Dear Governor Fallin, President Pro Tempore Bingman, and Speaker Shannon,

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2013 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit. This report contains information regarding the activities of the Department, the Commission and the industries regulated by the Department.

The Department of Consumer Credit annually licenses or registers over 8,400 credit-related organizations including supervised lenders, mortgage brokers/loan originators, mortgage lenders, deferred deposit lenders, credit service organizations, pawn brokers, rent to own dealers, health spas, precious metal dealers, acceptance companies and businesses that finance goods and services for Oklahoma consumers. During the year we have made significant improvements that will benefit Oklahoma consumers and licensees. A partial listing of accomplishments this year includes:

- Processed over 400 formal consumer complaints;
- Continually upgrading our website to better serve consumers and licensees;
- Continued development of model examination to be utilized in all areas of enforcement;
- Continued improvements made to our database and data entry programs compatible with the Nationwide Mortgage Licensing System;

**STATE OF OKLAHOMA
DEPARTMENT OF CONSUMER CREDIT**

- Distributed almost \$50,000 to consumer credit counseling services for deferred deposit loan borrowers;
- The Department continues to adhere to the practices outlined in the Energy Efficiency and Conservation Plan created in FY10 in response to Senate Bill 833;
- The Department continues to revise written licensing procedures streamlining the licensing process for businesses and professionals;
- The Department has developed procedures which systematize the examination process making it more efficient for examiners;
- The Department is fully compliant to recent Information Technology consolidation legislation.

Thanks to the leadership and foresight of our Governor and Legislature, we continue to take less state appropriations because our industries recognize they should pay for their enforcement themselves instead of relying upon state dollars.

The Department is proud of our accomplishments and we look forward to working with you, the industries we regulate and most importantly, the Oklahoma Consumers. We have achieved a great deal and will continue to work to improve our efficiency and effectiveness.

Sincerely,

Scott Leshner, Administrator
Oklahoma Department of Consumer Credit

Bob Moses, Chairman
Oklahoma Commission on Consumer Credit

ORGANIZATIONAL CHART

RESPONSIBILITIES OF THE DEPARTMENT

ADMINISTRATOR'S COMMENTS AS REQUIRED BY 14A O.S. § 6-104(5) AND EXPANDED TO INCLUDE OTHER RESPONSIBILITIES OF THE DEPARTMENT OF CONSUMER CREDIT

I. Use of consumer credit in the State of Oklahoma

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers. The Department witnessed a growth during the previous fiscal year in Internet based third-party lead generators directing consumers to payday loan products.

II. Description of examination and investigation procedures

(a) Examinations

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of an enforcement proceeding.

(b) Complaints

Persons submitting complaints are required to submit a written explanation of their complaint along with any appropriate supporting documentation. Complaints are assigned by the Chief Consumer Credit Examiner to Consumer Credit Examiners for resolution. Consumer credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint. If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

III. Consumer credit problems of creditors and debtors

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding payday loans which happen to be one of the most stringent of all the states. For example, in Oklahoma you may not have more than two payday loans open at one time. All licensees must also report to a database that is approved by the administrator. Finally, a consumer that has entered into five consecutive payday loans must wait 48 hours before entering into a new payday loan transaction. Numerous unlicensed creditors operating via the Internet also claim affiliation with various American Indian tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

IV. Compliance with the Truth In Lending Act and Regulation Z

Oklahoma is one of five (5) states that are exempt from federal enforcement of the disclosure provisions of the federal Truth in Lending Act. However, the Department is required to change its administrative rules and to update the provisions of the Uniform Consumer Credit Code to remain in compliance with any amendments to the Truth in Lending Act and Regulation Z. The United States Congress has made numerous amendments to the Federal Truth in Lending Act since 2008 and many of the rules adopted by the Consumer Financial Protection Bureau during the past year implement the amendments made to the Truth in Lending Act.

The Oklahoma Legislature passed House Bill 1829 during the 2013 legislative session, which became effective July 1, 2013. House Bill 1829 enacted the consumer credit disclosure provisions of the Credit Card Act and the Private Student Loan Transparency and Improvement Act. The Department will promulgate administrative rules during 2014 to implement some or all of the provisions of House Bill 1829.

The Department promulgated administrative rules during 2013 to implement the provisions of House Bill 2742, which became effective July 1, 2012. The administrative rules incorporated the additional consumer credit disclosure provisions of the Mortgage Disclosure Improvement Act for purposes of maintaining Oklahoma's exemption from federal enforcement of the consumer credit disclosure provisions of the Truth in Lending Act. The Department also promulgated administrative rules to implement the provisions of House Bill 2742 that raise the dollar threshold exemption of certain transactions from the provisions of the Uniform Consumer Credit Code.

The administrative rules promulgated by the Department to implement the provisions of House Bill 2742 became effective July 1, 2013. The disclosure provisions of the Uniform Consumer Credit Code and The Truth in Lending Rules of the Department are not currently in compliance with all of the consumer credit disclosure provisions of the Truth in Lending Act and Regulation Z.

ENFORCEMENT REPORT OF THE DEPARTMENT OF CONSUMER CREDIT, JULY 1, 2012-JUNE 30, 2013

The Department filed thirteen (13) Cease and Desist Orders during fiscal year 2013. The Department filed one-hundred-twenty-five (125) administrative orders involving civil penalties

totaling \$221,100.00. The Department revoked one (1) mortgage broker license and suspended (1) mortgage loan originator license.

LEGISLATIVE RECOMMENDATIONS

The Department's proposed legislation for the 2014 Oklahoma legislative session consists of proposed amendments to Uniform Consumer Credit Code for purposes of maintaining Oklahoma's exemption from federal enforcement of the consumer credit disclosure provisions of the Truth in Lending Act and Regulation Z. The Department also plans to propose legislation amending language in the Uniform Consumer Credit Code involving a process for refunding license fees.

IX. Discussion and possible action regarding adding to the Commission Procedural Rules'

calendar that all committee membership will be re-evaluated and decided at every February Commission meeting.

Chairman Moses asked if there was anyone who did not want to serve on any of the committees due to time constraints. Commissioner Rick Harper and Commissioner Armando Rosell both said they would not be able to serve on any committees.

Commissioner Armando Rosell made a motion to add to the Commission Procedural Rules' calendar that all committee membership will be reevaluated and decided at every February meeting. Vice-Chairman Fahler seconded the motion. The motion was unanimously approved.

- X. Discussion and possible action regarding the Budget and Legislation Committees and the appointment of Commissioners to serve on the Budget and Legislation Committees.

General Counsel Roy John Martin gave the suggestion to have two separate motions made under this agenda item. One motion would be to select members for the Budget Committee and the other motion would be to select members for the Legislation Committee. Chairman Moses led the discussion to arrive at three members to nominate for the Legislation Committee.

Vice-Chairman Fahler made the motion to nominate Commissioner Spencer Stanley, Commissioner Joe Wilbanks, and Commissioner James Lee to serve on the Legislation Committee. Commissioner Suzy Casper seconded the motion. The motion was unanimously approved.

Chairman Moses then led the discussion to arrive at three members for the Budget Committee.

Commissioner Armando Rosell made the motion to nominate Vice-Chairman Cass Fahler, Commissioner Joe Wilbanks and Commissioner Suzy Casper to serve on the Budget Committee. Commissioner Rick Harper seconded the motion. The motion was unanimously approved.

- XI. Discussion and possible action regarding the creation of a Long-Term Planning Committee and the appointment of Commissioners to serve on the Long-Term Planning Committee.

Chairman Moses stated there would be two motions on this agenda item. The first motion would be to create the Long-Term Planning Committee and the second motion would be to select members to serve on this Committee. There is a need to create this Committee so that there is a long term plan in place for the Department on how to handle challenges and growth within the Department. Commissioner Armando Rosell suggested that the members on this Committee be the Department Administrator and the Chairman of the Commission. Administrator Leshar also suggested that the former Chairman, Commissioner Spencer Stanley, be nominated to serve on this Committee.

Commissioner Joe Wilbanks made the motion to create the Long-Term Planning Committee. Commissioner Odell Roland seconded the motion. The motion was unanimously approved.

Chairman Moses then led the discussion regarding members to be nominated to serve on the Long-Term Planning Committee. Commissioner Rosell stated again that he thought the Department Administrator and the Commission Chair should be required membership on this Committee. Commissioner Harper said that since the Commission will review membership each year that the Committee should focus on nominating members today and revisit membership when the Commission reviews Committees next February. Administrator Leshar also suggested Commissioner Mick Thompson to serve on this Committee.

General Counsel Roy John Martin clarified that the vote to nominate members to serve on this Committee was for individual members, not for fixed spots.

Commissioner Armando Rosell made the motion to nominate Administrator Leshar, Chairman Moses, Commissioner Stanley and Commissioner Thompson to serve on the Long-Term Planning Committee. Commissioner Odell Roland seconded the motion. The motion was unanimously approved.

- XII. Presentation and discussion regarding the implementation of a mortgage examination, mortgage examination accreditation and mortgage examiner certifications.

Administrator Leshar informed the Commission that Melinda Kinard, with the Conference of State Bank Supervisors, would arrive at the Department that afternoon to conduct a preliminary visit before the regular on-site evaluation occurs.

Vice-Chairman Fahler asked if this agenda item could be removed from automatically being on the agenda each month since great progress had been made in the accreditation process. Commissioner Rick Harper said he would prefer this to remain a standard agenda item listed on each month's agenda and so it will remain on each month's agenda.

- XIII. Legislation report. Discussion and possible action regarding legislation report.

Administrator Leshar stated that the Department is tracking 115 bills. The Department is closely following the Department sponsored bills, HB 1828, HB 1829, and SB 107. Both House bills will be heard in the House Economic Development and Financial Services Committee next week. SB 107 passed out of the Senate Business and Commerce last week. In addition, the Department is closely following HB 1466 by Rep. Jason Murphy, which allows the Governor one time appointments of any board member in a state agency. Commissioner Stanley said the bill would also give that privilege to the House Speaker and the Senate President Pro-Tempore.

No action was taken.

- XIV. Department of Consumer Credit staff reports. Discussion and possible action regarding the following Department of Consumer Credit staff reports:

- A.Licensing Report by Lindsie Lundy, Administrative Programs Officer;
- B.Examination Report by Ruben Tornini, acting Chief Examiner and Other Reports by Ruben Tornini, Deputy Administrator;

C. Enforcement Report by Roy John Martin, General Counsel;
D. Other Administrator Reports

Lindsie Lundy delivered the Licensing Report. The Department received \$208,000 revenue intake for January 2013. A large part of that amount was due to the end of the notification renewal period and the Department had 1,623 licenses that were renewed.

Ruben Tornini, acting Chief Examiner, delivered the Examination Report. Tornini reported that there were 136 examinations conducted by the Department in January. As Deputy Administrator, Mr. Tornini had no other reports to present to the Commission.

Roy John Martin delivered the Enforcement Report. Martin informed the Commission there were no new enforcement filings for January. There are several enforcement filings in February and those will be reflected on next month's Enforcement Report. Roughly ninety-four (94) referrals were received from the Licensing Division regarding the failure to pay late license renewal fees. The majority of licensees that failed to pay late license renewal fees were mortgage loan originators.

Scott Leshar delivered other Administrator Reports. Administrator Leshar briefed the Commission on the Cash Estimate Sheet update.

Commissioner Rosell suggested that the Commission start a Rainy Day Fund so that we roll over some of our excess revenue for future needs the Department may have, especially those considered by the Long-Term Planning Committee. Administrator Leshar stated that we must have a minimum of six months reserve funds in our account because when the fiscal year ends in June, renewal season doesn't start for another six months.

Commissioner Armando Rosell made a motion to approve items A-D of the Staff Reports. Commissioner Joe Wilbanks seconded the motion. The motion was unanimously approved.

- XV. New business (Any matter not known about or which could not have been reasonably foreseen prior to the time of posting the agenda).

VIII. Presentation and discussion of consumer credit counseling programs for deferred deposit loans by Consumer Credit Counseling Service of Central Oklahoma, Inc. (CCCS).

Mr. John Cooper presented and stated that CCCS has seen a 5% increase in serving low to moderate income individuals. Most of those individuals are young people who are paying back student loans and/or starting families and the elderly. 25% of clients served have taken out a deferred deposit loan. One key issue affecting CCCS clients is that typically they have jobs but no health insurance, so they often have large medical expenses on top of the additional debt they owe. Mr. Cooper expressed that internet loans are a large factor behind client debt and that these types of loans are typically from out of state companies and are not regulated. He emphasized that within the past two years, CCCS has partnered with other United Way agencies to try and meet the vast needs for each client who comes to them.

IX. Discussion and possible action regarding the adoption of the following proposed permanent rules:

Title 160, Chapter 3, Procedure
160:3-1-4, Requirements for individual proceedings [AMENDED]
Title 160, Chapter 45, Truth in Lending Rules

Subchapter 1, General Provisions
160:45-1-2, Definitions and rules of construction [AMENDED];

Subchapter5, Closed-End Credit

160:45-5-9, Mortgage transfer disclosures [NEW]

General Counsel Roy John Martin informed the Commission about the proposed rules for adoption, which involve procedural requirements regarding Administrative Hearings held at the Department and the Department's Truth in Lending rules.

The proposed procedural requirements for Administrative Hearings require the Administrator to issue a final agency order after a reasonable period of time once he has reviewed the administrative record and the hearing examiner's proposed order in a particular case. The proposed rules also require the Administrator to issue a final agency order if an individual proceeding has not been resolved pursuant to the consent order. Lastly, the proposed rules require the Administrator to schedule an administrative hearing within twenty days after an emergency order is served.

The Department's Truth in Lending rules incorporate recent changes made to federal regulation Z and also incorporate the enhanced mortgage disclosure provisions that were enacted in the Uniform Consumer Credit Code, effective as of July 1, 2012.

The notices of Rulemaking Intent were published in the February 1 Oklahoma Register, the written comment period was from February 1 through March 6 and a public hearing was held on March 6. There were no public comments at the hearing and no written comments were received via mail or email.

Once the proposed rules are approved, they will be submitted to the governor and the legislature for approval, although the legislature does not have to formally approve them because there is no fee increase included in the proposed rules.

Commissioner Stanley made a motion to adopt the proposed permanent rules. Commissioner Lee seconded the motion. The motion was unanimously approved.

- X. Presentation and discussion regarding the implementation of a mortgage examination, mortgage examination accreditation and mortgage examiner certifications.

Administrator Scott Leshar informed the Commission that Melinda Kinard, with the Conference of State Bank Supervisors (CSBS), visited the Department last month to conduct a preliminary visit before the regular on-site evaluation occurs.

Administrator Leshar then turned the presentation over to Deputy Administrator Ruben Tornini, who explained to the Commission that the primary purpose of her visit was to serve as a resource to the Department for clarification regarding the Self Evaluation Questionnaire (SEQ), a 47 page document that the Department must complete. The Department completed the SEQ in September of 2012 and it was a few points short of meeting CSBS standards, primarily due to a current lack of legislative authority. During the second half of her visit, Ms. Kinard conducted mock interviews with key staff to discuss licensing, examinations, legal, and legislative issues. Deputy Administrator

Tornini said based upon Ms. Kindard's visit, the Department plans to resubmit the SEQ within a few months and anticipates an official on site visit from the CSBS to take place this fall.

Commissioner Fahler added that accreditation is an extensive process and stated there are only approximately 10 other states that have regulatory agencies that have been accredited by the CSBS. Commissioner Fahler also thanked the Commission for the approval for him to attend the CSBS conference last month.

XI. Legislation report. Discussion and possible action regarding legislation report.

Legislative Liaison Greg Piatt reported to the Commission that HB 1828, the SAFE Act, and HB 1829, the Uniform Consumer Credit Code bill, passed out of the House of Representatives with only one opposition vote between the two bills. SB 107, the Precious Metals bill, also passed in the Senate with only two opposition votes. Mr. Piatt stated that our legislation is designed to keep the Department's examiners front and center, rather than to have federal examiners involved in the industries we regulate.

Commissioner Joe Wilbanks asked why there were opposition votes on SB 107 and Mr. Piatt explained that it was because the bill involved a fee increase.

The bills are in the process of being assigned to committees in the opposite house of origin.

Another bill, HB 1466, which would have allowed the Governor, Speaker of the House, and the Senate President Pro Tempore to have a one time ability to replace any of their appointments to a Board or Commission, failed 40-47 last week in the House.

No action was taken.

XII. Department of Consumer Credit staff reports. Discussion and possible action regarding the following Department of Consumer Credit staff reports:

- A. Licensing Report by Lindsie Lundy, Administrative Programs Officer;
- B. Examination Report by Ruben Tornini, acting Chief Examiner and Other Reports by Ruben Tornini, Deputy Administrator;
- C. Enforcement Report by Roy John Martin, General Counsel;
- D. Other Administrator Reports

Lindsie Lundy delivered the Licensing Report. Ms. Lundy reported that the Department received \$115,000 revenue intake for February 2013. Renewal season is almost over and licensing is focusing on processing new applications and licenses. There were 157 new licenses processed in February.

Ruben Tornini, acting Chief Examiner, delivered the Examination Report. Mr. Tornini reported that there were 240 examinations conducted by the Department in January. Of those 240 examinations, 205 of them were mortgage exams. As Deputy Administrator, Mr. Tornini reported that the Complaint Report has been cleaned up and is much easier to read.

Roy John Martin delivered the Enforcement Report. General Counsel Martin informed the Commission that in February there were 31 Notices of Hearing, 3 Emergency Cease and Desist Orders, and 1 Consent Order filed.

Mr. Martin also mentioned that the Senate Banking Committee has begun hearings in Washington, D.C. on the re-appointment of Dr. Richard Cordray as Director of the Consumer Financial Protection Bureau (CFPB). The hearings may be contentious, not because of Dr. Cordray but because Republicans believe that the governing structure of the CFPB needs to be changed.

Scott Leshar delivered other Administrator Reports. Administrator Leshar briefed the Commission on the Cash Estimate Sheet update and stated that the Department is \$100,000 ahead of where we were last fiscal year at this time.

Administrator Leshar also stated that Commissioner Thompson asked him to convey to the Commission that S. 3426, the Stop Abuse and Fraud Electronic Lending Act, which will address internet lenders, is a bill that is favorable to the Department and we should support. The other federal bill the Department was tracking regarding a federal charter for non-depository financial institutions has died, but could possibly come back at a later date. While Commissioner Thompson was in Washington, D.C. he met with Senator Elizabeth Warren from Massachusetts, formerly from Oklahoma, and she is focusing on illegal internet lenders, particularly tribal pay day lenders. Commissioner Thompson also met with Steve Antonakes, the new acting director under Dr. Cordray at the CFBP. Mr. Antonakes will visit Oklahoma in the near future and he will provide a presentation for any Commissioners who would be interested.

Vice-Chairman Fahler made a motion to approve items A-D of the Staff Reports. Commissioner Casper seconded the motion. The motion was unanimously approved.

- XIII. New business (Any matter not known about or which could not have been reasonably foreseen prior to the time of posting the agenda).
