**Will consideration to delivery time lines for Final Documents due to COVID-19 be updated?**

Final Document Delivery Requirement Extended – As a result of the closures of many businesses and county offices across the country, U.S. Bank will implement the following updates to our policy effective immediately:

- Documents creating Revocable Trusts
- Any document requiring Notarization (i.e. Security Instrument, Riders, etc.)
- IRS and Social Security Administration documents. Although the IRS accepts an e-signed 4506-T, U.S. Bank is unable to process e-signed forms with the IRS, at this time. U.S. Bank will announce when the 4506-T will be accepted with an electronic signature.

**Forbearance**

**Is U.S. Bank offering forbearance programs to support borrowers?**

If a borrower is unable to make their mortgage payment, we are offering several customer assistance programs that may allow them to have their mortgage payments suspended for up to 180-days (6-months). Our forbearance program allows for a suspension of payments for up to 180 days. With our customer assistance programs, borrowers will not be charged any late fees and their account be reported as current to the Credit Reporting Agencies.

- If, after the initial 180 days suspension of payments their hardship has still not been resolved, we will continue to work with them. If they are unable to pay the suspended installments in full, options such as extending the forbearance program up to an additional 180-days, repayment plans, or a loan modification may be available if they meet requirements.

**Inspections**

**Carbon Monoxide and smoke inspections: The fire department has halted all inspections. Will you allow a purchase loan to close without that?**

Lenders are responsible for complying with state and local municipality guidelines.
