

Commissioner:

Nearly one in 4 Oklahoma drivers doesn't have auto insurance.

I'm Oklahoma Insurance Commissioner John Doak with the Troopers of the Year, reminding you that liability coverage is required on all vehicles.

Trooper 1:

If we catch you without it, we can suspend your license, impound your car and write you an expensive ticket.

Trooper 2:

And if you cause an accident, you'll have to pay for the other driver's damages and medical costs.

Commissioner:

So don't take the risk.

You can't afford being uninsured.
