

WHAT IS THE STATE CHARITABLE CAMPAIGN?

The State Charitable Campaign (SCC) is an annual, unified fundraising effort that provides state employees with the opportunity to make donations to their favorite charitable organizations through the convenience of payroll deduction or one-time gifts. The SCC is governed by the Oversight Committee for State Employee Charitable Contributions, which is comprised of seven state employee appointees.

HOW DO I GIVE?

During the annual campaign, all state employees have the opportunity to make charitable contributions via a provided pledge card. All donations, large or small, are welcomed and greatly appreciated. We encourage you to consider the many needs in your community and make the most generous gift possible. Through payroll deductions, employees may divide the annual contribution into smaller, regular amounts which are deducted each pay period during the coming calendar year. One dollar per pay period is the minimum deduction for payroll deductions. While payroll deduction is the preferred method, contributions may also be made by check or cash.

WHO CAN I GIVE TO?

This charity guide lists all of the eligible charitable federations and their member charities to which you may designate. Through the SCC you may designate your gift to federations or member charities by indicating choices on the pledge card. Each federation and charity is listed separately, with an assigned four-digit charity code that must be used when making a selection to ensure that your contribution reaches the charity or charities you wish to support.

To support a federation and have your gift shared among all of its charities, choose the federation code as it appears preceding the federation name. To support an individual charity within a federation, select that charity's code as it appears preceding the charity name. Pledge cards returned with donations but without charity code numbers will be counted as undesignated donations.

As a state employee, you make important choices everyday that affect the citizens of our state. Each fall, through the State Charitable Campaign (SCC), you make a different set of choices that impact others.

By contributing to the SCC, you support a variety of health and human service programs that improve the quality of life for all Oklahomans and those served by international charities.

Together, we can continue to make Oklahoma an even better place to live and work.
