

JOB FAIR

Interviews on the spot

Would you like to make a difference in the lives of children?

We are looking for energetic, responsible and mature role models to work with adolescents in a residential youth care setting. This is a challenging and rewarding opportunity for you to help at-risk teens grow into productive members of society by providing them with guidance, daily living skills, fun activities and everything in between. A solid work ethic and common sense will serve you well here. Be a part of our mission helping teens overcome life's barriers and join our Marland Children's Home family!

Benefits include:

Vacation, Sick Leave, Paid Holidays, Health Insurance,
403 (b) Retirement Plan, Raises, On-Site Training and Much More.
Opportunity for Advancement and Overtime.

Must be 21 or older. A bachelor's degree in a social service field is preferred.
High school diploma or equivalent and valid driver's license required.
