Oklahoma City, OK 73105

To Whom It May Concern:

The Sheet Metal Workers' Joint Apprenticeship Committee will soon be opening their apprenticeship training program for apprentices. I have enclosed a "Notice of Application Period" which details the basic requirements for apprenticeship and gives the specific dates that we will be accepting applications. I would appreciate it if you would pass this information on to interested persons and/or post this notice in a visible location.

It is the policy of the Sheet Metal Workers' Joint Apprenticeship Committee to seek and indenture applicants into the apprentice training program without regard to race, color, religion, sex, or national origin. **Both males and females** are encouraged to make application.

I would like to thank you for any help you can give us in getting this information to the interested parties.

Sincerely,

Trent London
Coordinator

SHEET METAL APPRENTICESHIP

The Sheet Metal Workers' Joint Apprenticeship Committee is seeking applicants, male and female, for apprenticeship training in the sheet metal construction trade. (NOTE: This is not training for aviation sheet metal.) Applicants must be at least 18 years of age, be a high school graduate or have a GED, and possess a valid Oklahoma Driver's License. Drug testing will be required of all applicants selected for apprenticeship training. The starting wage rate is \$17.28 per hour plus benefits. Applicants will be selected based on the highest qualifications without regard to race, color, religion, sex, national origin, or age (except with regard to the legally required minimum age). The contractor parties to the Sheet Metal Workers' JAC Agreement are Equal Opportunity Employers. Applications may be completed at the following times and location.

Applications are accepted the first
Monday of each month from 9:00 a.m. - 4:00 p.m.
(2nd Monday if the first Monday falls on a Holiday)

3909 Willow Springs Avenue
Oklahoma City, OK 73112
