RE: PROPERTY AND CASUALTY DIVISION'S MONTHLY FILING ACTIVITY REPORT

DATE: September 9, 2005

PURPOSE OF THIS NOTICE

The staff of the Property and Casualty Division of the Oklahoma Insurance Department has developed a monthly report that identifies filing activity. This report contains **all** of the filings reviewed by the Property and Casualty Division just like the agendas of the State Board for Property and Casualty Rates prior to **1987**.

The insurance industry used the Board's agenda to monitor the Oklahoma property and casualty insurance market place for years. As the Board's authority over property and casualty insurance products decreased, the agenda got smaller. In 1987 all property and casualty forms were removed. Then on November 1, 1999 all commercial rates and rules except workers' compensation were removed. November 1, 2004 all personal lines rates and rules were removed. The final step was taken on July 1, 2005 when workers' compensation rates were removed from the Board's jurisdiction, thus making a Board agenda unnecessary.

Many of you will recognize the format of the new report since it is the same as the Board's agenda. The report will be posted on the website on a monthly basis. The filings listed on each month's report will comply with the three public record statutes as outlined on the next page. For your convenience the document is **searchable**.

A **paper** copy of the public documentation for any of the filings listed is available upon request. The charge is \$0.40 a page. E-mail your request to tashaperry@insurance.state.ok.us and identify the Oklahoma Filing Number, lead insurance company and the month the filing was posted. The Oklahoma Filing Number is identified on the report for each filing, example/Filing: 2005-2390C.

Some of the filings will contain fewer than ten (10) pages while others will have hundreds. As such, it is the company's responsibility to set limitations as to the amount of the total expenditure.

The Board's agendas since January 2003 will remain on the Department's website for an indefinite period of time as will the new monthly reports.

Questions applicable to this notice should be directed to kathiestepp@insurance.state.ok.us of the Property and Casualty Division of the Oklahoma Insurance Department, P. O. Box 53408, Oklahoma City, OK 73152-3408.

The Oklahoma Insurance Department encourages readers of this notice to periodically check the Department's web site (www.oid.state.ok.us) for news and updates to Bulletins, Orders, and other relevant material.
