Re: Amended Veritec Transaction Re-open Request form

Dear Licensee:

The Veritec Transaction Re-open Request form has been amended. The amended Transaction Request Form requires lenders to indicate the transaction that was closed in error, the reason the transaction was closed in error and the transaction that was intended to be closed. Furthermore, if the incorrect transaction was closed, the lender is required to close the correct transaction on the same date the Transaction Re-open Request form is submitted to Veritec. Please let us know if you have any questions regarding the amended form.

Thank you,
