

IMG Information

We welcome IMG applicants at Griffin Memorial Hospital (GMH). To apply you must be a **permanent resident**. The following are required to apply to our program; they may be provided through ERAS (strongly recommended) or directly to the program administrative assistant Ms. Nancy Snodgrass.

Griffin Institutional Application

- ECFMG certification
- Three Letters of Recommendation from licensed US physicians
- Medical School Transcript
- Dean's Letter
- USMLE Scores
We require that board exams be successfully completed within a period of seven years. Please note, we cannot accept you if you have more than three attempts on any one of the three USMLE exams. As per Oklahoma Law, you cannot be licensed to practice medicine in the state of Oklahoma if you have **more than three attempts** on any one of the three USMLE exams. For more information please see the **Oklahoma State Board of Medical Licensure and Supervision** website: www.okmedicalboard.org
- Personal Statement
- Show that you have not spent more than five years away from clinical medicine after graduation from medical school.

Providing the information listed above will allow your application to be reviewed for a possible interview.
