

# Hands On Training!

## Oklahoma Insurance Department Sircon Training Event

*(One hour of CE credit is available for participating insurance professionals)*

The Oklahoma Insurance Department is presenting several **Sircon Training** opportunities for the Oklahoma insurance industry. We will have scheduled training events in both Oklahoma City and Tulsa to provide information necessary to successfully navigate our new online licensing system.

The training will include *hands-on* instructions for submitting new Resident and Non-Resident applications and renewals for producers, adjusters and agencies, *and* for checking the pending status of the application or renewal. Additional information will be provided for other license types as well. Training will include instruction on how to find a license number, look-up CE courses and credits, updating addresses, phone numbers and email addresses, printing a Certification letter, and obtaining a complete license profile.

Each training session will last approximately one and a half hours, and is offered throughout the day on below listed dates and times. **One hour of Continuing Education credit** is available for successfully completing the course.
