphasis on next year's priorities and realistic targets*

Section 1

Overall health, public information,
anti-stigma, and suicide prevention

Public information and anti stigma activities

Suicide prevention framework

Workforce development strategies

Section 2

Recovery, resilience, choice, & consumer/family-directed services

Individualized and coordinated care

Culturally competent, recovery focused, consumer driven, and trauma informed services

Consumer, family member, parent, and youth involvement in leadership and planning

Section 3

Disparities in care

Health of minorities and historically underserved individuals

Workforce development and cultural competence

Care in rural Oklahoma

Section 4

Early screening, assessment, and referral

*Early access to treatment and
supports for children*

*Screening and connection to services
for adults*

Section 5

Quality of care, research & promising practices

Science to services initiatives

Workforce development and trauma-informed systems

Co-occurring assessment and more holistic screening

Section 6

Enhanced use of technology

Improved access and coordination through telehealth and additional technologies

Enhancements through electronic health records and personal health information

Data and reporting systems to support decision-making

Section 7

Infrastructure for change

- State level leadership
- Governor's Transformation Advisory Board
- Vital collaboration initiatives
- Oklahoma Mental Health Planning and Advisory Council
- Data systems and sharing agreements
- The Innovation Center

Next Steps

- Continue to refine this document
- Disseminate draft plan and solicit public comment
- Finalize draft for initial submission to SAMHSA (September 30)

Follow up

- Process feedback from SAMHSA and other stakeholders
- Revise and update
- Initiate specific actions
- Develop strategies for monitoring and evaluation

The Plan

- Belongs to *Oklahoma!*
- Requires and invites partnerships and continued commitments
- Ever changing and contemporary to the state's needs
- A framework for change
- Weaves together pathways to the transformation vision

T R A N S F O R M A T I O N

Our vision and our commitment is for all Oklahomans to prosper and achieve **their** personal goals in the communities of **their choice**.

We will be on the right road when those we serve are behind the wheel and leading us on the journey!
