I am pleased to share with you the FY 2006 Annual Report of the Office of Personnel Management, which may be accessed on the OPM web site via the following link:

As in last year's OPM Annual Report, there is a continuing emphasis on the state's workforce and workforce planning. OPM has been directed by the Oklahoma Legislature and Governor Brad Henry *"to establish a workforce planning function . . . to assist state agencies in analyzing the current workforce, determining future workforce needs, and implementing solutions so that agencies may accomplish their missions."* We are confident that the information in the FY 2006 report will be an invaluable tool for state agencies in their internal workforce analysis and forecasting.

Hard copies of the report will be sent to each agency director. Please contact me or Ross Tripp, OPM Workforce Planning Manager, at (405) 521-6376 or ross.tripp@opm.ok.gov if you have questions or comments.

"We serve the people of Oklahoma by delivering reliable and innovative human resource services to our partner agencies to achieve their missions."
