

Prepare Yourself General :30

Hello, I'm Oklahoma Insurance Commissioner John Doak. During my time in office I've visited all 77 counties helping protect Oklahomans from winter weather, severe storms, floods, wildfires and even earthquakes.

It is critical that you check your insurance policies every year or talk with your licensed agent or broker. The Oklahoma Insurance Department can help you prepare for life-changing events. Just go to oid.ok.gov for a home inventory kit, insurance checklist and more.
