Be part of Tulsa's Largest Career Fair!

Tulsa World Media Company has partnered with Workforce Oklahoma to host Tulsa's largest career fair. Sign up today for either the general Career Fair or the Healthcare Career Fair - both held on the same day, at the same venue.

Tulsa World Career Fairs are the most convenient and effective way to meet hundreds of local candidates face-to-face, all at one place on one day. More than 75 hiring organizations and schools, and more than 1,200 job seekers attended our event in November 2013!

Each week, more than 475,000 area adults turn to Tulsa World in print and online. No other media can compare.*
