

## What is the SCC?

The State Charitable Campaign (SCC) Act is set forth in the Oklahoma Statutes. The act was written in an effort to provide state employees with a convenient system allowing them to voluntarily contribute through payroll deduction. The agencies included have been approved under the criteria outlined in the SCC Act. The counties included in the Tulsa area are Tulsa, Creek, Okmulgee, Rogers, and Wagoner and the campaign is administered by the Tulsa Area United Way. There are local nonprofits funded by the SCC in each of these counties, and the local United Way campaigns in these area communities benefit from the Tulsa SCC.

## Guideline Giving

Many State employees want to help those less fortunate than themselves, but aren't sure how much to give. Giving is a personal decision based on individual circumstances and ability to contribute. Any amount that you give is appreciated and will make a difference in someone's life.
