In a hurry and want to get a head start before you get that email or letter? Go to www.psiexams.com and you will be allowed to schedule as soon as your application has been processed by the Oklahoma Insurance Department. You'll find testing locations and instructions on their website too.
13. When you pass your exam(s) you will be issued an official paper "Resident Producer" license, and you can go to work as an official Oklahoma Insurance Agent!
