SAFETY TRAINING

FOR HOME-BASED CLINICIANS

Safety Training for Home-Based Professionals is designed for clinicians that provide services in the home. The training will assist practitioners in recognizing threatening situations by learning to read body language and take a proactive approach to personal safety. There will be a lot of discussion about recognizing the dangers in the surroundings as well as how to use verbal communication skills to de-escalate situations, if needed.

Presenter: Lance Schroyer, State Trooper,
Oklahoma Highway Patrol

February 10, 2014
OKC, Shepherd Mall

April 11, 2014
Tulsa, OU-Tulsa

May 23, 2014
Lawton, Cameron University

Safety Training for Home-Based Professionals

Safety Training for Home-Based Professionals is designed for clinicians that provide services in the home. The training will assist practitioners in recognizing threatening situations by learning to read body language and take a proactive approach to personal safety. There will be a lot of discussion about recognizing the dangers in the surroundings as well as how to use verbal communication skills to de-escalate situations if needed.

Facilitator

Lance Schroyer is currently a State Trooper for the Oklahoma Highway Patrol and has won many commendations including Trooper of the Year Award and the FBI Shield of Bravery. In addition to be a State Trooper, he is also a Tactical Team Member, an instructor for Defensive Tactics/Ground Fighting, FBI Chemical Agents as well as field training instructor for new troopers. Lance also served in the Marine Corps where he became a fire team leader, squad leader, and a close combat instructor. Lance has been providing trainings all over the United States for the last several years ensuring that law enforcement and other public servants have skills to ensure everyone's safety is maintained regardless of the situation. Lance has a vested interest in keeping workers in the mental health field safe, especially his wife who works for the PACT Team in Tulsa.

Dates and Locations
