RE: OKLAHOMA PROPERTY AND CASUALTY INSURANCE FILING REVIEW
STANDARDS CHECKLISTS
DATE: July 17, 2001

PURPOSE OF THIS BULLETIN

This Bulletin announces the availability of the Oklahoma Property and Casualty Insurance Filing Review Standards Checklists. The Checklists can be downloaded from www.oid.state.ok.us. (Select the Insurer option, and then select the Property and Casualty option and scroll down to Checklists.)

The Oklahoma Insurance Department is committed to the National Association of Insurance Commissioner's Speed to Market process. An intricate part of the Speed to Market process is the creation of the checklists, which identify the existing regulatory requirements for each product and rate filing. The checklists further identify whether the requirement is based on statute, regulation, bulletin, case law, departmental policy or a decision of the State Board for Property and Casualty Rates.

We have attempted to identify all of the requirements for the various lines of insurance. However, as we process future filings any requirement that was overlooked will be added to the Checklists. Those guidelines that are based on departmental policy or a Board decision are currently under review. We will eliminate those that are unnecessary and formalize all others into a regulation or statute.

Any revisions to the Checklists will be done on a monthly basis. By checking the website monthly, insurers will have the most current information.

Once you visit the website, you will notice that each checklist is several pages in length. Therefore, we have not included copies of the checklists with this bulletin.

Any questions should be directed by e-mail to tashapeace@insurance.state.ok.us or the Oklahoma Insurance Department, Property and Casualty Division, P. O. Box 53408, Oklahoma City, Oklahoma 73152-3408.
