## LAW ENFORCEMENT ONLY

### THE LIFE INSURANCE ALERT SYSTEM (LIAS)

Sponsored by the International Claims Association (ICA) [www.ICA.org](http://www.ICA.org)

The ICA offers the Life Insurance Alert System (LIAS) as a free service whereby any law enforcement officer can request a canvass of member companies to determine if a life insurance policy exists for an individual victim. LIAS searches a number of ICA member companies, but is not a comprehensive industry-wide database. However, past LIAS searches have proved useful in determining if life insurance may have been a motive in a victim's death or disappearance.

**\*\*\*NOTE: The Life Insurance Alert System is for Law Enforcement use ONLY\*\*\***
