**RE: MEDICAL MALPRACTICE –CLOSED CLAIM REPORTING  
Title 36 O.S. 6810 - 6820**

**FROM: OKLAHOMA INSURANCE DEPARTMENT**

**DATE: June 21, 2011**

In 2009, the Oklahoma Legislature amended the Oklahoma Medical Professional Liability Insurance Closed Claim Reports Act, 36 O.S. § 6810 – 6816. The amendments to these statutes expanded the entities required to make closed claim reports and broadened the amount of information entities are required to report. The purpose of these amendments was to allow the Oklahoma Insurance Department to gather a greater amount and more accurate statistical information to provide a more comprehensive picture of costs associated with medical professional liability claims.

**Effective November 1, 2011, the reporting dates are changing.** Insuring entities shall file, between January 1 and March 15 of each year, a closed claim report that includes data for all claims closed in the preceding calendar year and any adjustments to data reported in prior years. **Because of the change in reporting dates, no further reports are necessary during 2011. However, insurers are instructed to report information for claims closed in calendar year 2011 no later than March 15, 2012.** This may involve a duplication of information filed for claims closed between January 1, 2011 and April 1, 2011, but your compliance with this mandate will ensure a more accurate report for claims closed in 2011.

The Department has prepared the Medical Malpractice 2011 Report Instructions and Reporting Form – both of which are attached. These instructions will provide guidance in preparing and filling out the form.

Further, please be advised that any entity that has access to SERFF (System for Electronic Rate and Form Filing) will be required to submit their closed claim reports through SERFF in an Excel spreadsheet format. The Excel spreadsheet included in the SERFF filing must be titled with the identifying number of the claim being reported. When submitting reports by SERFF, select TOI **11.0**, Filing Type – **Report**, and place attachments under **Supporting Documents** tab. (Attachments to be submitted in Excel format only. *Do not convert the spreadsheet to .pdf format.*)

If any entity does not have access to SERFF, the report must be submitted to the Department in an Excel spreadsheet format by e-mail to [oidreports@oid.ok.gov](mailto:oidreports@oid.ok.gov). The Excel spreadsheet must be titled with the identifying number of the claim being reported. (*Do not convert the spreadsheet to .pdf format.*)
