Description of Amendment:

a. This is to incorporate the following:

By way of this Amendment, Contractors are being reminded that this Solicitation closes 7/2/20 at 4:00 PM. This is a clarification of the closing time. Responses need to be received by the buyer at the following email address, cemerson@odot.org, by **no later than 4:00 PM tomorrow**.

It is recommended that Contractors do not wait too long to submit your response tomorrow. It has been observed that that sometimes there appears to be a lag between when a Contractor hits the send button on his response and when it is received at ODOT. The time and date that counts on the submission is when it reaches ODOT.

b. All other terms and conditions remain unchanged.
