RE: RATE AND FORM COMPLIANCE DIVISION - PROPERTY AND CASUALTY MONTHLY FILING ACTIVITY REPORT

DATE: February 27, 2009 (Revised May 17, 2011)

PURPOSE OF THIS NOTICE

The Rate and Form Compliance Division of the Oklahoma Insurance Department ("Department") has developed a monthly report of the filing activities of property and casualty insurers admitted in the state of Oklahoma. The monthly reports may be used to monitor the Oklahoma property and casualty insurance market place.

The reports will be posted on the Department's website on a monthly basis. For your convenience, each document will be in **searchable** format.

The Department will provide copies in electronic format of public documents contained in any filing at a cost of \$0.40 per page, plus additional costs as appropriate. The Department will accommodate requests for public documents in other formats as needed. In addition to all other charges, a search fee may be charged when records are requested for commercial purposes or when responding to a request would be excessively disruptive to the essential functions of the Department. Postage costs must also be paid by the requestor. Requests should be e-mailed to Linda.Valliant@oid.ok.gov or Paula.Butler@oid.ok.gov.

The request **must** identify the OID and/or SIRCON number for filings submitted from 2005 through June 2011. Requests for filings submitted after June 2011 **must** identify the SERFF and/or SIRCON filing number. The SERFF and/or SIRCON filing number is identified on the report for each filing. (Example - Filing: ABCD-127123586 and/or 31769). All requests must identify the lead insurance company and the month the filing was posted.

Some filings will contain fewer than ten (10) pages while others will contain hundreds. It is the requestor's responsibility to inform the Department of limitations as to the number of pages for which the requestor is willing to pay.

The Department's SERFF computer may be used by the public to view filings. **Although appointments are not required to view filings, it is strongly**

suggested due to the limited amount of space and equipment. Individuals making appointments will be given priority access to the SERFF computer.
