240:10-3-24. Claims for partial unemployment benefits

(a) **Condition for filing claim.**

- (1) Claims for "partial unemployment" may be filed for workers only at the request and assistance of the workers' regular employer and under the conditions set forth herein.
- (2) An employer who places regular, full-time workers on a temporary reduced work week schedule in order to retain the services of such workers until full-time work can be resumed may assist the worker(s) in filing claims for unemployment compensation in "partial unemployment" for each calendar week in which work is performed on a reduced schedule.
- (3) An initial or additional initial claim for partial unemployment shall not be filed for a worker who was employed during the calendar week for his/her normal, customary, full-time working hours, or who did not perform any work or have earnings payable for the week.
- (4) The employer must be in substantial compliance with all requirements of the Employment Security Act of 1980. If an employer is delinquent in payment of taxes, the employer will be deemed in substantial compliance if the employer enters into a payment plan agreement with the Commission and is in compliance with the agreement. All quarterly unemployment tax reports must be filed before an employer requests partial unemployment.

(b) **Partial unemployment defined.** An individual shall be defined as in "**partial unemployment**" during a calendar week whenever:

- (1) the individual has not been separated from employment with his/her last regular employer; and
- (2) the individual has during the week performed services in employment for his/her regular employer; but
 - (A) because of lack of work was reduced to less than his/her normal, customary, full-time work hours; and
 - (B) has earnings from such reduced work schedule for that week of less than his/her weekly benefit amount plus \$100.00.

(c) **Partial continued claims.**

- (1) A worker who filed a partial initial claim, or who has been receiving benefits for partial unemployment, may continue to file partial continued claims as if he/she were a partially unemployed worker for not more than the first six (6) consecutive weeks of total unemployment (no earnings) or part-total unemployment (some earnings from

another employer) immediately following the period of partial unemployment so long as he/she remains attached to his/her regular employer.

(2) A worker who files such partial claims for six (6) consecutive weeks during which he/she has no wages payable from his/her regular employer shall file an initial claim, additional initial claim, or continued claim, as appropriate, under OAC 240:10-3-23 "Claims for Total Unemployment Benefits" for subsequent weeks.

(d) **Effective date.** The effective date of an initial claim or additional initial claim for partial unemployment shall be the first day of the calendar week during which the individual was employed less than his/her normal customary, full-time work because of lack of work and in which earnings from such reduced work is less than his/her weekly benefit amount plus One Hundred Dollars (\$100.00).

(e) **Filing partial claims.** A worker who is "partially unemployed" may, with the assistance of his/her employing unit, claim partial benefits under the following conditions:

(1) The employing unit shall, immediately following the calendar week in which the worker first performed work on a reduced work schedule, execute the Commission's "Claim for Partial Benefits," Form OES-526P, for each worker who has worked during the week in such reduced work schedule of less than full-time. Upon proper execution, the Form OES-526P will be delivered to the worker together with a copy of the Commission's booklet entitled, "Information for Workers Who Are Unemployed."

(2) Not later than fourteen (14) days after receiving such Form OES-526P, the worker shall complete the portion denoted as "Claimant's Report of Other Earnings" and return it to his or her employer to submit or the claimant may mail the completed form to the address listed on the form. Form OES-526P, properly completed, shall constitute the worker's claim for benefits and registration for work within the meaning of 40 O.S. Section 2-203 and 2-204. The form will also constitute the waiting period, required by 40 O.S. Section 2-206, providing the total earnings reported by the regular employing unit plus "other earnings," if any, as reported by the worker does not equal or exceed the "weekly benefit amount of the newly established benefit year plus One Hundred Dollars (\$100.00)."

(3) Upon receipt of the first Form OES-526P, properly completed, the Commission will compute a weekly benefit amount for the worker-claimant. Such computation shall be made effective as of the first day of the calendar week for which the claim was filed that the claimant was partially unemployed. The Commission will furnish the employing unit a "Notice of Partial Benefits," Form OES-532, setting forth the claimant's weekly benefit amount and his/her benefit year ending date. The Commission will also mail the monetary eligibility for benefits form to the worker-claimant.

(4) Upon receipt of an allowed "Notice of Determination of Partial Benefits," Form OES-532, the employing unit shall execute and deliver to the worker-claimant concerned a "Continued Claim for Partial Benefits," Form OES-527P, immediately for each prior calendar week of partial unemployment applicable and each subsequent calendar week of partial unemployment for further completion by the worker and submission to the Commission for payment processing.

(f) **Late claims.** If a Commission representative determines that a worker-claimant filed no claims due to the failure of the employing unit to comply with the requirements of the

Commission Rules, or if the claimant was coerced to refrain from the prompt filing of the claim(s), the Commission representative shall extend the period during which the claims may be filed to a date which shall not be less than one (1) nor more than four (4) weeks after such determination. The Commission shall notify the employing unit and the worker-claimant in writing that the arrangement to execute "Partial Claims for Benefits" has been terminated. Claimants will file claims for subsequent weeks under the rules and statutes for total unemployment benefits.

PART 21 – RECIPROCAL ARRANGEMENT**240:10-5-100. Employer elections to cover interstate workers**

(a) **Arrangement.** This Section shall govern the Commission in its administrative cooperation with other states subscribing to the Interstate Reciprocal Coverage Arrangement, hereinafter referred to as "the arrangement."

(b) **Definitions.** The following words and terms, when used in this Section, shall have the following meaning unless the context clearly indicates otherwise:

"Agency" means any officer, board, commission or other authority charged with the administration of the unemployment compensation law of a participating jurisdiction.

"Interested jurisdiction" means any participating jurisdiction to which an election submitted under this Rule is sent for its approval; and "interested agency" means the agency of such jurisdiction.

"Jurisdiction" means any state of the United States, the District of Columbia, or, with respect to the Federal Government, the coverage of any Federal unemployment compensation law.

"Participating jurisdiction" means a jurisdiction whose administrative agency has subscribed to the arrangement and whose adherence thereto has not terminated.

"Services customarily performed" by an individual in more than one jurisdiction means services performed in more than one jurisdiction during a reasonable period, if the nature of the service gives reasonable assurance that they will continue to be performed in more than one jurisdiction or if such services are required or expected to be performed in more than one jurisdiction under the election.

(c) **Submission and approval of coverage elections under the interstate reciprocal coverage arrangement.**

(1) **Application.** Any employing unit may file an election on Form RC-1, to cover under the law of a single participating jurisdiction all of the services performed for him/her by any individual who customarily works for him/her in more than one participating jurisdiction. Such an election may be filed, with respect to an individual, with any participating jurisdiction in which:

- (A) any part of the individual's services are performed;
- (B) the individual has his/her residence; or
- (C) the employing unit maintains a place of business to which the individual's services bear a reasonable relation.

(2) **Approval.**

(A) The agency of the elected jurisdiction (thus selected and determined) shall initially approve or disapprove the election.

(B) If such agency approves the election, it shall forward a copy thereof to the agency of each other participating jurisdiction specified thereon, under whose unemployment compensation law the individual or individuals in question might, in the absence of such election, be covered. Each such interested agency shall approve or disapprove the election, as promptly as practicable; and shall notify the agency of the elected jurisdiction accordingly.

(C) In case its law so requires, any such interested agency may, before taking such action, require from the electing employing unit satisfactory evidence that the affected employees have been notified of and have acquiesced in, the election.

(3) **Disapproval.** If the agency of the elected jurisdiction, or the agency of any interested jurisdiction, disapproves the election, the disapproving agency shall notify the elected jurisdiction and the electing employing unit of its action and of its reasons therefor.

(4) **Effective only if approved.** Such an election shall take effect as to the elected jurisdiction only if approved by its agency and by one or more interested agencies. An election thus approved shall take effect, as to any interested agency, only if it is approved by such agency.

(5) **Withdrawal of election.** In case any such election is approved only in part, or is disapproved by some of such agencies, the electing employing unit may withdraw its election within ten (10) days after being notified of such action.

(d) **Effective period of elections.**

(1) **Commencement.** An election duly approved under this Rule shall become effective at the beginning of the calendar quarter in which the election was submitted, unless the election, as approved, specifies the beginning of a different calendar quarter. If the electing unit requests an earlier effective date than the beginning of the calendar quarter in which the election is submitted, such earlier date may be approved solely as to those interested jurisdictions in which the employer had no liability to pay contributions for the earlier period in question.

(2) **Termination.**

(A) The application of an election to any individual under this Rule shall terminate, if the agency of the elected jurisdiction finds that the nature of the services customarily performed by the individual for the electing unit has changed, so that

they are no longer customarily performed in more than one participating jurisdiction. Such termination shall be effective as of the close of the calendar quarter in which notice of such finding is mailed to all parties affected.

(B) Except as provided in (A) of this paragraph, each election approved hereunder shall remain in effect through the close of the calendar year in which it is submitted, and thereafter until the close of the calendar quarter in which the electing unit gives written notice of its termination to all affected agencies.

(C) Whenever an election under this Rule ceases to apply to any individual, under (A) or (B) of this paragraph, the electing unit shall notify the affected individual accordingly.

(e) **Reports and notices by the electing unit.**

(1) **Notification of affected employees.** The electing unit shall promptly notify each individual affected by its approved election, on the Form RC-2 supplied by the elected jurisdiction, and shall furnish the elected agency a copy of such notice.

(2) **Notification for proper filing by separated employee.** Whenever an individual covered by an election under this Rule is separated from his/her employment, the electing unit shall again notify him/her, forthwith, as to the jurisdiction under whose unemployment compensation law his/her services are covered. If at the time of termination the individual is not located in the elected jurisdiction, the electing unit shall notify him/her as to the procedure for filing interstate benefit claims.

(3) **Change in status.** The electing unit shall immediately report to the elected jurisdiction any change which occurs in the conditions of employment pertinent to its election, such as cases where an individual's services for the employer cease to be customarily performed in more than one participating jurisdiction or where a change in the work assigned to an individual requires him/her to perform services in a new participating jurisdiction.

(f) **Approval of reciprocal coverage elections.** The Commission hereby delegates to its Executive Director, Director of Unemployment Insurance, or Chief of Contributions authority to approve or disapprove reciprocal coverage elections in accordance with this Section.

The propounding party shall present his or her arguments and evidence concerning this issue in the form of a brief filed with the Board of Review. If the opposing party objects to the inclusion of the new or additional information into the evidence of the case, the objection shall be set out in a brief in response. The Board shall then certify to the Hearing Officer and all interested parties in the proceeding its answer to the question submitted. If the question certified to the Board by the Hearing Officer is in connection with a claim for benefits, the Board may remove the entire proceedings from the Appeal Tribunal and hear the proceedings with notice to all interested parties in accordance with these rules and with respect to proceedings before the Appeal Tribunal. In such case, the Board shall render a Board of Review decision upon the entire claim, subject to appeal rights and judicial review. The record in the case shall include all documents and papers and a transcript of all testimony taken in the matter, together with the Board of Review's decision.

SUBCHAPTER 5 - HEARINGS**240:15-5-1. Request for hearing; new additional evidence**

(1) The hearing location shall be reasonably convenient for all parties to the appeal. If the parties are in different geographical locations and no convenient location can be determined, telephone hearings shall be scheduled and the parties notified. Exhibits shall be received five (5) days in advance if they are to be introduced by the parties and sent to the opposing party by the Clerk. All other aspects of the telephone hearing will be the same as an in-person hearing.

(2) If the hearing is conducted in person, all parties shall be allowed to introduce new additional evidence and/or rebut any new additional evidence introduced at the hearing and shall be afforded the right of cross examination of the other party and witnesses. Both parties shall be furnished a tape and copies of documentation presented at the Appeal Tribunal hearing. The Board is not bound by common law or the statutory rules of evidence or by technical rules of procedure. The hearing shall be conducted in a manner to ascertain the substantial rights of the parties.

(3) If the appealing party fails to appear, after having been duly notified, the appeal shall be considered as submitted on the record without the introduction of new additional evidence. However, if within five (5) days after the scheduled hearing, the Board of Review receives written notice from the appealing party as to the reason for non-appearance, the Board shall then schedule a hearing on the issue of showing good cause for the appealing party's non-attendance. All interested parties shall receive notice of the time, date and location of the hearing. If the non-appearance of the appealing party is excused for good cause, the case will proceed on its merits. The following words and terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Full-time equivalent employees" means those employees who are employed for one full year.

"New employees" means those employees who constitute a net increase in total employment as compared with employment levels prior to the starting date of business expansion and whose employment is directly attributable to such expansion.

SUBCHAPTER 3 – PROCEDURAL RULES**240:25-3-1. Certification - new employees hired by new or expanding business**

(a) **Notification to the Oklahoma Employment Security Commission.** The Oklahoma Tax Commission will notify the Oklahoma Employment Security Commission when a new or expanding business has completed a request for tax exemption.

(b) **Information required.**

(1) As soon as the requesting facility hires the required number of employees as a result of the new or expanded facility, the requesting facility shall furnish to the Oklahoma Employment Security Commission the names, Social Security numbers, job titles and starting dates of employment of each new employee.

(2) At the end of one year, the employer shall again furnish to the Oklahoma Employment Security Commission the names, Social Security numbers, job titles and starting dates of employment of employees who were hired as a result of the new or expanded facility.

(c) **Method for counting employees.** The counting of new employees shall be determined by comparing the monthly average number of full-time employees for each month during the tax exemption status with the corresponding month of the prior year as substantiated by such reports as may be required by the Oklahoma Employment Security Commission. The Oklahoma Employment Security Commission shall determine the appropriate month which is deemed most representative of meeting the requirements of the statutes.
