Bail Bondsmen Monthly Reports

Simplified Report Forms are no longer accepted.

Effective immediately, simplified report forms will no longer be used.

Simplified surety forms are no longer required for bondsmen who are solely appointed with a professional bondsman. Surety bail bondsmen writing solely for a professional bail bondsman may be deemed to have filed a report if said surety bail bondsman's business for the reporting month is included in the professional's report.

Surety bondsmen that do not have an appointment with an insurer (surety company or professional bondsman) must file a surety report.

Bondsmen with the Cash line of authority must file a cash report even if the bondsman has not written cash bonds or has no liability.

Bondsmen with the Property line of authority must file a property report even if the bondsman has not written property bonds or has no liability.

Bondsmen with the Professional line of authority must file a professional report even if the bondsman has not written professional bonds or has no liability.

HB 1243 requires ALL reports be submitted electronically to the Oklahoma Insurance Department.

Feel free to call the Bail Bond Division at (405) 521-6610 if you have any questions.
