

**STATE OF OKLAHOMA
OFFICE OF PERSONNEL MANAGEMENT**

"Working for Oklahoma"

OPM 08-09

DATE: March 26, 2008

TO: All Appointing Authorities

FROM: Oscar B. Jackson, Jr., IPMA-CP, Administrator and
Cabinet Secretary of Human Resources and Administration

SUBJECT: Certified Personnel Professional Training

74 O.S. Section 840-1.6A (18) requires all personnel professionals in Oklahoma state government to be trained and certified by the Administrator of the Oklahoma Office of Personnel Management within six months of appointment. After having attained certification, personnel professionals must complete annual training requirements to maintain this status.

The Office of Personnel Management will offer the next training session for the Certified Personnel Professional program on April 29-May 2, 2008, in Room 560 of the Jim Thorpe Memorial Office Building, 2101 N. Lincoln Boulevard, Oklahoma City, Oklahoma. This training is required for all personnel professionals in the executive branch of state government, excluding institutions within The Oklahoma State System of Higher Education.

The four-day training course includes sessions on a variety of human resource topics including recruitment, selection, classification, compensation, training, grievances and workplace issues. Each participant evaluates his or her own state agency through the Agency Self-Evaluation guide to measure the agency's compliance with state and federal human resources requirements. Human Resource Management (Mathis & Jackson, West Publishing Corporation, 12th ed. 2008) is the principal text for the class.

The fee is \$240.00 for each participant. Interested persons should contact Grayson Bedwell of the OPM Human Resource Development Services Division at (405) 521-6334 for registration. If you have questions about the CPP training requirements or the course itself, please contact Hank Batty at (405) 521-6303.

"We serve the people of Oklahoma by delivering reliable and innovative human resource services to our partner agencies to achieve their missions."
