Dear Governor Fallin, President Pro Tempore Bingman, and Speaker Hickman,

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2014 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit. This report contains information regarding the activities of the Department, the Commission and the industries regulated by the Department.

The Department of Consumer Credit annually licenses or registers over 9,000 credit-related organizations including supervised lenders, mortgage brokers/loan originators, mortgage lenders, deferred deposit lenders, credit service organizations, consumer litigation funders, pawn brokers, rent to own dealers, health spas, precious metal dealers, acceptance companies and businesses that finance goods and services for Oklahoma consumers. During the year we have made significant improvements that will benefit Oklahoma consumers and licensees. A partial listing of accomplishments this year includes:

- Processed over 250 formal consumer complaints;
- Continually upgrading our website to better serve consumers and licensees;
- Continued development of model examination to be utilized in all areas of enforcement;
- Continued improvements made to our database and data entry programs compatible with the Nationwide Mortgage Licensing System;

**STATE OF OKLAHOMA
DEPARTMENT OF CONSUMER CREDIT**

- Distributed almost \$40,000 to consumer credit counseling services for deferred deposit loan borrowers;
- The Department continues to adhere to the practices outlined in the Energy Efficiency and Conservation Plan created in FY10 in response to Senate Bill 833;
- The Department continues to revise written licensing procedures streamlining the licensing process for businesses and professionals;
- The Department has developed procedures which systematize the examination process making it more efficient for examiners;
- The Department has received mortgage supervision accreditation from the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators.

Thanks to the leadership and foresight of our Governor and Legislature, we continue to take less state appropriations because our industries recognize they should pay for their enforcement themselves instead of relying upon state dollars.

The Department is proud of our accomplishments and we look forward to working with you, the industries we regulate and most importantly, the Oklahoma Consumers. We have achieved a great deal and will continue to work to improve our efficiency and effectiveness.

Sincerely,

Scott Leshner, Administrator
Oklahoma Department of Consumer Credit

ORGANIZATIONAL CHART

**ADMINISTRATOR'S COMMENTS AS REQUIRED BY 14A O.S. § 6-104(5) AND
EXPANDED TO INCLUDE OTHER RESPONSIBILITIES OF THE DEPARTMENT OF
CONSUMER CREDIT**

I. Use of consumer credit in the State of Oklahoma

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers.

II. Description of examination and investigation procedures

(a) Examinations

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of an enforcement proceeding.

(b) Complaints

Persons submitting complaints are required to submit a written explanation of their complaint along with any appropriate supporting documentation. Complaints are assigned by the Chief Consumer Credit Examiner to Consumer Credit Examiners for resolution. Consumer credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint. If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

III. Consumer credit problems of creditors and debtors

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding payday loans which happen to be one of the most stringent of all the states. For example, in Oklahoma you may not have more than two payday loans open at one time. All licensees must also report to a database that is

approved by the administrator. Finally, a consumer that has entered into five consecutive payday loans must wait 48 hours before entering into a new payday loan transaction. Numerous unlicensed creditors operating via the Internet also claim affiliation with various American Indian tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

IV. Compliance with the Truth In Lending Act and Regulation Z

Oklahoma is one of five (5) states that are exempt from federal enforcement of the disclosure provisions of the Federal Truth in Lending Act. In order to maintain the enforcement exemption, the Oklahoma Legislature passed House Bill 3346 during the 2014 legislative session, which became effective July 1, 2014. House Bill 3346 amends the Uniform Consumer Credit Code by requiring creditors to disclose to consumers the information required by the Federal Consumer Credit Protection Act. House Bill 3346 also amends the Uniform Consumer Credit Code to authorize the Administrator to enforce the disclosure provisions of the Federal Consumer Credit Protection Act. The amendments made by House Bill 3346 to the Uniform Consumer Credit Code eliminates the need to amend the Uniform Consumer Credit Code and the Truth in Lending Rules of the Department each time a revision is made by Congress and the Consumer Financial Protection Bureau to the Truth in Lending Act and Regulation Z disclosure provisions.

ENFORCEMENT REPORT OF THE DEPARTMENT OF CONSUMER CREDIT, JULY 1, 2013-JUNE 30, 2014

The Department filed twenty-six (26) Cease and Desist Orders during fiscal year 2014. The Department filed fifty-four (54) administrative orders imposing civil penalties totaling \$66,100.00 during fiscal year 2014. The Department filed four (4) administrative orders imposing license suspensions during fiscal year 2014.

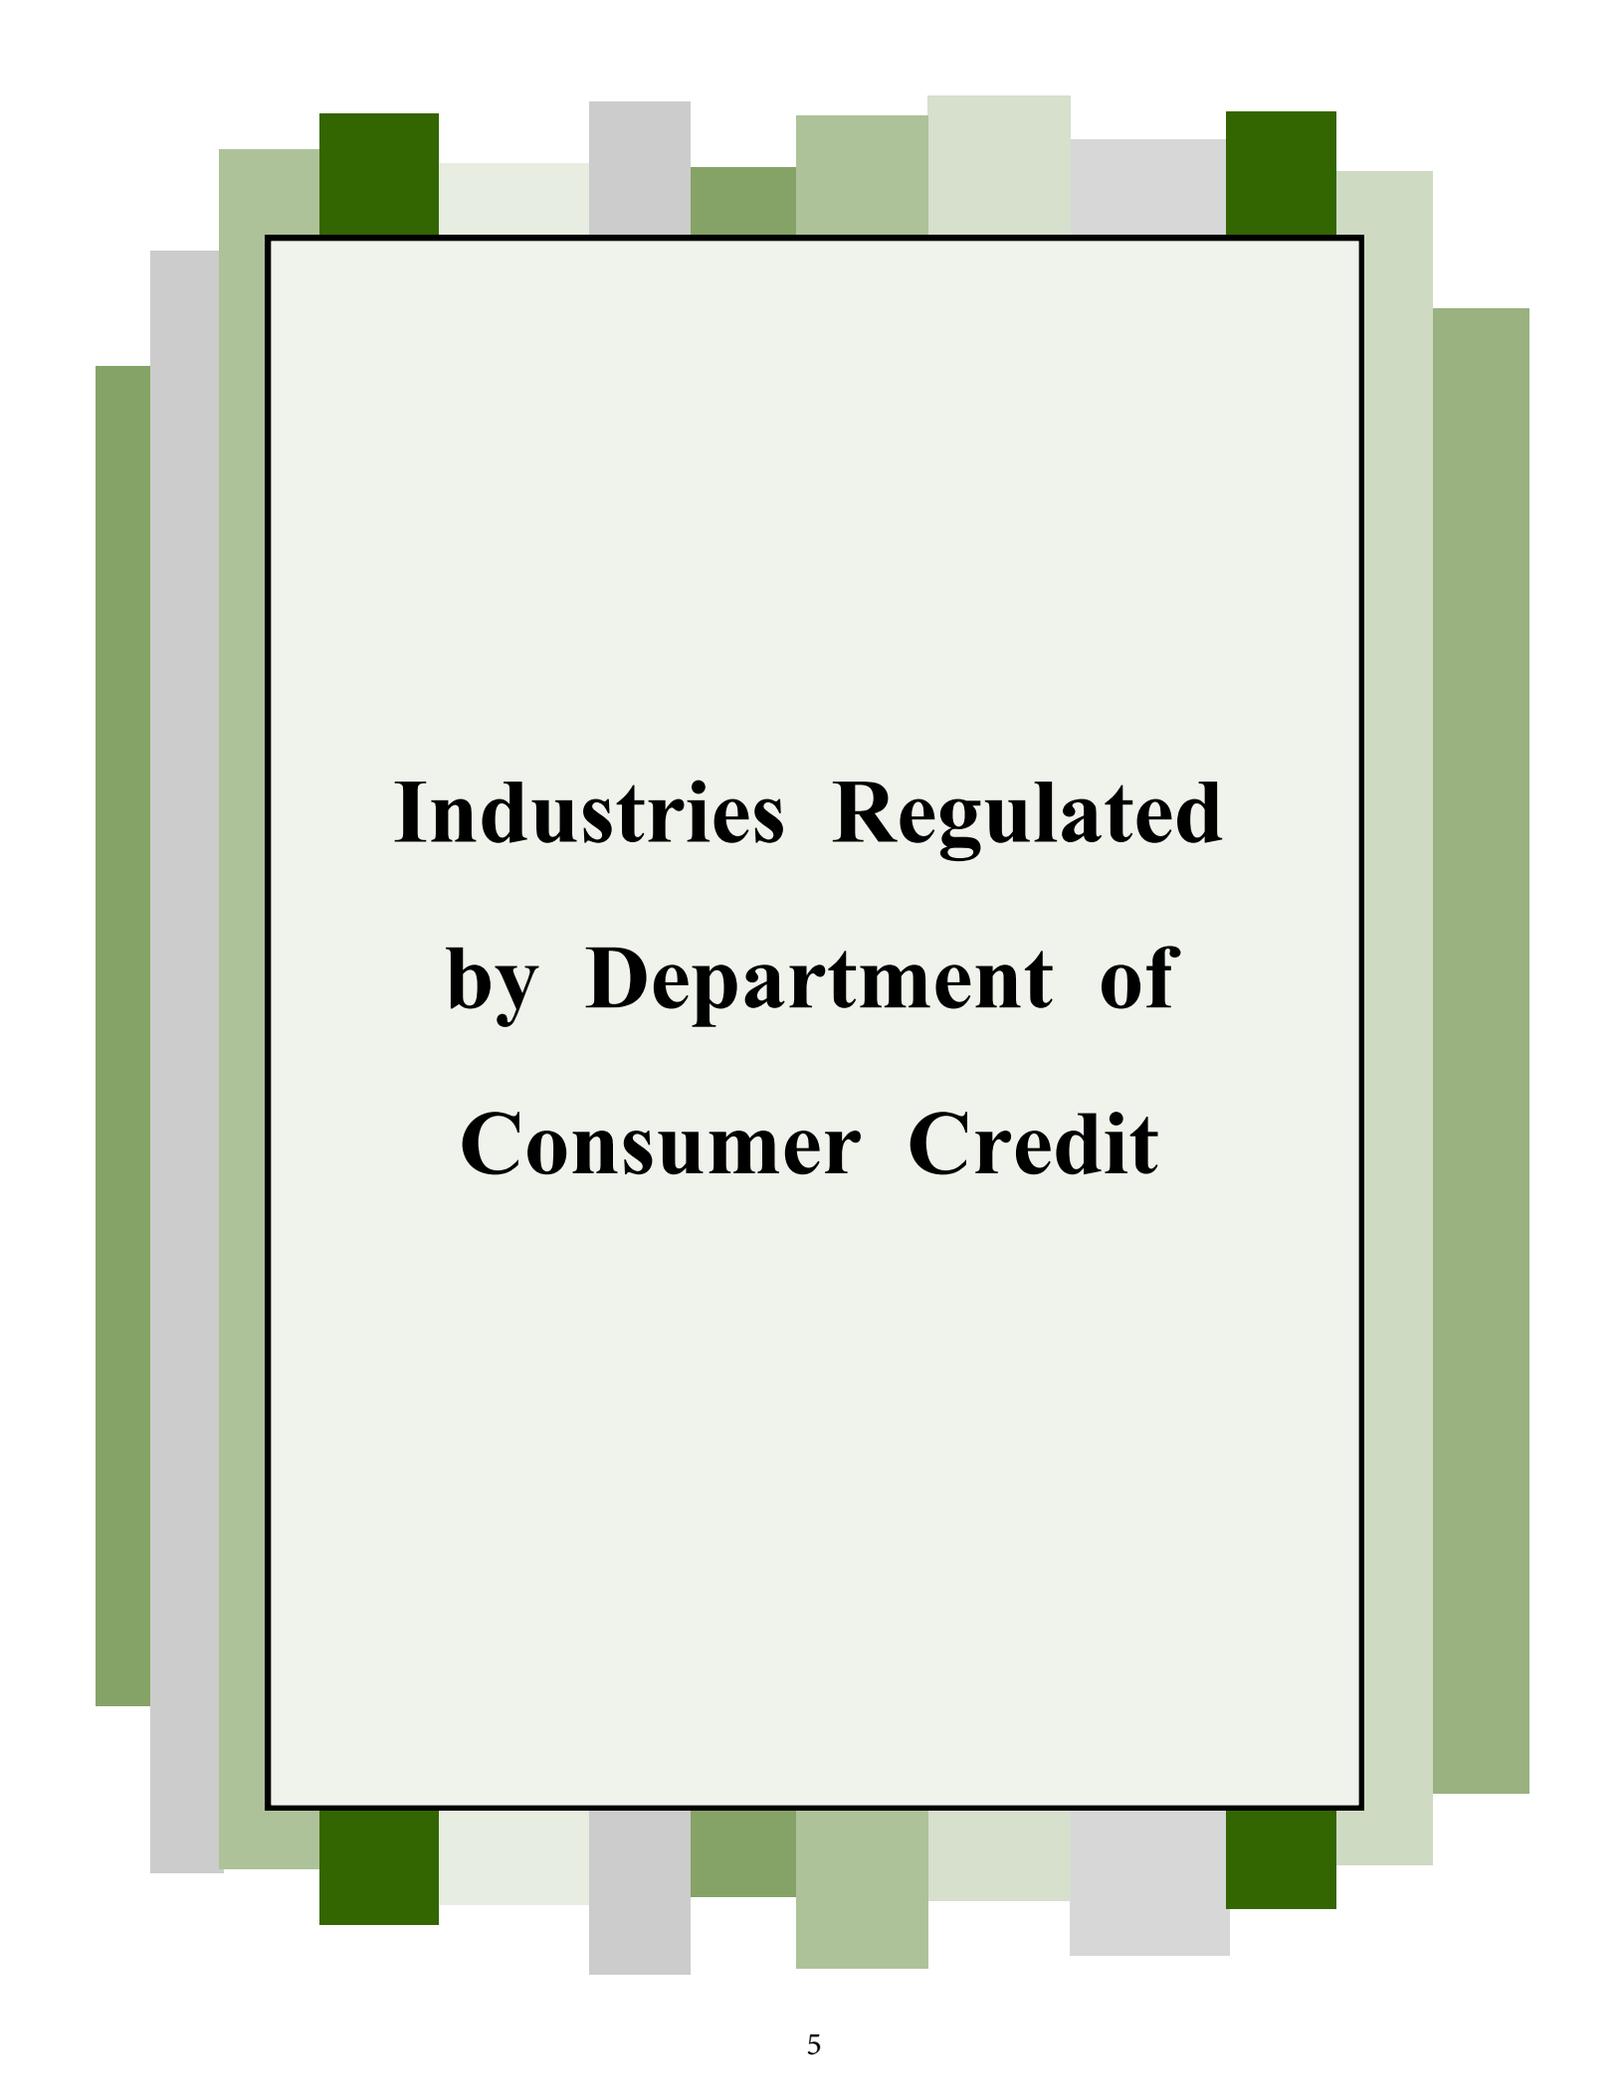

LEGISLATIVE RECOMMENDATIONS

The Department is proposing legislation for consideration during the 2015 session of the Oklahoma Legislature. The proposed legislation concerns the Uniform Consumer Credit Code (UCCC), the Oklahoma Secure and Fair Enforcement for Mortgage Licensing Act (Oklahoma SAFE Act) and license delinquency notices for credit services organizations, supervised lenders and pawnbrokers.

The proposed legislation regarding the UCCC makes the UCCC applicable to consumer credit transactions entered into between an Oklahoma resident and a creditor via the Internet. A creditor would also be prohibited from receiving a payment of a charge or fee that is in excess of an amount allowed under the UCCC. The authority of the Consumer Credit Advisory Committee (Advisory Committee) is expanded to authorize the Advisory Committee to provide advice on all matters pertaining to the Department. The venue of administrative appeals would also be in Oklahoma County District Court.

The proposed legislation regarding the Oklahoma SAFE Act expands the definition of a mortgage lender to include any entity that makes or services a residential mortgage loan. Inactive license status is repealed. Pre-licensing education for mortgage loan originators must include one (1) hour of Oklahoma law. The requirement for mortgage loan originator continuing education to be conducted in a classroom setting every two (2) years is repealed.

The proposed legislation also amends delinquency notice requirements. The proposed legislation repeals the requirement that a delinquency notice be mailed to a credit services organization, supervised lender or pawnbroker if a license is not renewed on or before December 1.

The proposed rule amendments re-organize rules stating that if an application is not reviewed for any failure on the part of an applicant shall be deemed a withdrawal of the application and not a denial. The proposed rule amendments remove a provision regarding the refund of certain fees if a license applicant fails to comply with the application process. A proposed rule amendment removes a provision that requires a licensee to return a license when an address change is requested or when a business location is closed. A proposed rule amendment (except for credit services organizations, pawnbrokers and supervised lenders), removes the requirement that a delinquency notice shall be mailed to a licensee if a license is not renewed.

The proposed mortgage rule amendments implement the mortgage licensing requirements for mortgage lenders established in House Bill 1828 by specifying that an application, bond, minimum net worth, criminal background checks of control persons and credit reports of

control persons are required. A licensed mortgage loan originator must also be designated to oversee any activity of a mortgage lender that satisfies the definition of a mortgage broker as defined by the Oklahoma SAFE Act.

The proposed rule amendments clarify that a mortgage loan originator designated to oversee mortgage loan origination activities for a mortgage broker or mortgage lender may not serve as the designated mortgage loan originator for any other mortgage broker, mortgage lender or branch office. The proposed rule amendments also update references regarding the proper venue for administrative appeals and the requirements for orders issued by the Administrator.

A proposed rule amendment establishes a process for a licensee to request an inactive license status in accordance with the Oklahoma SAFE Act. A proposed rule amendment removes a requirement that licensees return a license to the Administrator upon notification of an address change or upon notification that a business location is closing.

Proposed rule amendments also remove language regarding the failure of an applicant to provide information requested by the Administrator and language regarding the failure of an applicant to qualify for a license. The proposed rule amendments include new provisions stating that if applicants fail to provide information requested by the Administrator, a failure to provide information as requested by the Administrator shall be deemed a withdrawal of an application.

A proposed rule amendment specifies that mortgage loan originator license applicants must pass a qualified written test developed by the Nationwide Mortgage Licensing System and Registry (NMLS&R) in accordance with standards established by the Oklahoma SAFE Act. The proposed testing rule amendment will authorize the Administrator to adopt any qualified written test developed by NMLS&R in accordance with standards established by the Oklahoma SAFE Act.

The proposed rule amendments are subject to review by the Governor and the Department's Cabinet Secretary. The proposed rule amendments will be published in the February 3, 2014 edition of the Oklahoma Register. The comment period will occur from February 3, 2014 through March 5, 2014.
