

We will be holding a Job Fair on March 8, 2014 between the hours of 8am-Noon. We will be conducting onsite interviews if you meet the minimum qualifications for one of our openings.

Carlisle Brake and Friction is a leading global supplier of friction materials for brakes, clutches and transmissions used in airplanes, trucks construction and mining equipment, farm equipment, recreational and performance automotive vehicles.

We have immediate openings for the following positions:

- **In-process Inspectors**- Candidates will be responsible for inspecting production and final inspection parts assuring proper thickness of core and appropriate depth of grooves. Knowledge of basic measurement tools (micrometer and caliper) is required.
- **Blanking Press Operators**- Candidates will operate metal stamping press to blank or stamp cores from sheet of metal.
- **Maintenance Techs** -Basic knowledge of several of the following areas: electrical, plumbing, heating, air conditioning, construction, heavy equipment, machine tool operation, and fabrication.
- **Tool and Die Makers**- Responsible for repairing and making all necessary adjustments of the dies in the presses. Ability to measure and machine to close tolerances. Adjust die sets as necessary to produce quality parts. Proficient in the use of Lathes, Drilling Machines, Milling Machines, Grinding Machines or other equipment demanded by the job.
- **Entry Level Operators**- Position will require operating various pieces of production equipment throughout the facility. We will provide on the job training for these employees.
- **Material Handlers**- Forklift drivers in Shipping and on the Production Floor.

Above positions require a High School diploma or GED. 1 year or more of previous experience in a manufacturing environment is preferred.

Carlisle Brake and Friction offers competitive wages and benefits such as, comprehensive health and dental insurance with low cost to employee, vision, company paid life insurance, company paid STD and LTD, 401(k) match, tuition reimbursement up to \$5,250.00 per year.

1110 W. Tenkiller Rd. Catoosa, OK 74015

We are located 1/3 mile north of the main entrance to the Port of Catoosa on highway 266.

If you cannot attend the job fair please feel free to fax your resume to 440-435-2794 or apply in person at the facility between the hours of 9am-3pm Monday-Thursday.
