

Field Name	Definition
Last Name	The last name of the agent or broker as entered during Federally-facilitated Marketplace (FFM) Registration on the Marketplace Learning Management System (MLMS).*
First Name	The first name of the agent or broker as entered during FFM Registration on the Marketplace Learning Management System (MLMS).*
Phone	The phone number of the agent or broker as entered during FFM Registration on the Marketplace Learning Management System (MLMS).*
State	The state the agent or broker identified as part of their business address, entered by the agent or broker on Marketplace Learning Management System (MLMS).*
Zip Code	The zip code the agent or broker identified as part of their business address, entered by the agent or broker on Marketplace Learning Management System (MLMS).*
NPN	The personal National Producer Number (NPN) of the agent or broker as entered by the agent or broker on the Marketplace Learning Management System (MLMS).*
Web Broker NPN	For agents or brokers who self-identify as the authorized representative for a web-broker, the National Producer Number (NPN) of that web-broker. The information is entered by the agent or broker on the Marketplace Learning Management System (MLMS).*
Business Entity NPN	For agents or brokers who self-identify as the authorized representative for a business entity, the National Producer Number (NPN) of that business entity. The information is entered by the agent or broker on the Marketplace Learning Management System (MLMS).*
Marketplaces	The Marketplaces for which the agent or broker has completed FFM Registration. "Individual" indicates that the agent or broker has completed FFM Registration for the Individual Marketplace; "SHOP" indicates that the agent or broker has completed FFM Registration for the Small Business Health Options Program (SHOP) Marketplace; "Both" indicates that the agent or broker has completed FFM Registration for both Marketplaces.
Registration Completion Date	The date on which the agent or broker completed all registration requirements (e.g., training, testing, signing the Marketplace Agreement, and identity proofing) to participate in a Federally-facilitated Marketplace for plan year 2019. If the agent or broker is participating in both Marketplaces (Individual and SHOP), but completed the registration requirements for each Marketplace on two different dates, this date represents the earlier of the two dates.
SHOP Registration Date	The date on which the agent or broker completed SHOP registration requirements (i.e., signing the Marketplace Agreement and identity proofing) to participate in the SHOP Marketplace for plan year 2019.
Individual Registration Date	The date on which the agent or broker completed Individual Marketplace registration requirements (i.e., training, testing, signing the Marketplace Agreement and identity proofing) to participate in the Individual Marketplace for plan year 2019.
Valid NPN	Indicator for the current plan year. A "Yes" means that the NPN is valid in National Insurance Producer Registry (NIPR) and has an active status in a healthcare line of authority. "No" means that the NPN is invalid in NIPR or the NPN is not active in a healthcare related line of authority.

* Agent/broker identifying information is self-reported and is subject to user error.

Notes:

- FFM Registration takes place on the CMS Enterprise Portal, where agents and brokers create an FFM User Account, complete identity proofing, and complete training through either a CMS-approved third-party vendor or the Marketplace Learning Management System (MLMS) provided by CMS. In addition, all agents and brokers must electronically sign a Marketplace Agreement(s) on the MLMS.
- Completion of the FFM registration process does not ensure that the individual is a licensed insurance agent/broker.

Source: CMS compilation of data from the MLMS and the Enterprise Identity Management System (EIDM).
