FOR IMMEDIATE RELEASE

EX-WORKERS OF AIR SYSTEMS COMPONENTS, INC IN PONCA CITY APPROVED FOR TRADE BENEFITS

Special Status Granted to Former Employees by the U.S. Department of Labor

OKLAHOMA CITY, OK (June 2, 2011) – Laid off employees of Air Systems Components, Inc, Building Products Division in Ponca City have been ruled eligible for the Trade Readjustment Assistance (TRA) program by the U.S. Department of Labor (USDOL). TRA provides assistance to those who lose jobs or significant work hours because of increased imports or a shift in production out of the country. TRA-certified workers can access services such as income support, relocation and job search allowances, and health coverage tax credits. Those that need retraining for suitable employment may receive occupational training. The goal is to reconnect laid-off workers with suitable employment quickly.

In a recent ruling, the USDOL found that former Building Products Division workers at Air Systems Components, Inc meet all requirements to receive TRA according to the Trade Act of 1974 (19 USC 2273). There are three criteria to qualify for TRA. First, workers must be laid off or threatened with layoff. Next, employer sales or production must decrease. Finally, increased imports of products like or directly competitive with the firm's products must contribute to layoffs or the threat of layoffs. Once certified, TRA recipients must enroll in training, although the state can waive this requirement in certain cases.

Former division staff are also eligible for Alternative Trade Adjustment Assistance (ATAA), a program that provides workers 50 years and older, for whom retraining may not be suitable, with the option of accepting re-employment at a lower wage in return for a wage subsidy.

The USDOL report concludes "workers of Air Systems Components, Inc, Building Products Division, Ponca City, Oklahoma, who became totally or partially separated from employment on or after April 12, 2010, through May 18, 2013, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended and are also eligible to apply for ATAA under Section 246 of the Trade Act of 1974, as amended." Separated employees who want to apply for TRA or ATAA should contact their nearest Workforce Oklahoma Center at 1-888-980-WORK (9675).
