TO: Amusement Ride Owners

FROM: James Williams
      Director, Safety Standards Inspection Services

RE: Water Parks

REGISTRATION

- All amusement rides are required to register with the ODOL and owners/operators must provide proof of insurance coverage on an annual basis.
- The annual registration application is available at www.labor.ok.gov. Submit applications to odol.amusement@labor.ok.gov.
- Water Park owners/operators are required to hold liability insurance of one million dollars ($1,000,000.00) and provide a copy to the Oklahoma Department of Labor. The Oklahoma Department of Labor must be identified as the certificate holder as shown below:
  - Oklahoma Department of Labor
    Safety Standards Division
    3017 North Stiles, Suite 100
    Oklahoma City, OK  73105

INSPECTION

- Water Park rides are required to be inspected annually.
- Owner/operators shall file a notice of intent and submit any plans or diagrams prior to:
  - Any new construction.
  - Any additions or alterations are made that change the structure, mechanism, classification or capacity of any amusement ride.
- Rides must be compliant with American Society of Testing Material (ASTM) standards.
- An engineer’s stamp must be on the plans and be approved by the Oklahoma Department of Labor (ODOL).
- The local city and county should be consulted to verify that all permits required are completed prior to the construction start date.
Water Rides with extraordinary circumstances that require extra time for inspection may be classified as Substantial or Other. See OAC 380:55-5-6 fees for Substantial and Other inspection ride types.

- **Substantial amusement device**: a device which is used as an amusement device and is substantial in its size or complexity, such that an inspection of the device is complex.
- **Other amusement device**: all other amusement devices not classified in paragraphs (1)-(5) of subsection 380:55-5-5.

An inspection by the Oklahoma Department of Labor may be requested by phone (405-521-6604), mail or email (odl.amusement@labor.ok.gov). Inspection fees will apply. The fee schedule is located on the Amusement Ride page in the “Related Topics” box titled “New Fee Schedule”.

Requests for inspection are scheduled through the office during regular business hours and are to be submitted a minimum of 72 hours (3 business days) prior to inspection. The annual application is available at www.labor.ok.gov. Submit applications to:

Oklahoma Department of Labor
Safety Standards Division
3017 North Stiles, Suite 100
Oklahoma City, OK  73105
odl.amusement@labor.ok.gov

Registration/Inspection sticker shall be placed on or in the vicinity of the pump room door.

Owner shall provide a man lift and a qualified operator if required to conduct inspection.

Multiple slides on one platform are required to be registered and inspected individually.

Annual requirements for Lazy Rivers:
- Dry inspection, inspection prior to channel being filled with water
- Wet inspection, inspection after channel being filled with water

The following are exempt from inspection by ODOL:
- All slides 18’ or less
- All splash pad/sprinkler
- Rock walls in pool without mechanical belay
- Wave pools

**ACCIDENT/INCIDENT**

Accidents/Incidents that involve a fatality, loss of limb or an injury requiring medical treatment more than “on-site” will require the ride to be shut down and the accident/incident reported to the Oklahoma Department of Labor (ODOL) immediately by calling:
- (405) 521-6100 or (405) 521-6604 during business hours (M-F/8-5)
- (405) 343-9815 after business hours and weekends/holidays.

The ride is not to be moved except for the safety of patrons/public.

Injuries requiring “on-site” first aid medical treatment shall be reported to the Oklahoma Department of Labor by the end of the next working day.

An accident/incident involving a mechanical failure will require the ride to be closed and not reopened until approved by the Oklahoma Department of Labor (ODOL).
- An Amusement Ride Accident/Incident Report must be completed and submitted to the Oklahoma Department of Labor. The form is available at www.labor.ok.gov

Spot checks may be conducted by the Oklahoma Department of Labor throughout the season without notice and at no cost to the owner.
OWNER/OPERATORS ARE REQUIRED TO:

- Operators are to be trained annually, maintain and provide copies of training certification records to the Oklahoma Department of Labor upon request.
- Owners must supply with copies of manufacturer’s annual inspection reports to the Oklahoma Department of Labor.
- Operators are required to wear a name tag that lists all rides they have been trained and authorized to operate.
- Owners must supply the Oklahoma Department of Labor with documentation that all violations have been corrected.
- Daily inspections are to be conducted for each ride with these records maintained for at least three years. Records may be electronic or hard copy and available to Oklahoma Department of Labor inspectors upon request.
- Maintenance logs are to be maintained for at least three years (3), electronic or hard copy is acceptable.
- A ride manual shall be on file for each ride.

40 O.S. § 460.2 (b) Rules promulgated pursuant to subsection A of this section shall include the following language:
The owner of an amusement ride shall maintain up-to-date maintenance, inspection, and repair records between inspection periods for each amusement ride in the manner provided by the Commissioner of Labor. The records shall contain a copy of all inspection reports commencing with the last annual inspection, a description of all maintenance performed, and a description of any mechanical or structural failures or operational breakdowns and the types of actions taken to rectify these conditions.

NOTE: This Guideline is meant to assist in the guidance provided for in 40 O.S. § 460, et seq., OAC 380:55 and applicable ASTM standards and all administrative guidelines and is not an exhaustive document.
