### **Special Notice Ability to Renew Licenses Early**

---

Attention all Producers (Agents and Adjusters):

The Producer Licensing Division of the Oklahoma Insurance Department implemented new technologies and improved procedures through our Sircon online processing system. One of these improved processes is the ability for producers to renew their licenses up to 90 days early. The license expiration dates will not be affected.

Special Note: Continuing education requirements increase for Oklahoma licensees effective November 1, 2009. Producers with expiration dates in November 2009 and December 2009 will have the ability to renew their licenses prior to November 1, 2009. License renewals processed **prior** to November 1, 2009, will be allowed to complete the renewal under the current continuing education requirements.
