Chapter 15 Property and Casualty 25
Chapter 25 Other Licensees 25
Surplus lines insurance companies “approved” – 36 O.S. § 321(B)
- Clarifies that surplus lines insurance companies are not “licensed to do business in this state,” but instead are “approved to do business in this state.”

Typo fix – 36 O.S. § 1106(2)
- An Oklahoma surplus lines license is required only where Oklahoma is the home state of the insured.
  - Previous law said that a license is required where Oklahoma is the home state of the “insurer,” which was an incorrect typo.

Reference Clarification – 36 O.S. § 1441.1
- This section is amended to correct an outdated reference to a repealed section of Title 85 of the Oklahoma Statutes. The correct reference is to Section 103 of Title 85A.

Response requirements for regulated persons – 36 O.S. § 1250.4(B)
- Any person subject to the jurisdiction of the Commissioner must respond to an inquiry from the Commissioner within 30 days.
  - Previous law required a timely response only from “[e]very agent, adjuster, administrator, insurance company representative, or insurer . . .”

Investments in any one person – 36 O.S. § 1605
- The percentage limit on insurance company investments in any one person applies to an insurer’s admitted assets rather than all assets.

Motor service club name changes – 36 O.S. § 3102(C)
- A motor service club may change its name by submitting its request electronically on a form prescribed by the Commissioner.

Property and casualty insurers timely response to claims – 36 O.S. § 1250.7(A)
- A P&C insurer must advise a first party claimant of the acceptance or denial of a claim, or advise whether further investigation is necessary, within 60 days of the insurer’s receipt of properly executed proofs of loss.
  - Previous requirement was 45 days.

All insurers timely response to claims – 36 O.S. § 3629(B)
- All insurers must submit a written offer of settlement or rejection of a claim to an insured within 60 days of receipt of that proof of loss.
  - Previous requirement was 90 days.

Clarity regarding actuarial determination of endowed prepayment amounts for not-for-profit life care communities – 36 O.S. § 4424(5)
- The amount of the endowed prepayment must be actuarially determined in compliance with the Actuarial Standards of Practice promulgated by the Actuarial Standards Board of the American Academy of Actuaries.

“Qualified actuary” definition – 36 O.S. § 6543(11)
- For purposes of the Oklahoma Risk Retention Act, “[q]ualified actuary’ means an individual who is a member of the American Academy of Actuaries and who has met the Qualification Standards for Actuaries Issuing Statements of Actuarial Opinions in the United States promulgated by the American Academy of Actuaries.”
Captive insurance company actuarial opinions – 36 O.S. § 6470.12(B)

- An individual who prepares a Statement of Actuarial opinion for a captive must be independent of the captive and its affiliates.

- order implementation of the Plan,
- order a statutory novation with respect to all policyholders or reinsureds and their respective policies and reinsurance agreements under the subject business, including the extinguishment of all rights of policyholders under policies that are part of the subject business against the transferring insurer, and providing that the transferring insurer shall have no further rights, obligations, or liabilities with respect to such policies, and that the assuming insurer shall have all such rights, obligations, and liabilities as if it, instead of the transferring insurer, were the original insurer of such policies,

- Removes the language relating to a “certificate of noncoverage” for sole proprietors and partnerships. Creates instead an “Affidavit of Exempts Status.”

- Knowingly providing false information on an executed affidavit shall constitute a misdemeanor punishable by a fine not to exceed $1,000.
- In the event changed circumstances make securing compensation necessary, the individual or business entity on whose behalf the affidavit was executed shall execute and file a Cancellation of Affidavit of Exempt Status.
- Affidavits shall conspicuously state on the front thereof in at least ten-point, bold-faced print that it is a crime to falsify information on the form.

SERVICE WARRANTIES

SB 1142 – Service Warranty Association Financials

15 O.S. §§ 141.2, 141.7, 141.11, & 141.14

• For purposes of determining what type of financial statement a service warranty association must annually file with the Department, associations are divided into two categories:
  – An association which relies on § 141.6(A) and maintains an unearned reserve account must file audited financial statements prepared in accordance with statutory accounting principles (SAP).
  – An association which relies on § 141.6(B) and purchases a liability insurance policy to cover 100% of its liability must file a financial statement verified under oath by at least two of its principal officers and prepared in accordance with generally accepted accounting principles (GAAP).

• The definition of “net assets” is amended to remove language related to the treatment of “goodwill, franchises, customer lists, patents or trademarks, and receivables from or advances to officers, directors, employees, salesmen and affiliated companies . . .” Net assets means simply “the amount by which the total assets of an association exceed the total liabilities of the association.”
  – Because all service warranty associations will now be subject to either SAP or GAAP, and both of these accounting methods have rules for the treatment of these assets, there is no need to continue to list them in statute.
