Subject: Supplemental Information and Revised Pricing

Reference: Solicitation 5800000661, Statewide Contract SW782 for Imaging Software, Hardware, and Services

This letter provides additional information and revised pricing in response to the referenced Solicitation. The letter specifically addresses issues discussed during the joint negotiation session held between GET Imaging and the State of Oklahoma on July 13, 2011.

The below table replaces pricing published in GET Imaging's response to the referenced solicitation, specifically Attachment C, Price Proposal, Tab 0; Price Proposal Tab 1a, and Price Proposal Tab 1b (pages 1 through 42). GET Imaging offers the following revised pricing for EMC and Kofax goods and related services:

Goods/Services	Rate
EMC Software	Discounted to or below published GSA pricing
EMC Annual Software Maintenance Premium Support Option	Discounted to or below published GSA pricing
EMC Annual Software Maintenance Enhanced Support Option	Discounted to or below published GSA pricing
EMC Annual Software Maintenance Basic Support Option	Discounted to or below published GSA pricing
Kofax Software	Discounted to or below published GSA pricing
Kofax Annual Software Maintenance	Discounted to or below published GSA pricing
EMC & Kofax Professional Services (Implementation, Configuration, or Training) when performed and delivered directly by EMC or Kofax	Discounted to or below published GSA pricing

Should you require the information conveyed in this letter in any other format, GET Imaging will gladly accommodate your request.

Thank you your assistance and consideration. Should you have any questions, or require any additional information, please contact me at [gregens@getimaging.com](mailto:gregens@getimaging.com) or (405) 415-8400, x3114.

Sincerely,

Gregory M. Regens  
President
