Dear Governor Stitt, President Pro Tempore Treat and Speaker McCall:

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2021 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit. This report contains information regarding the activities of the Department, the Commission, and the industries licensed and regulated by the Department.

Thanks to the leadership and foresight of our Governor and Legislature, our Department continues its mission as a non-appropriated agency because our industries recognize they should pay for their enforcement themselves instead of relying on state dollars.

We are proud of our accomplishments and look forward to working with the industries we regulate and most importantly, the Oklahoma consumers. Although we have achieved a great deal, and despite the complications we continue to face as a result of the COVID-19 pandemic, we remain steadfast on our path of improving our efficiency and effectiveness.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Leshar".

## MISSION STATEMENT

---

We protect and educate consumer buyers, lessees and borrowers against unfair practices, and are fair and impartial in the regulation of consumer credit transactions in Oklahoma.

# ADMINISTRATOR'S REPORT

---

The Administrator's report includes information pursuant to Title 14A O.S. § 6-104 (5), and is expanded to include other responsibilities and accomplishments of the Department of Consumer Credit.

During the year, the Department has made significant improvements that will benefit Oklahoma consumers and licensees.

A partial listing of accomplishments this year includes:

- The Department has processed over 223 formal consumer complaints.
- The Department continues to upgrade our website to effectively serve and educate consumers and licensees.
- The Department developed and implemented a series of remote examination procedures.
- The Department continues to adhere to the practices outlined in the Energy Efficiency and Conservation Plan created in FY10 in response to Senate Bill 833.
- The Department has continued to develop and refine the examination procedures for the new Oklahoma Small Lenders (OSL) license.
- The Department relocated to a state-owned property, with the assistance of the Oklahoma State Banking Department.
- The Department reduced its physical footprint by moving to a 3,878 square foot building from an 8,869 square foot building during FY21.
- The Department successfully completed all exit exams for the Deferred Deposit Lender license, which was replaced by the OSL license.
- The Department continues to improve in developing model examinations in all areas of enforcement to operate more efficiently.

- The Department was actively involved in Multi-State Mortgage examination activity through CSBS and AARMR, and entered into regulatory enforcement actions as a result of this participation.
- The Department had two (2) Consumer Credit Supervising Examiners obtain their Certified Mortgage Examination Manager (CMEM) certification through CSBS. This brings the total number of examiners that have obtained their (Certified Mortgage Examiner) CME certification to six (6), the total number of examiners that have obtained their CSME (Certified Senior Mortgage Examiner) certification to seven (7) and the total number of examiners that have obtained their CMEM certification to two (2).
- Working with OMES, the Department has been able to accept electronic payments for late fees and penalties.
- The Department experienced an increase in score from the Oklahoma State Employee Engagement Survey.
- In accordance with the Governor's goal of reducing our physical footprint, the Department has fully implemented remote work for traveling examination staff.
- The Department's General Counsel spoke at one (1) event for continuing legal education this year: the South Oklahoma City Lawyer's Association.
- The Department also spoke at one (1) event for the Used Motor Vehicle Commission. Speaking events were inhibited this year due to the COVID-19 pandemic.

## EXAMINATION AND INVESTIGATION POLICIES AND PROCEDURES

### *Examinations*

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate that the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of enforcement proceeding.

### *Complaints*

Persons submitting complaints are required to submit a written explanation of their complaint along with any appropriate supporting documentation. Complaints are handled by the Director of Consumer Outreach, and when necessary, assigned to Consumer Credit Examiners for resolution. The Director of Consumer Outreach, or the Consumer Credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint.

If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

## THE USE OF CONSUMER CREDIT IN THE STATE OF OKLAHOMA

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers.

## CONSUMER CREDIT PROBLEMS OF CREDITORS AND DEBTORS

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding loans. Numerous unlicensed creditors operating *via* the Internet also claim affiliation with various Native American tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

## COMPLIANCE WITH THE TRUTH IN LENDING ACT AND REGULATION Z

Oklahoma continues to maintain its exemption from federal enforcement of the disclosure provisions of the Federal Truth in Lending Act. In order to maintain the enforcement exemption, the Oklahoma Legislature passed House Bill 3346 during the 2014 legislative session, which became effective July 1, 2014. House Bill 3346 amends the Uniform Consumer Credit Code to authorize the Administrator to enforce the disclosure provisions of the Federal Consumer Credit Protection Act. The amendments made by House Bill 3346 to the Uniform Consumer Credit Code require creditors to provide the consumer credit disclosures required by the Federal Consumer Credit Protection Act.

## ENFORCEMENT REPORT OF THE DEPARTMENT OF CONSUMER CREDIT – JULY 1, 2020 – JUNE 30, 2021

The Department reports the following during fiscal year 2021 (FY21):

<i>Enforcement FY21</i>	Filed	Action	Total Amount
<i>Cease and Desist Orders</i>	0	Cease and Desist	None
<i>Administrative Orders</i>	46	Civil Penalty	\$182,400.00
<i>License Apps. Denied</i>	0	None	None

### LEGISLATIVE RECOMMENDATIONS

The Department currently has no plans to introduce legislation in the upcoming legislative session.
