**PLEASE NOTE:** UCAA forms are not required in Surplus Lines applications. However, the information (if applicable) included on the UCAA forms does allow the Oklahoma Insurance Department to accurately register the applicant into our electronic system and White List. Some missing data in certain fields of the Oklahoma electronic system may cause electronic system errors and reject the application altogether. Properly registered Alien Surplus Lines insurers are given recognition as an "approved" Alien Surplus Lines insurer in Oklahoma, allowing insurance consumers a greater confidence in purchasing insurance from a company listed on Oklahoma's White List and website as an "Approved Surplus Lines Company" in Oklahoma.
