Reporting Requirements – Compressed Natural Gas (CNG) Accident/Incident

In the event of an accident/incident involving a release of compressed natural gas (CNG) during the transfer or container transportation where CNG is identified or suspected to be the cause, the individual or company owning, operating, servicing or installing equipment shall notify the Oklahoma Department of Labor (ODOL) **IMMEDIATELY** after obtaining knowledge of the accident/incident.

- Phone Numbers:
 - Business Hours (8:00 a.m.-5:00 p.m.) 405-521-6100/888-269-5353
 - After Hours, Weekends and Holidays - 405-985-6586

Notification of an accident/incident shall be made to the ODOL and shall include the following information:

- Date and time of the accident or incident;
- Type of structure or equipment involved;
- Resident's or Operator's name;
- Physical location;
- Number of injuries and/or fatalities;
- Whether fire, explosion, or gas leak has occurred; and
- Whether gas is leaking.

Any individual reporting shall leave his or her name and phone number where he or she can be reached for further information.

- ❖ **Any loss of CNG which is less than 1.0% of the gross amount delivered, stored, or withdrawn does not need to be reported to the ODOL.**
