Commissioner Costello Recognizes Teleflora

Oklahoma City – Labor Commissioner Mark Costello recognized Oklahoma City's Teleflora with a SHARP Commendation presented to Chairman Tom Butler during a morning presentation at their Oklahoma City facility, Wednesday May 23.

Teleflora brings together the time-honored tradition of sending flowers with the modern benefits of an advanced florist network. By tapping over 15,000 member florists in North America alone, Teleflora offers the kind of personal touches, artistry and expertise you expect from a trusted neighborhood florist—even if that neighborhood is across the country.

Teleflora has over 270 employees in their Oklahoma City offices and has been working tirelessly for the past 3 years to fulfill all of the SHARP requirements put forth by US Department of Labor.

Commissioner Costello stated "It's exciting to see an Oklahoma company continue to grow while staying focused on employee safety and health. SHARP is a rigorous program and takes commitment from both the employees and management. Teleflora has proven that safety comes first."

The Safety and Health Achievement Recognition Program (SHARP) recognizes employers who operate at their worksites exemplary safety and health programs that result in the immediate and long-term prevention of job-related injuries and illnesses.

"It's wonderful that we were able to share this wonderful accomplishment during our manager's meeting today. We celebrated as a company our biggest success in our business, Mother's Day and our biggest success in health and safety for our employees, SHARP Certification," stated Chairman Tom Butler.
