

THIS DOCUMENT IS A COPY OF THE OKLAHOMA CERTIFIED REAL ESTATE APPRAISERS ACT WITH THE CHANGES MANDATED BY HB 2168 EFFECTIVE NOVEMBER 1, 2015.

§ 858-700. Short Title.

This act shall be known and may be cited as the "Oklahoma Certified Real Estate Appraisers Act".

§ 858-701. Legislative Intent - Purpose of Act.

It is the intent of the Legislature to develop a real estate appraiser certification process which meets the federal guidelines set forth in the Financial Institutions Reform, Recovery, and Enforcement Act of 1989. The purpose of the Oklahoma Certified Real Estate Appraisers Act is to provide appraisers within the state a process for certification which will allow them to participate in a federally related transaction and real estate-related financial transactions of the agencies, instrumentalities and federally recognized entities as defined and recognized in Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989. It is not the intent of this legislation to prevent any person who is currently conducting business as an appraiser from continuing such action unless such action involves a federally related transaction or a real estate-related financial transaction as defined in Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989.

§ 858-702. Application of Act.

A. This act shall only apply to:

1. Any appraisal or appraiser involving the following:

a. a federally related transaction,

b. real estate-related financial transactions of the agencies, instrumentalities, and federally recognized entities covered by the Financial Institutions Reform, Recovery, and Enforcement Act of 1989, and

c. any real estate-related transactions where an appraisal report was made under a written agreement that the appraisal report would follow the Uniform Standards of Professional Appraisal Practice guidelines or where a written appraisal states that it is in compliance with the Uniform Standards of Professional Appraisal Practice; and

2. Appraisers certified or licensed pursuant to the Oklahoma Certified Real Estate Appraisers Act or representing themselves as such, whether such license or certification is active, inactive, expired, suspended, or revoked as set forth in this act and the rules and regulations promulgated pursuant thereto, to the extent that the appraisers and any real property valuation and any real property valuation activity performed by them shall conform to the code of ethics as set forth in this act.

B. Certified public accountants, licensed in the states or other U.S. jurisdictions, who perform appraisals of real estate incidental to the performance of professional services they provide to clients are excluded from the licensing and certification provisions of the Oklahoma Certified Real Estate Appraisers Act unless the appraisal is a federally related transaction or a real estate-related financial transaction of the agencies, instrumentalities and federally recognized entities covered by the Financial Institutions, Reform, Recovery and Enforcement Act of 1989.

§ 858-703. Definitions.

As used in the Oklahoma Certified Real Estate Appraisers Act:

1. "Appraisal" or "real estate appraisal" means an analysis, opinion or conclusion relating to the nature, quality, value or utility of specified interests in, or aspects of, identified real estate other than oil, gas, coal,

water, and all other energy and nonfuel mineral and elements or the value of underground space to be used for storage of commodities or for the disposal of waste unless they are appraised as part of a federally related transaction covered by the Financial Institutions Reform, Recovery, and Enforcement Act of 1989. An appraisal may be classified by subject matter into either a valuation or an analysis. A "valuation" is an estimate of the value of real estate or real property. An "analysis" is a study of real estate or real property other than estimating value;

2. "Appraisal report" means any written or oral communication of an appraisal;
3. "Appraisal Subcommittee" means the subcommittee created by Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989;
4. "Appraiser Qualifications Board" (AQB) means the independent board appointed by the Board of Trustees of the Appraisal Foundation. The AQB establishes educational, experience, and examination criteria for appraisers. Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA) of 1989 requires that state certified appraisers must meet the minimum qualifications set by the AQB;
5. "Board" means the Real Estate Appraiser Board established pursuant to the provisions of the Oklahoma Certified Real Estate Appraisers Act;
6. "Certification" shall refer to either a trainee appraiser, a state licensed appraiser, a state certified residential appraiser or a state certified general appraiser;
7. "Certified appraisal or certified appraisal report" means an appraisal or appraisal report given or signed and certified as such by a trainee appraiser, a state licensed, state certified residential or state certified general real estate appraiser. When identifying an appraisal or appraisal report as "certified", the trainee, state licensed, state certified residential or state certified general real estate appraiser must indicate which type of certification is held. A certified appraisal or appraisal report represents to the public that it meets the appraisal standards defined in the Oklahoma Certified Real Estate Appraisers Act;
8. "Chairperson" means the chairperson of the Real Estate Appraiser Board;
9. "Department" means the Oklahoma Insurance Department;
10. "Real estate" means an identified parcel or tract of land, including improvements, if any;
11. "Real property" means one or more defined interests, benefits, and rights inherent in the ownership of real estate;
12. "Trainee, state licensed, state certified residential or state certified general real estate appraiser" means a person who develops and communicates real estate appraisals and who holds a current, valid certificate issued to such person for either general or residential real estate pursuant to provisions of the Oklahoma Certified Real Estate Appraisers Act;
13. "Appraisal assignment" means an engagement for which an appraiser is employed or retained to act, or would be perceived by third parties or the public as acting, as a disinterested third party in rendering an unbiased analysis, opinion, or conclusion relating to the nature, quality, value, or utility of specified interests in, or aspects of, identified real estate; and
14. "Specialized services" means those appraisal services which do not fall within the definition of appraisal assignment. The term "specialized services" may include valuation work and analysis work. Regardless of the intention of the client or employer, if the appraiser would be perceived by third parties or the public as acting as a disinterested third party in rendering an unbiased analysis, opinion or conclusion, the work is classified as an appraisal assignment and not "specialized services".

§ 858-704. Use of term “state certified”.

A. No person, other than a trainee, state licensed, state certified residential or state certified general real estate appraiser, shall assume or use that title or any title, designation, or abbreviation likely to create the impression of certification as a real estate appraiser by this state. A person who is not certified pursuant to the provisions of the Oklahoma Certified Real Estate Appraisers Act shall not describe or refer to any appraisal or other evaluation of real estate located in this state by using the term "state certified".

B. Violation of subsection A of this section, including using or attempting to use the seal, certificate, or license of another as their own, or falsely impersonating any duly licensed appraiser, or using or attempting to use an inactive, expired, suspended, or revoked license, is declared to be adverse to the public welfare, to constitute a public nuisance, and to cause irreparable harm to the public welfare. The Real Estate Appraisal Board, through the Attorney General, or the local district attorney may maintain an action for injunctive relief in the district court in the county in which a violation of this section is alleged to have occurred to enjoin any person from engaging in such practice.

C. Upon the filing of a verified petition in a district court, the court, if satisfied by affidavit or otherwise that a person has been engaged in the practice of real estate appraisal without a valid license, may enter a temporary restraining order without notice or bond enjoining the defendant from further practice. The showing of the absence of a valid, active, unexpired license, by affidavit or otherwise, is sufficient for the issuance of a temporary injunction. If it is established that the defendant has been or is engaged in violation of subsection A of this section, the court may enter an order or judgment perpetually enjoining the defendant from further unlawful acts. In all proceedings under this section, the court, in its discretion, may apportion the costs among the parties interested in the action, including the cost of filing the complaint, service of process, witness fees and expenses, court-reported charges, and reasonable attorney fees. These injunctive proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided in the Oklahoma Certified Real Estate Appraisers Act.

D. This act is hereby deemed to be voluntary on the part of those who apply to become trainee, state licensed, state certified residential or state certified general real estate appraisers. Users of appraisals may determine, by their own discretion or by guidelines, whether or not to use a trainee, state licensed, state certified residential or state certified general real estate appraiser.
