Things to Remember

1. Pursuant to 36 O.S. §624(A)(2), a reduction in taxable premium will be allowed only for premiums paid by a county, city, town or school district or by their duly constituted authorities performing a public service. Premiums paid by other state agencies do not qualify.
2. No electronic filings are required or accepted for annual statements. Foreign companies are required to file a Jurat Page unless the Oklahoma Insurance Department issues a written request for the company to file hard copies. Domestic companies must file hard copies for both annual and quarterly filings.
3. Several credit lines were added to the premium tax return. Please note that there is a worksheet provided in the instructions for the Home Office Credit, Historic Rehabilitation Credit and Venture Capital Credit. This form can be e-mailed upon request in Excel format for use in calculating these credits. Each credit must be accompanied by proper documentation to receive the credit. Contact rachael.nalliah@oid.ok.gov for the Excel worksheet.
4. The Life and Health Guaranty Credit is given pursuant to 36 O.S. §2030(I). The Oklahoma Life Guaranty Association will provide each eligible company with a letter in December as to the amount of credit that can be taken on the annual return. If you feel there is an error in the computation of the company credit for this year, please contact the Oklahoma Life and Health Guaranty Association at (405) 272-9221. The Oklahoma Department of Insurance does not have jurisdiction over these credits.

5. The Property and Casualty Guaranty Credit is given pursuant to 36 O.S. §625.4(A). The Oklahoma Property and Casualty Guaranty Association will provide each eligible company with a letter in December as to the amount of credit that can be taken on the annual return. If you feel there is an error in the computation of the company credit for this year, please contact the Oklahoma Property and Casualty Guaranty Association at (405) 843-5454. The Oklahoma Department of Insurance does not have jurisdiction over these credits.
6. The state checklist is essential in completing and submitting all necessary state filings. Please include a copy of the checklist on top of each filing. The Oklahoma ID number must appear on each page of the filings (four-digit license number located on each license.) Forms must appear in the order stated on the checklist. Any additional submissions should be attached to the end of the filing packet.

**General Instructions
For Companies to Use Checklist**

Please Note: This state's instructions for companies to file with the NAIC are included in this Checklist. The NAIC will not be sending their own checklist this year.

Electronic filing is intended to include filing via the Internet or filing via diskette with the NAIC. Companies that file with the NAIC via the Internet are not required to submit diskettes to the NAIC. Companies are not required to file hard copy filings with the NAIC.

Column (1) (Checklist)

Companies may use the checklist to submit to a state, if the state requests it. Companies should copy the checklist and place an "x" in this column when mailing information to the state.

Column (2) (Line #)

Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

Column (3) (Required Filings)

Name of item or form to be filed.

The *Annual Statement Electronic Filing* includes the annual statement data and all supplements due March 1, per the *Annual Statement Instructions*. This includes all detail investments schedules and other supplements for which the *Annual Statement Instructions* exempt printed detail.

The *March .PDF Filing* is .pdf files for annual statement data, detail for investment schedules and supplements due March 1.

The *Separate Accounts Electronic Filing* includes the separate accounts annual statement and investment schedule detail.

The *Separate Accounts .PDF Filing* is the .pdf file for the separate accounts annual statement and investment schedule detail.

The *Supplemental Electronic Filing* includes all supplements due April 1, per the *Annual Statement Instructions*.

The *Supplemental .PDF Filing* is the .pdf file for all supplements due April 1.

The *Quarterly Electronic Filing* includes the quarterly statement data.

The *Quarterly .PDF Filing* is the .pdf for quarterly statement data.

The *June .PDF Filing* is the .pdf file for the Audited Financial Statements.

Column (4) (Number of Copies)

Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The Blanks (E) Task Force modified the 1999 *Annual Statement Instructions* to waive paper filings of certain NAIC supplements and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists reflect this action taken by the Blanks (E) Task Force. XXX appears in the "Number of Copies" "Foreign" column for the appropriate schedules and exhibits. **Some states have chosen to waive printed quarterly and annual statements from their foreign insurers and to rely upon the NAIC database for these filings. This waiver could include supplemental annual statement filings. The XXX in this column might signify that the state has waived the paper filing of the annual statement and all supplements.**

Column (5) (Due Date)

Indicates the date on which the company must file the form.

Column (6) (Form Source)

This column contains one of three words: “NAIC,” “State,” or “Company.” If this column contains “NAIC,” the company must obtain the forms from the appropriate vendor. If this column contains “State,” the state will provide the forms with the filing instructions (generally, on its website). If this column contains “Company,” the company, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions or the NAIC *Annual Statement Instructions*..

Column (7) (Applicable Notes)

This column contains references to the Notes to the Instructions that apply to each item listed on the checklist. The company should carefully read these notes before submitting a filing.
