About Your Card

IMPORTANT INFORMATION ABOUT YOUR UNEMPLOYMENT INSURANCE BENEFITS

The Oklahoma Employment Security Commission (OESC) has implemented an electronic payment program for receiving your payments electronically by using either a new debit card called the **Oklahoma Debit MasterCard®** or direct deposit. This new payment program provides fast, convenient, and secure methods of receiving your payments. Your unemployment insurance payments will be directly deposited into your prepaid MasterCard® card account or to your personal bank account.

If you wish to receive your payments by direct deposit, or you were previously enrolled in direct deposit and need to make changes, follow the direct deposit option steps listed below under "Next Steps." If you wish to receive your funds on the new debit MasterCard® card, you do not need to do anything. If you take no action, you will automatically be enrolled to receive a new debit card, unless you were previously enrolled in direct deposit.
