Dear Governor Fallin, President Pro Tempore Bingman, and Speaker Hickman:

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2016 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit.

This report contains information regarding the activities of the Department, the Commission, and the industries licensed and regulated by the Department.

Thanks to the leadership and foresight of our Governor and Legislature, our Department continues to take less state appropriations because our industries recognize they should pay for their enforcement themselves instead of relying on state dollars.

The Department is proud of our accomplishments and we look forward to working with you, the industries we regulate and most importantly, the Oklahoma consumers. We have achieved a great deal and will continue to improve on our efficiency and effectiveness.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Leshner", written over a horizontal line.

Scott Leshner, Administrator

Oklahoma Department of Consumer Credit

Description of examination and investigation procedures

Examinations

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of enforcement proceeding.

Complaints

Persons submitting complaints are required to submit a written explanation of their complaint along with any appropriate supporting documentation. Complaints are assigned by the Director of Licensing to Consumer Credit Examiners for resolution. Consumer credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint.

If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

The use of consumer credit in the State of Oklahoma

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers.

Consumer credit problems of creditors and debtors

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding payday loans which happen to be one of the most stringent of all the states. For example, in Oklahoma you may not have more than two payday loans open at one time. All licensees must also report to a database that is approved by the administrator. Finally, a consumer that has entered into five consecutive payday loans must wait 48 hours before entering into a new payday loan transaction. Numerous unlicensed creditors operating via the Internet also claim affiliation with various American Indian tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

Compliance with the Truth in Lending Act and Regulation Z

Oklahoma is one of five (5) states that are exempt from federal enforcement of the disclosure provisions of the Federal Truth in Lending Act. In order to maintain the enforcement exemption, the Oklahoma Legislature passed House Bill 3346 during the 2014 legislative session, which became effective July 1, 2014. House Bill 3346 amends the Uniform Consumer Credit Code to authorize the Administrator to enforce the disclosure provisions of the Federal Consumer Credit Protection Act. The amendments made by House Bill 3346 to the Uniform Consumer Credit Code require creditors to provide the consumer credit disclosures required by the Federal Consumer Credit Protection Act.

Enforcement Report of the Department of Consumer Credit July 1, 2015-June 30, 2016

The Department filed eight (8) Cease and Desist Orders during fiscal year 2016. The Department filed twenty-seven (27) administrative orders imposing civil penalties totaling \$29,300 during fiscal year 2016. The Department filed three (3) administrative orders imposing a license suspension during fiscal year 2016 and one (1) license application was denied.

Legislative Recommendations

The Department plans to introduce legislation during the 2017 legislative session to address the allocation of Department fees between the Department and the General Revenue Fund of the State of Oklahoma.
