FINDING A JOB:

Where have you been looking?

Do you have a resume or does your resume need updating?

Would you like to find a job close to home?

How much money do you want to make?

What jobs do you think would be fun to do?

How many jobs, if any, have you applied for?

Would you rather work at a desk or somewhere that requires more physical effort such as a restaurant?

What types of jobs have you held in the past?

Do you have a resume' on file?

Has your resume' been updated recently?

Do you know of anyone that would make a good reference for you?

Do you have your references on file with their contact information? Do they know that you have put them down for references?

FUTURE CAREERS:

Have you thought about what you want to do in the future?

Have you taken a career assessment test? If no, would you like assistance in helping find out how you can take one?

What hobbies do you enjoy? Would you like these hobbies to turn into a future career?

What are your plans for the future?

Do you know how to get started with that career plan?

SKILLS:

What kind of skills do you have?

INTERVIEW:

Do you know what to do and say during a job interview?

Have you ever been to an interview?

Do you get nervous during interviews?

Are you comfortable talking in front of people?

Have you looked into ways of remaining calm during an interview?

Do you know the types of questions that are asked during an interview?

Do you know what to do and say during a job interview?

Have you ever practiced answering interview questions?

Do you know appropriate clothing to wear to an interview?

Do you own any business clothing?

Do you know of anyone that you can borrow the clothing from?
