OSBI/FBI FINGERPRINT BACKGROUND CHECKS

Privacy Act Statement and Applicant Notification

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Public Law 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or other responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Applicant Record Challenge: Before a final decision is made, you have the opportunity to complete or challenge the accuracy of the information contained in the FBI identification record. The procedure for obtaining a change, correction, or updating an FBI identification record is set forth in Title 28, CFR 16.34. For information on updating the national criminal history record, visit www.FBI.gov or <https://www.fbi.gov/cjis/identity-history-summary-checks#challenge-of-an-identity-history-summary>.

If certified documents are obtained for the purpose of updating your criminal history record, the documents should be forwarded to the FBI and to the repository in the state where the arrest occurred.

THE REAL ESTATE APPRAISER BOARD WILL NOT DENY YOUR APPLICATION UNTIL YOU HAVE BEEN AFFORDED A REASONABLE OPPORTUNITY TO CORRECT OR COMPLETE THE RECORD, OR UNTIL YOU HAVE DECLINED TO DO SO.
