Job Seekers...Come by yourself, bring a friend or tell someone that might benefit from this event!

Benefits from attending our Job Fair:

- 1) Meet face-to-face with multiple companies in one day, saving several weeks of research and interviewing.
- 2) A hand shake - The first step of the hiring process.
- 3) Test your value in the market and use the information to increase your income
- 4) Currently working? You can meet several companies in a reasonable time frame instead of trying to conduct a job search while working for your current employer.
- 5) Not currently working? Job Fairs are the fastest way to get hired.
- 6) Build your network of contacts.
