## Oklahoma Employment and Training Issuance # 2-2006

**DATE:** February 17, 2006

**TO:** SCSEP Grant Recipients  
WIA Board Staff

**FROM:** Employment and Training Division

**SUBJECT:** Income Eligibility for SCSEP

**Message:** The Department of Human Services recently published updated Federal Poverty Income Guidelines that form the basis for determining income eligibility of SCSEP applicants and enrollees. The Department of Labor has established income eligibility at 125 percent of Federal Poverty Income and designates the modified figure to meet the “low income” requirement defined at Section 641.500 of the 2004 Senior Community Service Employment Program Final Rule. The poverty and “low income” guidelines are also applicable to eligibility determinations made for Older Americans Act Section 502 (e) projects. See [TEGL15-05](#)

**Action:** Grantees must use the following low-income guidelines when making SCSEP participant eligibility determinations. The figures are effective from the date they were published in the Federal Register, on January 24, 2006.
