530:10-1-53. Evaluation

The Administrator shall evaluate the overall results and effects of delegation agreements at least annually for the first three years of an agreement and subsequently at least once every five years. Evaluations shall include but not be limited to an assessment of the results and effects (including costs) of the delegation authorization by various stakeholders. Anyone, including the Administrator, may provide comments, but the Administrator shall extend invitations to do so to the Appointing Authority of the delegation agency, the personnel professional responsible for the delegated function in the agency, and delegation coordinators with the Office of Management and Enterprise Services, and employees of the delegation agency. The Administrator shall analyze, compile, and summarize the responses and make the report of the results available for public inspection.

530:10-1-65. Effect of Merit Rules on model projects

The Administrator may waive applicability of Merit Rules adopted by the Administrator if necessary to implement a model project. Part 2 - DISCRIMINATION COMPLAINTS INVESTIGATIONS

530:10-3-20. Purpose

Section 840-2.1 (F)(1) of Title 74 of the *Oklahoma Statutes* requires persons who investigate complaints of discrimination after December 1, 1995, to be trained according to the requirements of the Administrator unless otherwise provided by state or federal law. The rules in this Part establish training requirements for persons who investigate complaints of employment discrimination in executive branch agencies. The rules in this Part are not intended to require Appointing Authorities to train an agency

employee as a discrimination complaint investigator; but rather, are intended to ensure that complaints of discrimination are investigated by persons who meet the training requirements of the Administrator, unless otherwise provided by state or federal law, regardless of whether the investigation is conducted by persons internal or external to the agency.

(5) the Administrator will certify that a person has completed the training requirements for investigating complaints of discrimination after the Administrator:

- (A) determines the person has completed the initial training requirements established in (a) (1) of this Section, and
- (B) receives recommendation from the senior EEO investigator under whose guidance one or more investigations have been conducted as required in (a) (2) of this Section that the person seeking certification has demonstrated competency in conducting investigations; or the Administrator waives the recommendation requirement.

(6) the Administrator shall send notice of certification to the person certified and to the certified person's Appointing Authority if the person is a state employee.

(b) All persons who are designated to investigate complaints of employment discrimination in executive branch agencies shall be subject to the following continuing education training requirements:

- (3) Discrimination complaints investigators who do not complete the annual training described in (b) (1) , or who fail to report such training by January 30th of the following year, will be placed on an "inactive" list and shall not conduct discrimination complaints investigations until the training requirement for the previous year has been met and reported.

530:10-3-24. Discrimination complaints investigator training verification

Before any person investigates a complaint of employment discrimination in the executive branch of state government, the Appointing Authority shall verify that the investigator has either met the training requirements of the Administrator or is not subject to the requirements.

530:10-3-26. Discrimination complaint investigation training program or course approval

Part 3 - AFFIRMATIVE ACTION [Revoked]

Part 5 - NONCOMPLIANCE, INVESTIGATIONS, HEARINGS, AND REMEDIES [Revoked]

Part 7 - AFFIRMATIVE ACTION AND CIVIL RIGHTS PERSONNEL

530:10-3-72. Appointment and duties of civil rights and affirmative action personnel

The Appointing Authority in each agency of each branch of state government is responsible for affirmative action efforts and progress. The Appointing Authorities of agencies authorized fewer than **200** full-time-equivalent employees may personally act as the affirmative action officer or may employ or assign one or more persons to serve as the agency's affirmative action officer [74:840-2.3]. 530:10-3-78. Training requirements for affirmative action personnel [REVOKED]

Subchapter 5 - Position Allocation and Employee Classification System

Part 1 - GENERAL PROVISIONS

530:10-5-1. Purpose and scope

- (a) The purposes of the rules in this Subchapter are to establish:
 - (1) an employee classification system for all classified employees; and
 - (2) standards and procedures for conducting audits of classified positions.
- (b) The rules in this Subchapter apply only to employees and positions in the classified service, unless otherwise specified.

530:10-5-2. Authority and responsibility of the Office of Management and Enterprise Services

(a) The Office of Management and Enterprise Services shall develop and maintain a classification system [74:840-1.6A] in which all positions within a job family and level are sufficiently similar in duties and responsibilities that:

- (1) the same descriptive title may be used to designate each position; and
 - (2) essentially the same selection requirements and procedures may be used to select employees; and
 - (3) under like working conditions, the same pay band may be applied.
- (b) The Office of Management and Enterprise Services shall be responsible for the adoption, revision and abolishment of job family descriptors; for the audit of positions to determine the proper job family to which a position is allocated [74:840-4.3]; and for the assignment of position identification codes.

530:10-5-3. Authority and responsibility of Appointing Authorities

(a) Appointing Authorities have control of positions within their agency and have the authority to organize their agencies, to create positions, to abolish positions and to prescribe or change the duties and responsibilities assigned to any position or employee at any time. Appointing Authorities shall determine the level within a job family at which duties and responsibilities are assigned [74:840-4.3]. Appointing Authorities have the authority to reclassify employees in accordance with other provisions of the Merit Rules.

(b) Appointing Authorities are responsible for ensuring that:

- (1) job family descriptors are reviewed at least annually and the Human Capital Management Division is notified of any recommended changes in job family descriptors;
- (2) managers and supervisors assign work to employees on a regular and consistent basis that conforms with the employee's classification;
- (3) employees are classified in accordance with the work they are assigned on a regular and consistent basis as an integral part of their normal job [74:840-4.3];
- (4) managers and supervisors cooperate in position allocation audits and classification grievance audits by supplying timely and accurate information about positions being audited;
- (5) all records relied on by the Appointing Authority in making changes to the job family level are maintained; and
- (6) each employee is given a copy of the:
 - (A) job family descriptor for the job family to which the position occupied by the employee is allocated if the employee requests a copy;
 - (B) list of accountabilities to be used in evaluating the employee's performance, as required in 530:10-17-31; and
 - (C) Position Description Questionnaire for the position if one exists and the employee requests a copy.

530:10-5-4. Rights and responsibilities of employees

(a) Employees shall be familiar with the job family descriptor, Position Description Questionnaire if one exists, and list of accountabilities for the position they occupy.

(b) Employees shall participate in the processes and procedures pertaining to the allocation of positions and classification of employees. This is a duty of all employees. Employees shall supply timely and accurate information about duties and responsibilities of other employees and positions when requested to do so.

(c) *An employee has the right and responsibility to file a classification grievance, as provided by law and rule, when duties performed on a regular and consistent basis do not conform to the employee's job family descriptor and level of assignment [74:840-4.3].*

(d) *Employees are entitled to the job family level they are currently assigned [74:840-4.3] and to perform work consistent with their classification. An employee is entitled to the compensation assigned to the job family level for which duties were performed on a regular and consistent basis. This provision does not entitle the employee to a higher job family level [74:840-4.3] and does not prohibit reclassification in accordance with other Merit Rules. Employees have no right to reclassification, to occupy a specific position, or to the continued assignment of specific duties and responsibilities.*

(e) *An employee is not required to perform all of the work operations described in a job family descriptor in order to be eligible for classification thereunder. An employee is not eligible or entitled to classification by reason of performing isolated or singular duties incidental to the job but which are described in another job family descriptor. Employees are entitled to the job family level they are currently assigned. [74:840-4.3]*

(f) *An employee normally performs some of the work of higher-rated jobs and some of the work of lower-rated jobs when required. The normal duties of an employee may include assistance to [other employees]. [74:840-4.3] An employee is required to perform the work operations and duties described or appraised as being covered by a job family descriptor pursuant to that degree or amount of guidance or instruction which is considered usual and normal in order to qualify for the classification [74:840-4.3].*

(g) *The fact that the list of accountabilities used in the appraisal of the employee's work performance in accordance with 530:10-17-31 does not include all of the tasks assigned to the employee, does not exempt the employee from performance of such tasks.*

530:10-5-6. Notice of creation of positions, changes in positions and abolishment of positions

(a) After a position is created, the Appointing Authority shall furnish the Human Capital Management Division with a completed Position Description Questionnaire form. OAC 530:10-5-55 describes this form.

(b) The supervisor and the manager of a position shall review the Position Description Questionnaire each time the position becomes vacant to ensure that the duties assigned to the position are in substantial agreement with the job family descriptor and that both continue to identify the work the Appointing Authority wants assigned to the position.

(c) An Appointing Authority may change the duties and responsibilities of positions at any time. When there is a significant change in a position or if there is reason to believe the position is not properly allocated, the Appointing Authority shall request an audit of the position in accordance with 530:10-5-50.

(d) An Appointing Authority shall promptly notify the Human Capital Management Division when a position is abolished.

530:10-5-7. Filling of vacant positions prohibited

(a) No newly created position shall be filled by initial or internal appointment or otherwise encumbered until the position has been initially allocated by the Human Capital Management Division.

(b) An Appointing Authority shall not fill a vacant position being audited until the audit has been completed and the final allocation decision has been made. This prohibition does not apply during the conduct of survey audits of positions pursuant to 530:10-5-57.

530:10-5-8. Job family descriptors

(a) **Purpose and use of job family descriptors.** Job family descriptors shall be used to distinguish one job family from another as clearly and definitively as possible [74:840-4.3]. Job family descriptors shall also be used as a basis for:

- (1) allocating positions to job families [74:840-4.3];
- (2) selecting employees to fill positions;
- (3) assigning jobs to pay bands;
- (4) ensuring that employees are properly classified [74:840-4.3]; and
- (5) assigning positions to levels by the Appointing Authority.

(b) **Format and content of job family descriptors.** The Human Capital Management Division shall determine the format to be used in preparing job family descriptors.

(1) A job family descriptor shall consist of:

- (A) a title and code, including a code for each level in the job family descriptor;
- (B) a basic purpose describing duties, and responsibilities of employees in the job family;
- (C) typical functions performed;
- (D) knowledge and skills necessary to perform work at each level; and
- (E) the minimum qualifications, such as those for education and experience, that are required for initial or internal appointment to a job included in the job family.

(2) A job family descriptor may also include identification information and other information, such as position allocation standards, which facilitates the allocation of positions to job families, the selection of qualified employees, and the assignment of appropriate pay bands.

(c) **Adoption, revision and abolishment of job family descriptors.** After the initial conversion of classes to job families on November, 1, 1999, the Administrator shall have a public hearing before adopting a new job family descriptor or revising a job family descriptor to the extent that the allocation of positions or the pay band for the job family is affected, so that interested persons will have an opportunity to express their views. However, the Administrator may make other revisions to job family descriptors and may abolish unused job families as the need to do so is identified.

(d) **Distribution of job family descriptors.**

(1) Before the effective date of the adoption or revision of a job family descriptor for which positions in an agency have been allocated, the Human Capital Management Division shall provide the Appointing Authority with a copy of the job family descriptor.

(2) The Human Capital Management Division shall provide all agencies with a summary of all job family descriptors adopted, revised, or abolished within 1 month after the action.

(3) Appointing Authorities shall give employees notice of new and revised job family descriptors and give copies of job family descriptors to employees in the job family and their supervisors upon request.

530:10-5-10. Classification of employees [REVOKED]

530:10-5-11. Detail to special duty [REVOKED]

530:10-5-13. Authority to underfill positions [REVOKED]

Part 3 - ALLOCATION OF POSITIONS

530:10-5-31. Authority for allocation of positions

The Office of Management and Enterprise Services has the authority to allocate a position to the appropriate job family. The Human Capital Management Division shall audit both vacant and occupied positions in accordance with Part 5 of this Subchapter, to determine if positions are properly allocated and shall reallocate positions if it is necessary.

530:10-5-33. Source of information for allocation of positions

The Office of Management and Enterprise Services shall allocate positions on the basis of relevant information supplied by the Appointing Authority. *An incumbent employee will be given an opportunity to respond; however, the Office of Management and Enterprise Services will rely on the appointing authority for an official listing of the duties and responsibilities of the position* [74:840-4.3(A)]. Except in processing classification reviews according to 530:10-5-51, the Human Capital Management Division shall not make a determination about what duties and responsibilities have been assigned to an employee in the past. The Human Capital Management Division shall not make a determination about what duties and responsibilities should be assigned to an employee in the future.

530:10-5-34. Determination of appropriate job family

(a) Job family descriptors shall be used in the determination of the allocation of positions. In determining the job family to which a position shall be allocated, a Position Description Questionnaire and a job family descriptor shall be interpreted and applied as a composite picture of positions the job family includes [74:840-4.3].

(b) Relevant information about the position shall be considered. This may include, but is not limited to, individual position descriptions, information submitted by the Appointing Authority and employee, job audit reports, organizational charts, and lists of accountabilities to be used in appraising performance in the position.

(c) Consideration shall be given to the specific tasks and duties, levels of authority and responsibility, supervision received and exercised, discretion and judgment required, management of work processes and programs, organizational relationships to other positions, and any other factors which assist in the proper allocation of the position.

(d) The Human Capital Management Division may consider the relationship of positions to gain a better understanding of the duties and responsibilities of a position being allocated.

(e) The fact that all of the tasks of a position do not appear in the job family descriptor to which the position has been allocated shall not be taken to mean that the position is necessarily excluded from the job family, nor shall any one example of a typical task, taken without relation to the other parts of the job family descriptor, be construed as determining that a position should be allocated to the job family.

(f) If a job family descriptor which clearly encompasses the duties and responsibilities of a position does not already exist, the Human Capital Management Division shall allocate the position to the most appropriate existing job family, revise an existing job family descriptor, or prepare a new job family descriptor to describe the position.

Part 4 - ASSIGNMENT OF JOB FAMILY LEVELS

530:10-5-41. Authority for assignment of positions

Appointing Authorities have the authority to assign a position to the appropriate job family level, consistent with the job family allocation made by the Human Capital Management Division. Appointing Authorities will be responsible for maintaining appropriate records to track and monitor the level assigned and any changes based on significant changes in duties and responsibilities.

530:10-5-44. Determination of appropriate job family level

(a) Appointing Authorities shall use job family descriptors and the job family allocation made by the Administrator in assigning positions to job family levels. In determining the job family level to which a position shall be assigned, Appointing Authorities shall interpret and apply the Position Description Questionnaire (OPM 39) , and the job family descriptor as a composite picture of positions the job family level includes [74:840 4.3]. Appointing Authorities may also use a Supplemental Position Description Questionnaire (OPM 39A) in assigning positions to job family levels.

(b) Relevant information about the position shall be considered. This may include, but is not limited to, individual position descriptions, information submitted by the Appointing Authority and employee, job audit reports, organizational charts, and lists of accountabilities to be used in appraising performance in the position.

(c) Consideration shall be given to the specific tasks and duties, levels of authority and responsibility, supervision received and exercised, discretion and judgment required, management of work processes and programs, organizational relationships to other positions, and any other factors which assist in the proper allocation of the position.

(d) Appointing Authorities may consider the relationship of positions to gain a better understanding of the duties and responsibilities of a position in assigning a position to a job family level.

Part 5 - AUDITS OF POSITIONS

530:10-5-50. Initiation of audits

(a) The Office of Management and Enterprise Services may initiate audits of individual positions or survey audits of positions as any need to do so is identified.

(b) Audits of positions shall be conducted by the Human Capital Management Division at the written request of an Appointing Authority [74:840-4.3]. The written request shall include a Position Description Questionnaire completed according to 530:10-5-55.

(c) Audits of positions shall be conducted by the Human Capital Management Division at the written request of the Executive Director of the Merit Protection Commission in connection with a complaint filed with the Commission.

(d) The Human Capital Management Division shall conduct audits on receipt of a Classification Dispute Review Request form completed according to 530:10-5-55.

530:10-5-51. Classification disputes

(a) *An employee has the right and responsibility to file a classification grievance, as provided by law and rule, when duties performed on a regular and consistent basis do not conform to the job family descriptor [74:840-4.3].* The Human Capital Management Division shall not accept classification grievances directly from employees. A formal classification grievance shall be filed with the employing

agency according to the rules for filing classification grievances promulgated by the Merit Protection Commission (OAC 455:10-19-1 et seq.) . An internal classification grievance must be concluded within the agency before an employee may file a Classification Dispute Review Request form with the Human Capital Management Division. If the resolution decision by the Appointing Authority is to advise the employee to complete an Human Capital Management Division Classification Dispute Review Request form (OPM-70) , as provided in OAC 455:10-19-35, the form will be submitted through appropriate supervisory channels to the agency office responsible for human resources functions.

(b) Upon receipt of a Classification Dispute Review Request form submitted through appropriate supervisory channels, the agency office responsible for human resources functions will review it along with any other appropriate records, including the internal grievance file, to determine the nature and scope of the grievance. If the grievance concerns only the job family level to which the position is assigned, a position audit will be conducted by a designated agency representative who has been assigned the responsibility to complete positions audits, to determine the proper job family level. If an Appointing Authority has been delegated position allocation authority in accordance with OAC 530:10-1-30, designated agency representatives will also be responsible for conducting classification grievance audits to determine both the appropriate job family and job family level. In conducting these audits, consideration shall be given to all relevant information concerning the position according to OAC 530:10-5-34.

(c) If the review of the Classification Dispute Review Request and other related information indicates that the grievance includes the job family to which the position is allocated, and the agency has not been delegated position allocation authority, the form will be forwarded within **20** days to the Human Capital Management Division requesting that a position audit be completed. The Human Capital Management Division will then be responsible for completing the audit and determining an appropriate job family for the position. Upon receipt of the allocation decision made by the Human Capital Management Division, a designated agency representative will be responsible for determining the proper job family level for the position.

(d) If an incumbent employee does not agree with the job family level assigned to a position by the Appointing Authority after completion of a grievance audit, the employee may request a review by the Human Capital Management Division. The employee shall submit the request to the agency office responsible for the agency's human resources management functions within **20** calendar days of the date of the notice of the final decision by the agency. Within **7** calendar days of receipt, the agency shall attach all documents considered by the agency in determining the job family level to the request for review and submit it to the Human Capital Management Division. Within **14** calendar days of receipt, the Human Capital Management Division will review the information submitted and make a final decision concerning the proper level of assignment. Such decision shall be based solely on a review of the written documentation submitted.

(e) An employee may request an Human Capital Management Division review of the job family to which a position has been allocated by an agency which has delegated position allocation authority. The request for review must be received in the agency office responsible for the agency's human resource management functions no later than **20** calendar days after the date of the final notice of the decision by the agency.

(f) *An employee is entitled to the compensation assigned to the job family level for which duties were performed on a regular and consistent basis [74:840-4.3].*

(g) If a classification grievance or a classification dispute review indicates an employee has not received the compensation assigned to the job family level for which duties were performed on a regular and consistent basis, the Appointing Authority shall compensate an employee for the difference between the employee's actual rate of pay and the rate of pay the employee would have received on promotion to the job family level that was consistent with the duties and responsibilities of the employee. Back pay

shall be limited to the date the employee filed the classification grievance pursuant to Section 840-6.2 of the Oklahoma Personnel Act.

530:10-5-52. Demotion resulting from position audit or reclassification

If an employee in the classified service is demoted as a result of a position audit or reclassification, the agency shall provide notice, to include all position description documentation, of such demotion to the Office of Management and Enterprise Services. The Office of Management and Enterprise Services shall review the findings of the agency prior to such demotion occurring, to ensure compliance with the law. The Office of Management and Enterprise Services shall complete the review and respond within ten (10) business days of receipt of notice. The provisions of this subsection shall not apply to demotions that are a result of a position audit or reclassification performed by the Office of Management and Enterprise Services. [74:840-6.5(B)]

530:10-5-53. Effect when an occupied position is vacated during an audit

If a position being audited is vacated, the person who filled the position will no longer have any involvement in the audit or the allocation of the position. The Human Capital Management Division will complete the audit and allocate the position on the same basis as any other vacant position.

530:10-5-54. Collection and exchange of information about positions

(a) In addition to the forms described in 530:10-5-55, the Human Capital Management Division may request other information from the Appointing Authority and from the employee if the position is occupied. Additionally, the Human Capital Management Division may collect information through on-site job audits, meetings or other methods. Only the Human Capital Management Division shall have authority to determine when an on-site audit is appropriate.

(b) A list of accountabilities to be used in the appraisal of an employee's work performance in the position in accordance with 530:10-17-31, does not by itself contain sufficient information to make a determination of appropriate allocation for the position.

(c) Upon completion of an audit and the allocation of a position in accordance with 530:10-5-56, the Human Capital Management Division shall send one copy of the allocated Position Description Questionnaire (or the Classification Dispute Review Request Form) to the Appointing Authority and one copy to the employee if the position is occupied. Other materials submitted to, or collected by, the Human Capital Management Division which were considered in the allocation of the position shall become the property of the Office of Management and Enterprise Services and shall not be returned. All such documents are open to the public.

(d) The Human Capital Management Division shall determine those records which are relevant to the proper allocation of a specific position and may refuse or return other records, such as, training manuals, operations manuals, evaluations of individual employee performance, work samples, magnetic tapes and disks, photographs, clippings, etc.

(e) Throughout the process that leads to the allocation of a position, the Appointing Authority shall give the employee who occupies the position being audited copies of any completed Position Description Questionnaire (if the audit was initiated by the Appointing Authority, the Human Capital Management Division, or the Executive Director of the Commission) and any additional written material about the position or the audit before the agency submits the material to the Human Capital Management Division.

(f) Any employee who occupies the position being audited shall provide written comments through appropriate supervisory channels in the agency. The employee shall send a copy of any Classification Dispute Review Request form (if the audit was initiated by a classification grievance) and any additional written material about the position or the audit through appropriate supervisory channels in the agency to the Human Capital Management Division. The Appointing Authority shall not alter the statements made by the employee and shall forward materials submitted by the employee to the Human Capital Management Division.

(g) Appointing Authorities shall ensure that employees occupying positions being audited are informed about appropriate supervisory channels in the agency, including when and where to submit information concerning the audit.

530:10-5-55. Forms used to describe positions

(a) **Position Description Questionnaire.** The basic document for the collection of information about positions is the Position Description Questionnaire (OPM 39) , a form prescribed by the Human Capital Management Division. This form shall be completed by the Appointing Authority or a person designated by the Appointing Authority who is familiar with the duties and responsibilities the Appointing Authority has assigned to the position to be audited. The completed form shall be submitted to the Human Capital Management Division according to this Section. The purpose of the Position Description Questionnaire is to help the person completing the form supply the information about a position that is needed to properly allocate the position.

(1) The form contains instructions for its completion and for it to be accompanied by an organization chart showing the relationship of the position to other positions.

(2) The form contains spaces for the Appointing Authority or the Appointing Authority's designee to:

(A) identify himself or herself, the position described, any employee who occupies the position, and the agency where the position is located;

(B) indicate the reasons for completion of the form;

(C) describe the position, including but not limited to duties, supervision exercised and received, decision-making, work guidelines, equipment operated, personal contacts, fiscal impact of work, travel and other special requirements; and

(D) sign and date the form.

(3) The form contains spaces for any employee occupying the position to indicate having read the completed form.

(4) The form contains spaces for the Human Capital Management Division to record the:

(A) allocation of the position;

(B) staff member making the allocation; and

(C) date of the allocation.

(b) **Classification Dispute Review Request form.** A completed Classification Dispute Review Request form (OPM 70) shall be used as the basis for the allocation and assignment of a position instead of a Position Description Questionnaire if the audit is initiated as a result of a classification dispute according to 530:10-5-51. This form shall be completed by the employee who occupies the position and is the only form authorized for use in completing an audit or review of a position as a result of a classification grievance. The completed form shall be submitted to the Human Capital Management Division according to this Section. The purposes of the Classification Dispute Review Request form are to help the employee completing the form supply the information about his or her duties and responsibilities, to help the Appointing Authority in comparing what the employee does or has done with what the Appointing Authority wants done, and to help persons who are allocating the position or reviewing the classification of the employee to make the correct decision.

- (1) The form contains instructions for completing the form which require it to be accompanied by an organization chart showing the relationship of the position to other positions.
- (2) The form contains spaces for the incumbent employee to:
 - (A) identify himself or herself, the position occupied, and the agency where the position is located;
 - (B) indicate the reasons for completion of the form;
 - (C) describe his or her position, including but not limited to duties, supervision exercised and received, decision-making, work guidelines, equipment operated, personal contacts, fiscal impact of work, travel and other special requirements; and
 - (D) sign and date the form.
- (3) The form contains spaces for the Appointing Authority or a person designated by the Appointing Authority to respond to the employee's statements.
- (4) The form contains spaces for the Human Capital Management Division to record the:
 - (A) allocation of the position or the classification of the duties and responsibilities;
 - (B) staff member making the decision; and
 - (C) date of the decision.
- (c) **Supplemental Position Description Questionnaire.** An additional document for the collection of information about positions is the Supplemental Position Description Questionnaire (OPM 39A) . This form is designed primarily for the collection of information concerning significant changes in the duties and responsibilities assigned to a position since it was last audited and may be used by agencies in conducting reviews related to the job family level to which a position is assigned to determine whether assignment to another level is appropriate. This form will be completed by the Appointing Authority or a person designated by the Appointing Authority who is familiar with the duties and responsibilities the Appointing Authority has assigned or wishes to be assigned to the position. Agencies may also use other forms or methods for collecting the information needed, if desired.

530:10-5-56. Conduct of position audits

- (a) The conduct of an audit of a position begins when a properly completed Position Description Questionnaire (OPM 39) or a Classification Dispute Review Request form (OPM 70) is received in the Human Capital Management Division. The Human Capital Management Division reserves the right to refuse to accept incomplete or improperly completed forms.
- (b) The Human Capital Management Division shall send a written notice of the allocation of the position and its effective date to the Appointing Authority and the employee if the position is occupied. If the Human Capital Management Division finds that an allocation shall not be made within **30** calendar days after the receipt of a properly completed form according to (a) of this Section, both the Appointing Authority and the employee shall be sent written notice of the expected date of allocation. If the audit is conducted at the request of the Executive Director of the Merit Protection Commission, a notice shall be sent to the Executive Director.
- (c) After an allocation has been made by the Human Capital Management Division, the Appointing Authority shall assign an appropriate level to the position based on the duties and responsibilities assigned. If the position is occupied, the Appointing Authority shall send a written notice of the level assignment and its effective date to the employee within **20** calendar days of receipt of the Human Capital Management Division allocation.
- (d) Position audits by an agency, either to determine the proper job family level or to determine an appropriate allocation under a position allocation delegation agreement, shall begin upon receipt of a properly completed Position Description Questionnaire (OPM 39) , Classification Dispute Review Request (OPM 70) , Supplemental Position Description Questionnaire (OPM 39A) , or other information prescribed by the agency. These audits shall be completed within **30** calendar days after the receipt of

required information, or the requesting official and the incumbent employee shall be provided written notice of the expected date of completion.

530:10-5-57. Conduct of classification survey audits

(a) The Human Capital Management Division may conduct audits of positions within job families to resolve internal inequities in the allocation of positions and to determine the need to adopt, revise or abolish job family descriptors. While survey audits are being conducted, the timing and methods for collection of information and issuance of notices provided for individual audits shall not apply. The Human Capital Management Division shall notify Appointing Authorities and employees of the procedures to be followed during survey audits as survey audits are conducted.

(b) The allocation of positions may be delayed by the Human Capital Management Division until after the completion of the survey audit and the effective date of adoption, revision or abolishment of job family descriptors as appropriate. At such time, the provisions of 530:10-5-56 shall become applicable.

530:10-5-58. Reinitiation of audit after the allocation of a position becomes final

Once the allocation of a position to a job family becomes final in accordance with the Merit Rules in this Subchapter, the Appointing Authority shall not reinitiate an audit unless the duties and responsibilities of the position are significantly changed, a new job family descriptor is adopted, an existing job family descriptor is revised, or a classification survey is conducted that results in a better understanding of the duties and responsibilities of the position.

Part 7 - IMPARTIAL REVIEW OF THE FINAL ALLOCATION OF A POSITION [Revoked]

Part 9 - STATUS OF EMPLOYEES WHEN POSITIONS ARE REALLOCATED

530:10-5-90. Status of incumbent when job family is adopted or revised

(a) Direct reclassification does not require individual position audit or promotional posting. In all cases where licensure, certification, or examination is required by law, the requirement shall be met by the employee within any time limits prescribed by law. Otherwise, the employee shall not be required to possess the minimum qualifications or be examined for the successor job family level.

(b) An Appointing Authority shall directly reclassify a probationary or permanent employee in a position which has been reallocated to the job family level to which the position was reallocated, if the:

- (1) Human Capital Management Division determines that the duties and responsibilities corresponding with an employee's job family level are identified as part of a new or revised job family descriptor; and
- (2) employee had status in the former job family level on a regular basis, that is, not on detail to special duty; however, direct reclassification shall not cancel or otherwise affect a probationary period with the agency or a trial period after promotion.

(c) Direct reclassification shall take place within **30** calendar days after the effective date of the adoption of the new or revised job family descriptor.

(d) If the employee is ineligible for direct reclassification and the Appointing Authority does not or cannot directly reclassify, promote, demote, or transfer the employee, or detail the employee to special duty, the applicable provisions in the Merit Rules for reductions-in-force shall apply.

530:10-5-91. Other position reallocations

(a) If a position is reallocated under conditions other than those outlined in 530:10 5 90, and the classification of an incumbent employee does not match the new allocation of the position, the Appointing Authority shall take action within 60 calendar days after the effective date of the allocation to ensure that the employee is properly classified. The Appointing Authority may:

- (1) transfer a permanent employee to another position in the agency allocated to the job family matching the classification of the employee in accordance with the Merit Rules governing transfers; or
- (2) change the duties of the position to the extent necessary to reflect the classification of the employee and initiate another audit of the position; or
- (3) reclassify or promote a permanent employee to the job family to which the position occupied by the employee was reallocated.

(b) If the employee is ineligible or is not selected to continue in the reallocated position, and if the Appointing Authority does not or cannot promote, demote or transfer the employee, detail the employee to special duty or change the duties of the position to match the classification of the employee, the applicable provisions in Merit Rules for reductions-in-force shall apply.

Subchapter 7 - Salary and Payroll

Part 1 - SALARY AND RATE OF PAY

530:10-7-1. Purpose and general provisions

(a) The purpose of the rules in this Part is to *establish pay regulations, regulations for performance pay increases, rates for pay differentials, on-call pay, and other types of pay incentives and salary adjustments* [74:840-1.6A].

(b) Pay raises are prohibited unless specifically authorized by legislation or the Merit Rules. A cost-of-living raise or any other type of raise that would be given to state employees on an across-the-board basis is prohibited unless specifically authorized by the Legislature [74:840-2.17].

(c) The rules in this subchapter provide for market adjustments, increases upon lateral transfer, skill-based adjustments, equity-based adjustments, career progression increases, salary adjustments upon completion of the initial probationary period or trial period, and performance-based adjustments. Appointing Authorities may use these pay mechanisms only if funds are available in the agency's budget for the current and subsequent fiscal year without the need for additional funding to increase the personal services budget of the agency. Upon certification from the Director of State Finance that an Appointing Authority has exceeded the agency's budget for the current or subsequent fiscal year due to the use of the pay movement mechanisms listed in this subsection, the Administrator may withdraw authorization for the agency to use the following pay movement mechanisms during the next appropriations cycle: market adjustments, increases upon lateral transfer, equity-based adjustments, performance-based adjustments, and career progression increases [74:840-2.17].

(d) The rules in this subchapter do not apply to employees and positions in the unclassified service unless stated otherwise.

530:10-7-1.1. Salary administration plan

An Appointing Authority shall adopt a salary administration plan for the agency's classified positions and submit the plan for the approval of the Administrator. The salary administration plan shall establish

a hiring rate or range for each job family level within the agency's classification plan. In the salary administration plan, the Appointing Authority may establish conditions under which the Appointing Authority may establish a hiring rate above the midpoint of the pay band, skill-based pay programs, and other pay movement mechanisms authorized by 74:840-2.17 except performance-based adjustments. Proposed amendments to the salary administration plan may be submitted to the Administrator for approval at any time.

530:10-7-1.2. Funding and reporting requirements [REVOKED]

530:10-7-1.3. Calculation of rates of pay

(a) The basis for expressing base rates of pay shall be the annualized salary. Annualized salary shall be computed by multiplying the monthly rate of pay by **12** months or by multiplying the hourly rate of pay by **2,080** hours.

(b) Before calculating any changes in monthly or hourly rates of pay, the base rate of pay shall be converted to an annualized salary.

(c) In making multiple calculations to arrive at a final figure, fivedecimal places shall be retained throughout all intermediate calculations: only the final figure shall be rounded.

(d) In mathematical calculations of rates of pay, calculations to convert remainders to cents shall be carried five decimal places and rounded to two decimal places (cents). Any number greater than or equal to **0.005** shall be rounded to the next higher cent.

(1) Example 1: $\$22,718.00 \div 12 = 1,893.16666$ or $\$1,893.17$

(2) Example 2: $\$25,432.00 \div 12 = 2119.33333$ or $\$2,119.33$

(e) The formula for converting an annualized salary to a monthly rate of pay shall be: Monthly Rate of Pay = Annualized Salary \div 12. Example: Monthly Rate of Pay = $\$22,718.00 \div 12 = 1,893.16666$ or $\$1,893.17$

(f) The formula for converting an annualized salary to an hourly rate of pay shall be: Hourly Rate of Pay = Annualized Salary \div 2080. Example: Hourly Rate of Pay = $\$23,241.00 \div 2080 = 11.17355$ or $\$11.17$

530:10-7-2. Salary schedule

(a) The rate of pay of employees shall be maintained within the pay band for the job family level and kept within the established minimum and maximum rates of pay, except as provided by law or Merit Rule.

(b) The table in Appendix A of this Chapter lists the minimum, midpoint, and maximum annual rates of pay for each established pay band, which shall be used by Appointing Authorities in establishing hiring rates and making other decisions concerning rates of pay and individual pay adjustments.

Appendix A - Pay Band Schedule

530:10-7-3. Entrance salary

- (a) Appointing Authorities may establish the hiring rate for a classified job at any point between the minimum and maximum of the pay band for the job family level without prior approval of the Administrator. Upon approval of the salary administration plan by the Administrator. Hiring rates shall not be established below the minimum or above the maximum rate of pay established for a pay band.
- (b) Appointing Authorities shall establish hiring rates for jobs included in a pay band based on the work performed, the duties and responsibilities assigned, and other relevant factors. This may include

consideration of recruitment and retention issues, internal pay equity, market rates, previous hiring rates, and the training and qualifications of the employee being appointed.

530:10-7-4. Rate of pay upon reinstatement to the classified service

(a) When an Appointing Authority reinstates a person to the classified service in accordance with 530:10-9-102, the Appointing Authority may set the person's salary at any point within the pay band for the job to which the person is reinstated which is consistent with the hiring range established for the job, salaries paid to other individuals performing similar work, or other relevant factors, except as provided in Subsection (b).

(b) When an Appointing Authority reinstates a person to the classified service in accordance with 530:10-9-102 to a position in the same job family level as the employee's previous position after less than a **30**-day break in service, the Appointing Authority shall set the employee's salary at any rate within the pay band that does not exceed the employee's previous salary.

530:10-7-5. Salary upon return from military service

Any employee who returns from military service shall be paid at a rate as provided in Sections 25.4, 25.5 and 25.7 of Title 51 of the **Oklahoma Statutes** and the Uniformed Services Employment and Reemployment Rights Act (38 U.S.C., 4301 et seq.).

530:10-7-6. Sign-on pay incentive

(a) Appointing Authorities may implement a pay incentive for the following individuals who are appointed to positions in job families for which there are critical recruitment and retention problems as identified by the Appointing Authority [74:840-1.6A(11)]:

- (1) individuals not currently employed in state government;
- (2) Carl Albert Executive Fellows and other professional trainees and students employed pursuant to paragraphs 10 and 11(a) and (b) of Section 840-5.5(A) of Title 74 of the Oklahoma Statutes; and
- (3) individuals employed pursuant to the Cooperative Engineering Trainee Program.

(b) Appointing Authorities who choose to implement the pay incentive shall file a plan with the Office of Management and Enterprise Services which contains information related to the implementation of the pay incentive within the agency. The plan shall provide documentation of the critical recruitment and retention problems and shall include a project description, specific prerequisites that each employee shall meet in order to receive the pay incentive, and information concerning the funding of the incentive from the agency's existing budget. The plan shall be signed by the Appointing Authority, and this signature requirement may not be delegated. No payment shall be made under this Section until the plan has been reviewed and accepted by the Administrator.

(c) The pay incentive shall not exceed \$5,000.00 and is payable to eligible individuals as a lump sum payment or in two equal payments during the first six months of state employment. Former state employees may be eligible for the pay incentive following a break-in-service of at least 180 days.

(d) To receive the pay incentive, an eligible individual shall be required to sign an agreement form acknowledging that the individual is obligated to repay the entire incentive, including tax withholdings on the incentive, if the individual leaves state employment or accepts employment with another state agency within **1** year after he or she receives the pay incentive. Appointing Authorities may use the agreement form developed by the Administrator or any other agreement form which is consistent with the provisions of this Section.

(e) An individual may receive only one sign-on pay incentive during his or her state employment.

530:10-7-7. Pay differential

(a) The Administrator may authorize a pay differential [74:840 1.6A(11)] for a position within a job family because of special duty requirements related to the position. This may include shift pay, on-call pay, skill-based pay adjustments, and other types of differentials based on special work requirements, as approved by the Administrator. These payments shall be over and above the employee's base pay and shall be paid only as long as the employee occupies the particular position under the circumstances which have necessitated the differential. The request for the differential shall be submitted in writing by the requesting agency and shall adequately identify the need.

(b) An Appointing Authority shall determine whether pay differentials will be paid while employees are in paid leave status or provided only for hours actually worked. Appointing Authorities shall apply such practices uniformly. Pay differentials shall not be provided for hours that an employee is not in pay status. Pay differentials are not limited by the maximum of the pay band.

530:10-7-8. Rate of pay upon recall to job family level from which removed by reduction-in-force

The base rate of pay of an employee who has been recalled to the job family level from which removed by a reduction-in-force in accordance with OAC 530:10-13, Part 5, shall be fixed at the rate of pay received immediately before the reduction-in-force. The employee's rate of pay shall be adjusted according to any across-the-board increases for agency employees in that job family level made in the interim. If the pay band for the job family level has been changed in the interim, the employee's rate of pay shall be adjusted in accordance with 530:10-7-13.

530:10-7-9. Rate of pay for positions that become classified

Whenever a position in an agency is brought under the classified service, the rate of base pay of the continuing incumbent shall be placed in the pay band for the job family and level to which the position is allocated, without adjustment, if such base rate is equal to or greater than the minimum rate of pay established for that job. If it is not, the rate of pay shall be increased to the minimum rate established by the agency for that job. Unless otherwise provided by statute, pay adjustments and required classification actions for incumbent employees shall be retroactive to the effective date of the placement of the employee in the classified service. No employee's base rate of pay shall be reduced as a direct result of becoming classified.

530:10-7-10. Rate of pay higher than maximum

Where the rate of pay of an employee is higher than the maximum rate of pay for the pay band to which the job is assigned, the rate will remain the same as long as the employee retains the present classification, but no further increases will be approved unless provided by statute.

530:10-7-11. Continuous Service Incentive Plan

(a) Appointing Authorities may implement a pay incentive plan [74:840-1.6A(11)] intended to promote continuous service within the first two years of state employment. The plan shall be limited to job families for which there are critical recruitment and retention problems as identified by the Appointing Authority.

(b) The pay incentive shall consist of scheduled periodic payments over the employee's first two years of continuous service in the targeted job families, not to exceed a total of \$2,500 in any 12-month period. Payments may not be made prospectively or prorated. No payment shall be made under the plan until the employee has completed at least six months of continuous service in the targeted job family.

(c) At the discretion of the Appointing Authority, the following persons filling positions in the targeted job families may be included in the plan:

(1) Persons not currently employed in state government;

(2) Current state employees during their first two years of continuous state employment in the targeted job family; and

(3) Former state employees following a break in service of at least 30 days.

(d) Appointing Authorities who choose to implement the pay incentive shall submit a written plan to the Administrator of the Office of Personnel Management and the Director of the Office of State Finance prior to implementation. The plan shall identify the job families to which the pay incentive will be applicable and shall document the critical recruitment and retention problems and the agency's rationale for the plan. The plan may provide for different pay incentives for different job families at the discretion of the Appointing Authority. The plan shall also identify the criteria for eligibility and shall include information concerning the funding of the pay incentive from the agency's existing budget. The plan shall be signed by the Appointing Authority, and this signature requirement may not be delegated. No payment shall be made under this Section until the plan has been reviewed and accepted by the Administrator.

530:10-7-12. Payment of overtime

(a) An Appointing Authority shall neither require nor allow FLSA Non-Exempt employees to work in excess of 40 hours a week without establishing and implementing a comprehensive policy for compensation. Such policy shall be in compliance with the Fair Labor Standards Act (29 U.S.C. 201 et seq.) . The policy shall be made available by the Appointing Authority to interested persons upon request and the Appointing Authority shall so notify employees. Copies of such policy shall be forwarded to the Human Capital Management Division. This section is not a comprehensive listing of the provisions of the Fair Labor Standards Act (29 U.S.C, 201 et seq.) and regulations promulgated thereunder, and is not intended to conflict with either the Act or the regulations.

(b) FLSA Non-Exempt (as defined by the Fair Labor Standards Act) employees shall be paid 1 1/2 times their regular hourly rate for each overtime hour worked.

(c) The Executive Branch of the State of Oklahoma is one employer for FLSA purposes; therefore, concurrent employment in more than one agency is considered joint employment. Employees working in one or more nonexempt positions in Executive Branch agencies and who work more than 40 total hours per week shall be eligible for overtime. Employees shall be required to notify their current agency upon accepting employment with another Executive Branch agency. It will be the responsibility of all agencies involved to insure that all FLSA requirements associated with multiple agency appointments are met.

(d) Compensatory time in lieu of overtime payment at the rate of time and one-half may be given to FLSA Non-Exempt employees (as defined by the Fair Labor Standards Act) subject to the following conditions:

(1) Prior to the performance of overtime work, the Appointing Authority and the employee shall agree in writing that the employee may be required to take compensatory time in lieu of overtime pay. A written agreement is not required with respect to employees hired prior to April 15, 1986, if the

employer had a regular practice in effect on April 15, 1986, of granting compensatory time off in lieu of overtime pay (29 U.S.C. 553.23) .

(2) An employee shall be permitted to use accrued compensatory time within **180** days following the pay period in which it was accrued. The balance of any unused compensatory time earned but not taken during this time period shall be paid to the employee. An Appointing Authority may grant an extension of this time period for taking compensatory time off up to an additional **180** days. Agencies shall not be allowed to extend the initial 180-day time period for employees working in an institutional setting as defined by 74:840-2.15(D) [74:840-2.15(C)].

(3) The maximum compensatory time which may be accrued by a FLSA Non- Exempt employee shall be 480 hours for those employees engaged in a public safety or firefighting activity and 240 hours for all other FLSA Non-Exempt employees.

(4) An employee who has accrued the maximum number of compensatory hours shall be paid overtime compensation for any additional overtime hours worked at the rate of 1 1/2 times their regular hourly rate of pay for each overtime hour worked.

(5) Payment for accrued compensatory time upon termination of employment with the agency shall be calculated at the average regular rate of pay for the final 3 years of employment, or the final regular rate received by the employee, whichever is the higher.

(6) Overtime and compensatory time is accrued by work period, as defined by the FLSA.

(7) Compensatory time shall not be transferred from one agency to another agency.

(8) An Appointing Authority shall approve an employee's request to take compensatory time off on a particular day, unless the employee's taking compensatory time off on that day disrupts agency operations or endangers public health, safety, or property.

(9) Accrued compensatory time shall be exhausted before the granting of any annual leave for a non-exempt employee except when the employee may lose accrued leave under 530:10 15 10 and 530:10 15 11(b) (5) .

(10) Adjustments in scheduled work time may be made on an hour-for-hour basis within the work period.

(e) Appointing Authorities may provide compensatory time off to FLSA Exempt (as defined by the Fair Labor Standards Act) employees with the following stipulations:

(1) The compensatory time off shall be taken within time periods and policy outlined in 530:10-7-12(d)

(2) . Unused compensatory time shall be taken off the books if not taken by the end of the time periods and policy outlined in 530:10-7-12(d) (2) .

(2) Compensatory time shall only be given on an hour-for-hour basis, 1 hour off for each hour worked overtime. The maximum compensatory time which may be accrued by an FLSA exempt employee shall be the same as that outlined in 530:10-7-12(d) (3) .

(3) Payments shall not be made for compensatory time accrued by an employee on FLSA Exempt status for any reason, except as provided for in (f) of this Section.

(f) After submitting written notice to the Human Capital Management Division, an Appointing Authority may provide overtime payments to persons in FLSA Exempt classes based on a prevailing market condition.

530:10-7-13. Adjustments in rates of pay when pay bands are changed

When a pay band is changed for a job family level, all employees in that classification, including persons whose rate of pay exceeds the maximum of the old pay band, shall receive an adjustment to the new pay band. No person's salary may be reduced as a result of such a change. All employees of an agency in that job shall be given uniform treatment using one of the following methods: providing adjustment to the minimum of the new pay band;; providing a percent increase given to each employee,

which shall not exceed the percent of difference between the minimum of the old pay band and the minimum of the new pay band; or any other uniform method of adjustment approved by the Administrator. At the discretion of the Appointing Authority, no change in employee salary need occur provided that all affected salaries fall within the new pay band. OAC 530:10-7-10 does not apply to adjustments made in accordance with this Section.

530:10-7-14. Rate of pay upon reclassification, promotion, career progression, demotion, and transfer

(a) **Rate of pay when incumbent is reclassified directly.** When an employee is reclassified directly under 530:10-5-90, the rate of pay shall be fixed in accordance with 530:10-7-13.

(b) **Rate of pay upon promotion or career progression.**

(1) An Appointing Authority shall adopt objective written criteria for the amount of salary advancements on promotion or career progression. These criteria shall be a part of the agency salary administration plan established under 530:10-7-1.1 and shall be consistent with state and federal statutes prohibiting discrimination.

(2) The Appointing Authority shall set an employee's salary on promotion or career progression at no less than 5% and no more than 20% of the employee's salary before promotion or career progression, except as follows:

(A) If the increase would make the employee's salary after promotion or career progression greater than the maximum rate of pay for the new pay band, the employee's salary shall be set at the maximum rate of pay for the new pay band.

(B) If the increase is insufficient to raise the employee's salary to the minimum of the new pay band, the employee's salary shall be raised to the minimum of the new pay band.

(C) The Appointing Authority may set the employee's salary on promotion or career progression at more than 20% of the employee's salary before promotion or career progression as long as the rate is within the hiring range established for the position in an approved salary administration plan.

(D) The Appointing Authority shall not lower the salary of an employee on promotion or career progression. If the employee's salary before promotion or career progression exceeds the maximum of the new pay band, the employee's salary shall remain the same.

(c) **Rate of pay when demoted.** The rate of pay of an employee who is demoted shall be set by the Appointing Authority at any rate of pay within the pay band for the job to which demoted, which does not exceed that employee's last rate of pay. An Appointing Authority may delay setting the rate of pay upon demotion for up to 1 year when the demotion is due to an agency reorganization. For the purposes of this subsection, "agency reorganization" means the reclassification of employees in lieu of reduction-in-force.

(d) **Rate of pay upon intra-agency lateral transfer.** An Appointing Authority may provide up to a 5% increase in salary, not to exceed the maximum rate of pay for the pay band, for an employee upon intra-agency lateral transfer to a position in the same job family and level or another job family and level with the same pay band assignment, based on the needs of the agency. [74:840-2.17]

No employee salary shall be reduced except as specifically provided in the Merit Rules.

530:10-7-16. On-call pay

compensation for each occasion in which a call-back is made after having left the regular work station. The compensation may be in the form of compensatory time in lieu of cash payment. [74:840-2.29]

530:10-7-17. Rate of pay upon detail to special duty

The pay of an employee who is detailed to special duty in accordance with 530-10-11-110 shall not be reduced, but must be increased to at least the minimum rate but not more than the maximum rate the employee could receive upon promotion to that job family and level, provided:

- (1) any such temporary increase shall not affect eligibility for increase in the regular job family and level which the Appointing Authority could grant if the employee had not been detailed.
- (2) at the conclusion of the detail, pay shall revert to the authorized rate of pay in the employee's regular job family and level.

530:10-7-18. Discretionary performance pay increases [REVOKED]

An Appointing Authority making such a request shall provide the Administrator with information supporting the request, such as relevant market data, information on recruitment or retention problems, or other appropriate data. The Appointing Authority shall also certify that an adjustment can be made within the agency's budget for the current and subsequent fiscal year without the need for additional funding. An Appointing Authority may limit market adjustments to employees rated at least "Meets Standards" on the most recent performance evaluation. Such limitation must be included in the agency's approved Salary Administration Plan. All eligible employees of an agency in jobs affected by a market adjustment shall be given uniform treatment.

The plan must be approved by the Human Capital Management Division and must identify the job family or families to which the incentive will be applicable. The plan will also identify factors that establish the need for the incentive, which may include, but need not be limited to, one or more of the following:

- (1) Recent turnover in similar positions in the locality involved;
- (2) Employment trends and labor-market factors that may affect the agency's ability to recruit candidates for the locality involved;
- (3) Special or unique qualifications required for the position;
- (4) Failure of non-pay authorities, such as special training or work scheduling flexibilities, to resolve difficulties in recruiting candidates;
- (5) The desirability of the duties, work or organizational environment, or geographic location of the position; and

- (6) Other supporting factors.
- (b) The plan must contain a certification that the additional costs associated with the proposed incentive can be accommodated within the agency's existing budget. The plan shall be signed by the Appointing Authority, and this signature requirement may not be delegated. No payment shall be made under this Section until the plan has been reviewed and accepted by the Administrator.
- (c) A position is considered to be in a different geographic area if the worksite of the new position is 50 or more miles from the worksite of the position held by the employee immediately before the move. The employee must establish a residence in the new geographic area before an appointing authority may pay a relocation incentive.
- (d) The relocation pay incentive shall not exceed 20% of the employee's base pay in the new position. The determination to pay a relocation incentive must be made before the employee enters on duty in the position. An agency may pay a relocation incentive:
- (1) As an initial lump-sum payment at the commencement of a 2-year service period required by a service agreement;
 - (2) In installments throughout the 2-year service period; or
 - (3) As a final lump-sum payment upon the completion of the 2-year service period.

- (f) An employee may receive no more than two relocation pay incentives during his or her state employment. A relocation pay incentive will not be approved if an earlier relocation pay incentive was approved within the previous five-year period.

530:10-7-22. Salary adjustments upon completion of initial probation or trial period

An Appointing Authority may provide salary adjustments not to exceed **5%** to probationary classified employees achieving permanent status following the initial probationary period. An Appointing Authority may also provide this salary adjustment to employees reinstated to the classified service after a break in service upon completion of a probationary period, and to permanent classified employees successfully completing trial periods after intra-agency lateral transfer or promotion to a different job family level or career progression to a different job family level. [74:840-2.17]

530:10-7-24. Skill-based pay adjustments

- (a) An Appointing Authority may develop skill-based pay programs upon the approval of the Administrator. Such programs shall be related to the acquisition or possession of additional skills and abilities which can be applied to the work to be performed and which will increase the value of the employee to the agency. The skills or abilities must be verifiable through certification, licensure, diploma, or some other method and must be beyond the qualifications required to perform the primary or essential functions and responsibilities of the employee's position. Requests to establish skill-based pay programs shall include a complete description of the training or education required, how it will benefit the agency, the proposed salary adjustment, and any other information that will assist in evaluating the request.
- (b) Skill-based pay adjustments may be provided as a differential over and above an employee's base pay or as lump-sum payment. Lump sum skill-based pay adjustments may be awarded upon initial certification and any subsequent recertification as may be required by the certifying organization and identified in the agency's skill-based pay plan. Lump sum payments shall be limited to 10% of an

employee's annual salary, and differentials shall be limited to 10% of an employee's monthly salary for employees paid on a monthly basis, and 10% of an employee's biweekly salary for employees paid on a biweekly basis. Except as provided in Subsection (c), skill-based pay adjustments shall be paid only as long as the employee occupies a position to which the skill is applicable in accordance with the agency's salary administration plan. An employee may receive multiple skill-based pay differentials so long as the combined total of all skill-based pay differentials does not exceed 15%. All eligible employees of an agency in jobs affected by a skill-based pay adjustment shall be given uniform treatment.

(c) Skill-based pay differentials shall not be included in the employee's base salary and are subject to being discontinued under circumstances described in Subsection (b). [74:840-2.17]

530:10-7-26. Equity-based pay adjustments

An Appointing Authority may provide equity-based pay adjustments when employees are significantly underpaid relative to other employees performing the same or similar duties, or employees with the same role or accountabilities, in the same job family and level within the same agency. Adjustments above the midpoint of the pay band require approval of the Administrator. Adjustments below the midpoint of the pay band and which are consistent with the requirements of this section may be made at the Appointing Authority's discretion. An Appointing Authority may limit equity-based pay adjustments to employees rated at least "Meets Standards" on the most recent performance evaluation. Such limitation must be included in the agency's approved Salary Administration Plan. All eligible employees of an agency in jobs affected by an equity-based adjustment shall be given uniform treatment. No employee may receive more than one equity-based adjustment in the same job family and level in a twelve-month period.

530:10-7-27. Performance-based adjustments

(a) Performance-based adjustments enable Appointing Authorities to award a salary increase or lump sum payment to employees who have achieved an overall rating of "meets standards" or better on their most recent performance evaluation. This performance evaluation shall be conducted with the standard performance management system provided by 530:10-17-31.

(b) Appointing Authorities may adopt a performance-based adjustment program for permanent classified full-time and part-time employees pursuant to this Section. The program may allow performance-based adjustments for part-time employees on a prorated basis.

(c) In order to adopt a performance-based adjustment program, an Appointing Authority must submit a written performance-based adjustment plan to the Administrator for approval. The plan must:

(1) Indicate the manner in which the Appointing Authority intends to award performance-based adjustments, including a determination that performance-based adjustments will be awarded for overall ratings of "meets standards" and "exceeds standards," or "exceeds standards" only. Performance-based adjustments shall not exceed 5% of an employee's annual salary for "meets standards" or 10% of an employee's annual salary for "exceeds standards." The plan shall include:

(A) The amount or percentage that the Appointing Authority will award to qualifying employees; or

(B) The total dollar figure the Appointing Authority intends to set aside for performance-based adjustments to be divided among qualifying employees;

(2) Identify and define the 12-month evaluation cycle to be used within the agency, such as a calendar year or fiscal year. The plan may not be amended within the evaluation cycle but may be discontinued according to paragraph (5) of this subsection;

(3) Indicate whether the Appointing Authority will award performance-based adjustments as an increase to the employee's salary, a lump sum payment, or a combination thereof;

(4) Include certification by the Appointing Authority that the agency can fund the performance-based adjustment program for the current and subsequent fiscal year without the need for additional funding, and that the plan provides for uniform treatment of all permanent classified employees of the agency who achieve a "meets standards" or "exceeds standards" except as provided in subsection (e). The Appointing Authority shall not delegate authority to sign the certification; and

(5) Include a statement that the Appointing Authority may discontinue performance-based adjustments at any time should it be necessary to prevent a budget shortfall. The Appointing Authority shall notify employees of the discontinuation of the plan and the reason therefore.

(d) The performance-based adjustment plan must be approved by the Administrator before the Appointing Authority may grant performance-based adjustments to any permanent classified employee.

(e) An Appointing Authority shall not grant performance-based salary increases which cause an employee's base salary to exceed the maximum of the pay band to which the employee is assigned. [530:10-7-10] Such employees may be given performance-based salary increases up to the maximum of the pay band to which assigned and may also receive the remainder of the increase as a lump sum payment.

(f) An Appointing Authority may grant only one performance-based adjustment to any employee for any 12-month evaluation cycle. An Appointing Authority shall not award a performance-based adjustment to any employee based upon a performance evaluation which is more than one year old.

Part 3 - PAYROLL

530:10-7-31. Certification of payrolls

(a) **Certification.** No state disbursing or auditing officer shall make, approve or take part in making or approving any payment for personal service to any person holding a position in the classified service, unless the payroll voucher or account of such pay bears the certification of the Appointing Authority that the persons named therein have been appointed and employed in accordance with the provisions of the Oklahoma Personnel Act and the Merit Rules [74:840-1.18(D)].

(b) **Withholding of certification.** The Appointing Authority may for proper cause withhold certification from an entire payroll or from any specific item or items [74:840-1.18(D)]. After such notice, the concerned state disbursing or auditing officer shall not approve any payment to such person except in accordance with the provisions of the Act or the Merit Rules.

(c) **Suit to restrain disbursement.** Any citizen may maintain a suit to restrain a disbursing officer from making any payment in contravention of any provision of the Oklahoma Personnel Act or the Merit Rules [74:840-1.18(D)].

(d) **Recovery of erroneous payments.** Any sum paid contrary to any provision of the Oklahoma Personnel Act or the Merit Rules may be recovered in an action maintained by any citizen, from any officer who made, approved or authorized such payment or who signed or countersigned a voucher, payroll, check or warrant for such payment, or from the sureties on the official bond of any such officer [74:840-1.18(D)]. *All monies recovered in any such action shall be paid into the State Treasury* [74:840-1.18(D)].

[74:840-1.18(D)] *No officer shall be reimbursed by the state at any time for any sum paid to such person on account of such services* [74:840-1.18(D)].

(f) **Action to compel payroll certification.** If the Appointing Authority wrongfully withholds certification of the payroll voucher or account of any employee, such employee may maintain an action or proceeding in the courts to compel the Appointing Authority to certify such payroll voucher or account [74:840-1.18(D)].

Subchapter 9 - Recruitment and Selection

Part 1 - GENERAL PROVISIONS

530:10-9-1. Purpose

The purpose of the rules in this Subchapter is to establish policies and procedures for the *recruitment of qualified persons, including the administration of valid job-related nondiscriminatory selection procedures providing for competitive examinations... and for other reasonable selection criteria* [74:840-1.6A(6)]; *for the referral of capable candidates for vacancies... and the employment of individuals on other types of appointments as necessary* [74:840-1.6A(8)]; and for *impartial consideration of applicants for employment* [74:840-1.6A(3)].

530:10-9-3. Selection procedures

(a) Selection procedures may consist of written tests; ratings of training and experience; performance tests; physical, educational, and work experience requirements; interviews; oral examinations; application forms and any other type of examination.

(b) When a job requires a written test, the Administrator shall administer tests to applicants or employees with disabilities that impair sensory, manual, or speaking skills in formats that do not require the use of the impaired skill, if the applicant or employee notifies the Administrator before the test is administered.

(c) Before appointment, applicants may be required to pass a physical examination specified by the Appointing Authority when requirements of the job demand specific physical condition or capabilities. Such physical examinations shall be uniform in nature and applied to all persons in that job within the agency. The responsibility for administering the physical examinations lies with the Appointing Authority.

530:10-9-4. Announcements

The Administrator shall make public announcements of all entrance examinations in advance of the issuance of certificates. Such announcement shall include the waiting period between the date of the announcement and the release of names of eligible applicants to the appointing authority. An announcement may state the duties and salaries of positions in the jobs for which examinations are to be held; the qualifications required for admission to examinations; the time, place and manner of

application; the proposed relative weights to be given the parts of the examination; and such other information as the Administrator may consider pertinent and useful.

530:10-9-5. Applications

An application for employment shall be made on a form prescribed by the Administrator and shall be considered part of the examination. The application form solicits information from the applicant regarding residence, veterans preference, education, training, experience and other eligibility information. The form may also ask for demographic information, such as race, sex, and ethnicity, for statistical analysis and state and federal record keeping and reporting requirements. Demographic information may also be used for special employment programs specifically authorized by law. Information provided by applicants shall be subject to verification. All applications shall be signed in writing or by electronic signature by the applicant certifying the truth of all statements he or she made in the application. Applications must be filed with the Human Capital Management Division on or before the closing date specified in the announcements or postmarked before midnight on that date.

530:10-9-6. Establishment of minimum qualifications

The minimum qualifications established for each job family level shall constitute the entrance requirements for admission to examinations for classified positions. If an academic requirement will be met within 1 semester or term, an applicant may be admitted to an examination and certified for employment with the condition that the applicant shall meet all requirements for the job at the time he or she reports for duty with an agency.

530:10-9-7. Certification of qualifications by appointing authority [REVOKED]

530:10-9-9. Disqualifications

- (a) Except as provided in 530:10-9-131, an Appointing Authority or the Administrator may permanently or temporarily refuse to certify, disqualify or remove a person's name from a register if:

(11) the person has, within 2 years prior to the date of certification, been discharged for delinquency, misconduct, absenteeism, inability to perform the same type job for which applying or other disciplinary reason or has resigned in lieu of such dismissal from any public or private employer. The Appointing Authority may extend the 2-year restriction for good cause.

(12) the agency has exercised a selective qualification as established in 530:10-9-74.

(13) an individual is ineligible for employment due to citizenship or residence requirements as prescribed in 530:10-9-75.

(b) Action initiated by an Appointing Authority under (a) (1) , (a) (7) , and (a) (9) of this Section shall be subject to the approval of the Administrator. Any person who is disqualified shall be notified in writing of this action and the reason for it. At the appropriate time, the Administrator shall notify an individual of the right to appeal. The party initiating the action, whether the Administrator or an Appointing Authority, shall be independently responsible for justifying the action, for both the nature and accuracy of the supporting information, and for the retention of that information pending appeal of the action.

530:10-9-10. Required certification of qualifications before promotions, demotions, transfers, and reinstatements

(a) The Administrator shall certify that a candidate meets the necessary job qualifications of a job family level in the classified service for the purpose of allowing the candidate to be appointed. Subsections (b), (c), and (d) of this Section describe exceptions to these requirements. The Appointing Authority shall use a form made available by, or accepted by, the Administrator to request certification of qualifications. The form solicits information about the candidate's qualifications.

(b) An employee who is demoted shall meet the minimum qualifications of the lower job to which he or she is demoted unless the demotion is to a job:

(1) within the same job family, or

(2) in which the employee previously has had permanent status, or

(3) in the same job family as and below one in which he or she previously has had permanent status.

(c) Career progression promotions shall be exempt from subsection (a). The exception shall apply only after an employee has been in a lower level of the job family for an amount of time equal to the difference in the lengths of the experience requirements of the two levels. This exception shall not apply in any case to entry into a job family or where the next higher level is a supervisory position.

(d) The Administrator may delegate certification of qualifications to an Appointing Authority according to a written agreement made under Section 840-1.15 of the Act and the rules in Part 3 of Subchapter 1 regarding delegation of human resources functions.

530:10-9-11. Examination records [REVOKED]

530:10-9-13. Error in certification, scoring, or recording applicant information

An error in certifying, scoring, or recording applicant information, which affects the relative ranking or application status of an applicant for initial or internal appointment, shall be corrected. The error shall be corrected by the Administrator, or if the error was made by an Appointing Authority to whom the Administrator has delegated certification of qualifications, the error shall be corrected by that Appointing Authority. The correction shall not affect a good faith offer of appointment already made that is otherwise in accordance with the Act and the Merit Rules. The Appointing Authority who corrects an error shall promptly notify the Administrator of the correction.

Part 3 - WRITTEN AND PERFORMANCE TESTS

530:10-9-31. Scheduling [REVOKED]

530:10-9-32. Proficiency certificates

(a) The Administrator shall accept certificates of proficiency issued within the last **12** months by accredited private or public schools, colleges, or the Oklahoma Employment Security Commission in lieu of typing and key entry tests [74:840-4.12]. The proficiency certificate solicits information about the applicant, the typing and/or key entry test upon which the applicant has demonstrated proficiency, and the name and address of the certifying official and agency or school.

(b) The proficiency certificate shall be based on the results of a performance test which is comparable to the Human Capital Management Division performance test for the same job.

530:10-9-33. Licensure

If required to be ranked, applicants who have been previously tested and are currently licensed by the State of Oklahoma, shall be rated (ranked) according to training and experience when applying for jobs that require such testing and licensure [74:840-4.12].

530:10-9-34. Degree requirements [REVOKED]

530:10-9-35. Testing for promotions, demotions, transfers and reinstatements

Examinations for promotion, demotion, transfer, and reinstatement shall not be required unless specified in the agency's promotional plan.

530:10-9-37. Repeating examinations

(a) A person with a current and qualifying application may repeat a multiple-choice test 60 days from the original test date. A performance test may be repeated daily for as long as an applicant has a current and qualifying application that requires the performance test.

(b) The repeat interval for a written or performance test shall apply to both entrance and promotional examinations. The most recent, valid score on a written test will be used. An applicant may request to be certified with a score on a performance test other than the most recent one, provided that the score requested on a test is consistent with guidelines issued and made public by the Administrator. Otherwise, the examination is considered void.

530:10-9-38. Reviewing examinations

Applicants shall be entitled to inspect their own rating and examination papers maintained in the Human Capital Management Division up to 30 days after the date of the examination. Such inspection shall be permitted only during regular business hours at the Human Capital Management Division and shall include only those materials which would not compromise the security of the selection procedure.

Any person who reviews an examination may not participate in the same examination for one year from the date of the review.

530:10-9-39. Identification numbers

An identification number shall be used to identify all test materials of each applicant.

530:10-9-40. Test results

Applicants who take an examination shall be notified electronically of the results. Applicants who have not provided an e-mail address shall be notified in writing.

Part 5 - REGISTERS

530:10-9-50. Establishment of registers

The Human Capital Management Division shall establish and maintain registers as necessary to provide an adequate supply of qualified eligibles for positions in the classified service. The names of such persons shall be placed on the register in the order of their final score except as provided by law for veterans. Registers shall not be open for public inspection.

530:10-9-51. Duration of registers; periods names may remain on registers

(a) The Administrator shall determine the duration of each register. After notice to affected eligibles, the Administrator may abolish a register or may shorten or extend the time that an eligible's name may remain on a register.

(b) If an eligible's name is not removed from a register under subsection (a) of this Section or other provisions of the Merit Rules, that eligible's name may remain on the register for a specific class for a period consistent with guidelines issued and made public by the Administrator and applied uniformly to all applicants. Subsequent applications for a job will be accepted only if the register for that job is open for recruitment.

(c) An applicant's name shall not appear on any register on the basis of a void examination as defined in 530:10-9-37.

530:10-9-52. Removal of names from registers

(a) In addition to the reasons set forth in 530:10-9-9, when a written request which states the reason for such action is received from an Appointing Authority or based upon an action of the Human Capital Management Division, the Human Capital Management Division may temporarily or permanently remove an eligible from a register for any of the following reasons:

- (1) Removal requested by eligible applicant.
- (2) Appointment through certification to fill a permanent position in the same job.
- (3) Failure to respond within 7 calendar days exclusive of the date of mailing of a written inquiry by the Appointing Authority relative to availability for appointment. Such inquiry shall include the date and time by which the eligible must contact the Appointing Authority.

- (4) Failure to respond within 72 hours to an electronic message from the Appointing Authority relative to availability for appointment. Such inquiry shall include the date and time by which the eligible must contact the Appointing Authority and must be sent to the contact information provided by the eligible.
- (5) Failure to appear for a scheduled interview.
- (6) Declination of further consideration for selection.
- (7) Declination of appointment.
- (8) Failure to report for duty within the time specified by the Appointing Authority. (See 530:10-9-94.)
- (9) Abolition of register by the Human Capital Management Division.
- (b) Any person so affected shall be notified of this action and the reason for it.

530:10-9-54. Restoration of names to registers [REVOKED]

530:10-9-55. Statement of availability

It shall be the responsibility of eligibles to notify the Human Capital Management Division of any change in address or other change affecting availability for employment. Whenever an eligible notifies the Human Capital Management Division of conditions which restrict his or her availability or limit the locations where employment will be accepted, the eligible's name shall be withheld from all certificates which do not meet the stated conditions and locations. At any time, an eligible may file a new statement of conditions under which he or she will be available for employment.

Part 7 - CERTIFICATION

530:10-9-70. Request for certification

When a new employee is needed to fill a vacancy in a classified position, the Appointing Authority may submit a request for certification to the Human Capital Management Division. The Appointing Authority may submit such a request only after the position has been allocated. The request shall include information necessary in order to issue a certificate, such as job family level and code, type of job, location of work, and certification method requested by the Appointing Authority. With the approval of the Administrator, the Appointing Authority may request certification as provided in 530:10-9-71.

530:10-9-71. Certification methods

- (a) **Availability.** The Administrator shall issue certificates which include the names of eligibles whose statements of availability and qualifications match the conditions of employment specified by the Appointing Authority on the request for certification.
- (b) **Work location.**
 - (1) If the work location is in the central state offices of an agency, the Administrator shall certify available eligibles on the basis of register rank only.
 - (2) The Administrator may certify all eligibles on a register, regardless of availability, if the conditions of employment are the same for all positions in that job family within the agency.
 - (3) When filling vacancies outside the agency's central state office, an Appointing Authority may request that the Administrator issue a local certificate. A "local certificate" is a subset of eligible applicants on a register who are residents of the locality, i.e., the county where the local office is located

or said county and adjacent counties or a group of contiguous counties comprising a service area of an agency [74:840-4.13], and whose conditions of availability for a job correspond to those of the vacant position. On a local certificate, eligible applicants from the locality are ranked by examination score, including any awards of veterans preference, and are certified ahead of other available applicants who live outside the locality.

Part 11 - DIRECT HIRE AUTHORITY

530:10-9-110. Purpose

The purpose of the rules in this Part is to establish policies and procedures by which the Administrator may authorize agencies to directly fill positions requiring professional practice licensure and hard-to-fill positions, to establish *criteria for identifying professional practice licensure positions and hard-to-fill positions which shall not require establishment of an employment list of eligible persons or the application of veterans preference...* and to establish *recordkeeping and reporting procedures and*

the conditions under which the Administrator may withdraw authorization for agencies to directly hire persons into hard-to-fill positions [74:840-4.13(C)].

530:10-9-111. Definitions

In addition to terms defined in 530:10-1-2 the following words and terms, when used in this Part, shall have the following meaning, unless the context clearly indicates otherwise:

"Adequate applicant pool" means 10 or more available qualified eligibles on open competitive announcements maintained by the Human Capital Management Division for the location of a vacancy under the conditions of employment required for the position.

"Conditions for employment" means requirements for the position established by the agency and approved by the Human Capital Management Division such as willingness to travel, perform shift work, or work in a particular geographic location, or possession of any selective qualifications or special requirements for the position.

"Direct hire authority" means the authorization for an Appointing Authority to certify the qualifications of and appoint an eligible applicant to a position requiring professional practice licensure or to a position which has been identified by the Administrator as hard-to-fill.

"Hard-to-fill positions" means a vacant position or positions in a job family for which a state agency has been unable to identify an adequate applicant pool within the past 2 weeks of open competitive announcement.

"Professional practice licensure positions" means those positions within a job family for which the Administrator has determined the minimum qualifications for the job require professional licensure with the State of Oklahoma to legally practice in the profession. Such a job shall involve work requiring knowledge of an advanced type in a field of science or learning, customarily obtained by a prolonged course of specialized instruction or study such as a bachelor's degree from an accredited college or university. The Administrator shall maintain a list of jobs requiring professional practice licensure and shall make the list available to all state agencies with positions allocated to these job families.

530:10-9-112. Scope of direct hire authority

Direct hire authority shall not waive any requirement for any job classification or position established by statute or the Administrator, such as testing or promotional posting requirements, except as provided in 74:840-4.13(C). An Appointing Authority who has been authorized direct hire authority shall assure equal employment opportunity to all applicants.

530:10-9-114. Application for direct hire authority

(a) Applications for direct hire authority shall be in accordance with 530:10-1-33, and shall include a description of how the position meets the definition of a "hard to fill position" or a "professional practice licensure" position.

(b) The Administrator shall respond to the application for direct hire authority according to 530:10-1-35. If the application for direct hire authority is to be approved, the Administrator shall prepare a written memorandum of agreement according to 530:10-1-43 for delegation authority.

530:10-9-115. Duration of direct hire authority

(a) **Professional practice licensure positions.** An Appointing Authority who has been authorized direct hire authority for professional practice licensure positions may retain the authority indefinitely, provided:

- (1) the job family or job families to which the positions have been allocated remain authorized for the agency's use by the Human Capital Management Division;
- (2) the professional practice licensure requirement for the positions is not removed; and
- (3) the authority is not terminated by the Administrator as provided in 530:10-9-121.

(b) **Hard-to-fill positions.** An Appointing Authority who has been authorized direct hire authority for hard-to-fill positions may retain the authority for **12** months from the date of approval by the Administrator unless the authority is terminated by the Administrator as provided in 530:10-9-121. The Appointing Authority may reapply to continue direct hire authority for additional **12** month periods in the same manner as in the initial request.

530:10-9-117. Concurrent certification by the Human Capital Management Division

The Human Capital Management Division may continue to establish registers and issue certificates for any job affected by the rules in this Part. An Appointing Authority who has been granted direct hire authority also may request certificates of eligibles from the Human Capital Management Division. Eligibles certified from an Human Capital Management Division certificate shall be considered by the Appointing Authority as required by the Act and Merit Rules governing certification.

530:10-9-118. Reporting and recordkeeping

The notification shall include a copy of the application, transcripts, and certification of qualifications of the person appointed; and for professional practice licensure positions, a copy of the verification of licensure. Failure to notify the Administrator of appointments made through direct hire authority within **30** days after the effective date shall be cause for termination of the authority.

(b) **Recordkeeping.** Appointing Authorities shall maintain all records made or considered in the selection and hiring process, regardless of whether the applicant was appointed to the position, for the minimum length of time required by state and federal law. Appointing Authorities shall make the records available for inspection by staff members of the Human Capital Management Division upon request.

530:10-9-120. Correction of errors

(a) Errors in the certification of qualifications shall be corrected according to 530:10-9-13.

(b) Errors in the certification of qualifications may result in termination of the direct hire authority according to 530:10-9-121.

(c) Willful violations of the Act or Merit Rules in connection with the exercise of the direct hire authority may result in administrative fines according to 74:840-6.9.

30:10-9-123. Expedited recruitment

- (a) The Administrator may select positions or job family levels for expedited recruitment when in the opinion of the Administrator the education, experience or certification requirements for such positions or job family levels substantially limit the pool of available applicants to less than an adequate applicant pool as defined by 530:10-9-111. Applicants for positions selected for expedited recruitment who have been approved by the Human Capital Management Division as meeting the minimum qualifications for the job may be referred to agencies having such vacancies without examination and ranking, provided that the register for the job has been publicly announced for at least **14** calendar days. Applicants for positions selected for expedited recruitment are eligible for appointment upon referral. [74:840-1.6A]
- (b) An Appointing Authority may request that positions or job family levels be considered for expedited recruitment by submitting a written request to the Administrator. The request shall describe the unique education, experience or certification requirements that substantially limit the pool of available applicants, the recruitment efforts made by the agency, the suggested duration of the expedited recruitment designation, and shall be accompanied by a Position Description Questionnaire (OPM-39) for the position(s). The Administrator may request clarification or additional information from the agency. The Administrator shall provide the agency with written notification of his approval or denial of the request. The decision of the Administrator shall be final.
- (c) An Appointing Authority who has expedited recruitment authority may retain that authority for **12** months from the date of approval by the Administrator unless that authority is terminated by the Administrator pursuant to 530:10-9-121. The Appointing Authority may reapply to continue expedited

Absolute Preference Veterans shall not be denied employment and passed over for others without showing cause. [74:840-4.14(A)(3)]

530:10-9-131. Pass for cause of an absolute preference veteran

(a) An Appointing Authority who finds it necessary to pass over an Absolute Preference Veteran for cause must receive written approval from the Administrator before taking such action. Any Appointing Authority who, without prior approval, passes an Absolute Preference Veteran for cause on any certificate returned to the Office of Personnel Management shall be required to hire the preferenced applicant, if such pass for cause is subsequently rejected by the Administrator. No offer of initial employment may be made to any applicant ranked below such veterans in the absence of this approval; such offers and any subsequent initial appointments shall be void. [74:840-4.14(A)(3)]

(b) Nothing in this Section prohibits or limits passing an Absolute Preference Veteran to hire another Absolute Preference Veteran within the hiring rule, or hiring any other eligible through means other than an initial appointment.

- (6) *The time limits and procedure for filing an application with the appointing authority; and*
- (7) *Any additional factors which the appointing authority will consider in filling the vacancy.* [74:840-4.15]

530:10-11-53. Promotional posting for continuous multiple vacancies

The appointing authority may elect to post general promotional opportunities . . . in cases where there are usually continuous multiple vacant positions within a given job family; provided the appointing authority maintains a promotional applicant list for each job family which is posted on the basis of general promotional opportunities. In such cases, the posting must include the length of time and conditions under which the promotional application of the candidate will remain available for active consideration by the appointing authority [74:840-4.15] as well as the information required by 530:10-11-51.

530:10-11-54. Promotional action appeals

If an employee feels treated unfairly with regard to a promotional action after such complaint has been reviewed in a formal grievance procedure conducted in accordance with the grievance procedure of the agency, the employee may seek a remedy through the procedures established in the Oklahoma Personnel Act [74:840-4.15(C)]. *If a violation of Section 841.10 [renumbered 840-2.9] of this title has been committed, the Oklahoma Merit Protection Commission may declare a position open [74:840-4.15(C)].*

530:10-11-55. Trial period and probationary period for promoted employees

(a) Trial period after intra-agency promotions.

(1) When a classified employee is promoted intra-agency, the employee shall serve a 6 month trial period in the job to which the employee has been promoted unless the Appointing Authority waives the trial period according to the provisions of this Section. The Appointing Authority may waive the trial period at any time by giving the employee written notice of the cancellation. Waiver of the trial period makes the promotion final.

(2) If an employee does not prove to be satisfactory in the new job during the trial period, the employee shall be reinstated to the former position or another in the same job family level, at the salary the employee would have received if the promotion had not taken place. However, the reasons for denying the employee permanent status in the promotional position shall be submitted in writing to the individual before the end of the trial period and a copy filed with the Human Capital Management Division. *[T]he employee shall not have the right to appeal [74:840-4.12].*

(3) The promotion shall automatically become permanent at the end of the final working day of the trial period.

(4) The Appointing Authority may establish a written policy describing any agency standard for waiving the trial period and the reasons for the standard.

(b) Trial period after interagency promotion.

(1) An employee who is promoted interagency may, at the discretion of the receiving Appointing Authority, be required to serve a 6 month trial period in the new job only if the receiving agency has the job family from which the employee was promoted in its classification plan.

(2) The trial period may be canceled at any time, making the promotion final. Before the effective date of the promotion, the employee shall be informed in writing by the Appointing Authority whether the employee will be required to serve a trial period before such promotion becomes final. The Human Capital Management Division shall be sent written notice when a trial period is required for a promoted employee. The promotion shall be permanent if the Appointing Authority fails to notify the employee in writing before the effective date of the promotion that a trial period is required under this paragraph. If an employee does not prove to be satisfactory in the new job during the trial period, the employee shall be reinstated to a position in the former job family in the same pay band for which the employee is qualified with the receiving agency, at the salary the employee would have received if the promotion had not taken place. However, the reasons for denying the employee permanent status in the promotional position shall be submitted in writing to the individual before the end of the trial period and a copy filed with the Human Capital Management Division. The promotion shall automatically become permanent at the end of the final working day of the trial period.

(c) **Statutory probationary period after intra-agency promotion.** An employee who is promoted to a job for which a probationary period is either permitted or required by Oklahoma Statutes shall be notified by the Appointing Authority of the probationary period before the effective date of the promotion. An employee shall not be required to serve a trial period after the promotion if a statutory probationary period is required.

Part 7 - TRANSFERS AND VOLUNTARY DEMOTIONS

530:10-11-71. Intra-agency transfer

(a) The intra-agency transfer of a permanent employee from one position to another position in the same job family or another job in the same pay band, for which the employee has currently qualified, may be made at any time by the Appointing Authority.

(b) Upon intra-agency lateral transfer, an employee shall serve a six-month trial period in the job level to which the employee is transferred, unless the trial period is waived in writing by the Appointing Authority. [74:840-4.12] If an employee does not prove to be satisfactory in the new job during the trial period, the employee may be reinstated to the former position or another in the same job family level, at the salary the employee would have received if the transfer had not taken place. The employee shall be informed in writing of any action taken pursuant to this provision.

(c) A state agency shall have sole and final authority to designate the place or places where its employees shall perform their duties. The Oklahoma Merit Protection Commission shall not have jurisdiction to entertain an appeal of an employee from action of the employing agency transferring the employee from one county or locality to another, changing the assigned duties of the employee, or relieving the employee from performance of duty at a particular place and reassigning to the employee duties to be performed at another place, unless:

(1) the action results in a change in job classification or reduction of base salary; or

(2) an investigation by the Commission indicates that a violation of the provisions of Section 840-2.5 or 840-2.9 of . . . [the Oklahoma Personnel Act] may have occurred; or

(3) it is established that the action was clearly taken for disciplinary reasons and to deny the employee the right of appeal. [74:840-4.19]

530:10-11-72. Interagency transfer

(a) An interagency transfer is *an action in which an employee leaves employment with one agency and enters employment with another agency while continuously employed with the state* [74:840-1.3]. A permanent classified employee retains his or her permanent status in the classified service on interagency transfer.

(b) The interagency transfer of a permanent employee from one position to another in the same job or another job family in the same pay band, for which the employee has currently qualified, may be made at any time with the concurrence of the Appointing Authorities concerned, provided that such transfer has been requested in writing by the employee. Such a transfer may be made simultaneously with a promotion or demotion in accordance with the provisions of the Merit Rules.

530:10-11-74. Interagency transfer of personnel resulting from transfer of facility or function

When a facility or function is transferred from one state agency to another, classified employees may be transferred without change or modification in status. Such transfer of personnel is subject to the following conditions and provisions:

(1) Positions created in the receiving agency as a result of the transfer of a facility or function which are filled by employees being transferred in accordance with this Section need not be posted as vacant.

(2) If the job family level of transferring employees is not in the receiving agency's classification plan, the appropriate job families must be added to the plan on a temporary basis, not to exceed **6** months after the effective date of the transfer. Any such employee may be detailed to special duty, if necessary, to ensure that work assigned on a regular and consistent basis conforms to the employee's classification.

(3) The receiving agency shall give a transferring employee credit for all unused sick and annual leave the employee has accrued.

(4) The receiving agency shall not reduce the base salary of any employee at the time of the interagency transfer. If an employee must be reclassified to a higher job after transfer, a salary advancement is not required unless the rate of pay before promotion is below the new range. Subsequent salary changes must be in accordance with the Merit Rules.

(5) Except as specifically provided in this Section, all other Merit Rules governing the actions of employees and agencies remain in full force and effect, during and after the interagency transfer.

530:10-11-76. Voluntary demotion

(a) An Appointing Authority may demote an employee, provided the employee voluntarily makes such a request in writing and meets the current minimum qualifications for the job family level to which demotion is requested as certified by the Administrator. Provided, however, that possession of the current minimum qualifications shall not be required where the demotion is to a job:

(1) within the same job family, or

(2) in which the employee has previously had permanent status, or

(3) in the same job family as, and below, a job in which the employee has previously had permanent status.

(b) The Appointing Authority may require an employee to serve a trial period in the job to which the employee requests to be demoted. This trial period may not exceed **6** months and may be for shorter periods as determined by the Appointing Authority. The Appointing Authority shall notify the employee in writing before the effective date of the demotion that a trial period be served before such demotion shall become final. The Appointing Authority shall send the Human Capital Management Division written notice when a trial period is required for a demoted employee. The Appointing Authority may cancel

such trial period at any time. If the employee does not prove to be satisfactory in the new job during the trial period, the employee shall be reinstated to the former position or another in the same job family. The Appointing Authority shall give the employee written notice of the reasons for the failure to allow the employee to acquire permanent status in the job to which demoted and shall file a copy with the Human Capital Management Division.

Part 9 - EMPLOYEE GUIDELINES

530:10-11-91. Conduct of classified employees

(a) Every classified employee shall fulfill to the best of his or her ability the duties of the office or position conferred upon the employee and shall behave at all times in a manner befitting the office or position the employee holds. In performing official activities the classified employee shall pursue the common good, and, not only be impartial, but act so that there can be no question of impartiality.

(b) A classified employee shall not engage in any employment, activity or enterprise which has been determined to be inconsistent, incompatible, or in conflict with his or her duties as a classified employee or with the duties, functions or responsibilities of the Appointing Authority by which the person is employed.

(c) Each Appointing Authority shall determine and prescribe those activities within applicable laws, which, for employees under its jurisdiction, will be considered inconsistent, incompatible or in conflict with their duties as classified employees. In making this determination, the Appointing Authority shall give consideration to employment, activity or enterprise which:

(1) involves the use for private gain or advantage of state time, facilities, equipment and supplies; or, the badge, uniform, prestige or influence of one's state office or employment, or

(2) involves receipt or acceptance by the classified employee of any money or other consideration from anyone, other than the state, for the performance of an act which the classified employee would be required or expect to render in the regular course or hours of state employment or as a part of the duties as a state classified employee, or

(3) involves the performance of an act which may later be subject directly or indirectly to the control, inspection, review, audit or enforcement by such classified employee.

(d) Each classified employee shall devote full time, attention and effort to the duties and responsibilities of his or her position during assigned hours of duty.

530:10-11-93. Resignation prior to prohibited activity

Before any classified employee can participate in any prohibited activity described in the constitution or laws of the State of Oklahoma or rules promulgated thereunder, such employee must resign or be subject to the penalty provided by law. The Appointing Authority shall report such alleged prohibited activity to the appropriate authority in writing.

Part 11 - OTHER TRANSACTIONS

530:10-11-110. Detail to special duty

(a) When the services of a permanent classified employee are temporarily needed in a job family or level other than the one to which the incumbent is regularly assigned the employee may be detailed to

special duty, at the discretion of the Appointing Authority, to perform the duties of the job to which temporarily assigned.

(b) A detail to special duty in no way shall affect the status, title or job family held before the detail.

(c) An employee shall not be placed on detail to special duty more than 12 months in any 36 month period.

(d) Pay upon detail to special duty is covered in 530:10-7-17.

(e) Detail to special duty is not required when an employee is temporarily assigned duties of another job for a period of less than 60 days in any 12-month period, or when an employee is temporarily performing such duties as part of a return to work program as a result of a work-related illness or injury, regardless of whether that period exceeds 60 days in any 12-month period. Such temporary placement shall not exceed 6 month

530:10-11-119. Suspension without pay [REVOKED]

530:10-11-120. Suspension with pay

(a) An Appointing Authority may suspend a classified employee from duty with pay for internal investigatory purposes to give a classified employee the required notice and opportunity to respond before involuntary demotion, suspension without pay, or discharge; or to require the employee to undergo a fit-for-duty examination to determine whether the employee is capable of performing the essential functions of the position in which employed. The Appointing Authority may require the employee to remain available during specified working hours to meet with investigators or other agency officials as required. A notice of suspension with pay, stating the beginning and ending dates and times and specifying any reporting requirements shall be issued to the employee in writing.

(c) If the employee was suspended with pay for investigatory purposes and is cleared, the Appointing Authority shall fully clear the employee's records in the custody of the agency and shall make every reasonable effort to fully clear any such records which are not in the custody of the agency. If the charges against the employee are confirmed, in whole or in part, a suspension with pay in accordance

with this Section shall not preclude an Appointing Authority from taking disciplinary action in accordance with Oklahoma law and the Merit Rules.

530:10-11-121. Discharge [REVOKED]

Part 13 - RESIGNATIONS

530:10-11-132. Method of resignation

530:10-13-5. Displacement limits [REVOKED]

530:10-13-6. Equal employment opportunity (EEO)

In planning and conducting a reduction-in-force, the Appointing Authority shall consider the effect of decisions, such as establishment of displacement limits and selection of job family levels containing positions to be abolished, on the composition of the work force of the agency. If displacement limits are established in accordance with 530:10-13-5 and Section 840-2.27C of the Oklahoma Personnel Act, adverse impact will be assessed as recognized in state and federal laws, rules and guidelines. The Appointing Authority shall take appropriate action consistent with state and federal laws, rules and guidelines governing adverse impact.

 - (6) transactions the Appointing Authority certifies will not limit displacement opportunities for affected employees.
- (b) This freeze shall remain in effect until the reduction-in-force implementation plan is posted.

530:10-13-9. Continuation of insurance upon separation by reduction-in-force

The Appointing Authority shall notify employees who are separated because of a reduction-in-force and who are ineligible for or who decline severance benefits pursuant to Section 840-2.27D of Title 74 of the **Oklahoma Statutes** of their rights to continue their insurance coverage under the Public Health Service Act, 42 U.S.C. § 300bb-1, et seq.

530:10-13-10. Appeal of reduction-in-force

Employees may only appeal a reduction-in-force to the Merit Protection Commission on the basis of procedural errors in the application of the reduction-in-force plan of the employing agency [74:840-6.2(J)]. A reduction-in-force shall not be used as a disciplinary action.

530:10-13-11. Option in lieu of reduction-in-force

Agencies may provide voluntary out benefits to eligible employees in accordance with the provisions of Section 840-2.28 of Title 74 of the **Oklahoma Statutes**.

530:10-13-12. Severance benefits

(a) Agencies shall provide mandatory severance benefits in accordance with the provisions of Section 840-2.27D of Title 74 of the Oklahoma Statutes to eligible classified employees, eligible classified employees on probationary status after reinstatement from permanent classified status without a break in service, and regular unclassified employees who are separated as a result of the same reasons that a reduction-in-force is conducted for classified employees. Employees who are eligible for Priority Reemployment Consideration in accordance with Section 8402.27C of Title 74 of the Oklahoma Statutes and Part 7 of this Subchapter who are employed by any agency before the scheduled date of reduction-in-force separations, are not eligible for severance benefits. Employees who are reemployed by the agency from which separated by a reduction-in-force less than 1 year after receiving severance benefits

are required to repay such benefits in accordance with Section 840-2.27E of Title 74 of the Oklahoma Statutes.

(b) An agency which is separating only unclassified employees with 1 year or more continuous service for budgetary reasons may provide severance benefits pursuant to Sections 840-2.27D and 840-5.1A of Title 74 of the Oklahoma Statutes.

(c) An eligible employee who accepts severance benefits shall be required to sign an agreement, in a form prescribed by the Administrator, acknowledging that the employee accepts the severance benefits provided by the Appointing Authority pursuant to the provisions of Section 840-2.27D of Title 74 of the Oklahoma Statutes. The form provides information to the affected employee concerning his or her rights and responsibilities under Section 840-2.27E of Title 74 of the Oklahoma Statutes. [74:840-2.27E]

530:10-13-13. Reduction-in-Force Educational Voucher Fund

The vouchers are to be used to make payment to eligible educational institutions.

Part 3 - REDUCTION-IN-FORCE PLAN REQUIREMENTS

530:10-13-30. Basic reduction-in-force plan [REVOKED]

530:10-13-31. Abolishing positions and retaining positions

The Appointing Authority shall *determine the specific position or positions to be abolished within specified units, divisions, facilities, agency-wide or any parts thereof* [74:840-2.27C]. The Appointing Authority shall determine which vacant positions will be retained. [74:840-2.27C].

530:10-13-32. Order of employee removal

(a) Agency-wide, or within displacement limits, if established, retention of affected employees shall be based on job family level and type of appointment [74:840-2.27C]. Subject to eligible classified employees accepting displacement offers, agencies shall separate probationary classified employees in affected job family levels, except those affected employees on probationary status after reinstatement from permanent classified status without a break in service, prior to the separation or voluntary demotion of any permanent classified employee from the same job family level [74:840 2.27C].

(b) Retention of permanent classified employees in affected job family levels and within displacement limits, if any are established, shall be based on years of service [74:840-2.27C].

(c) The Appointing Authority shall calculate retention points for all eligible classified employees, including those on an approved leave of absence. Eligible classified employees with more retention points shall be ranked higher; with the order of removal from a job family level in inverse order of that ranking. If tie scores occur, the ranking of employees who have the same total retention points shall be determined first by giving a veteran's preference over affected nonveterans who have equal retention points to the affected veteran and then by giving preference for retention according to years of service in the agency. If a tie continues to exist, retention status shall be determined by a method established

by the Appointing Authority and described in the reduction-in-force implementation plan [74:840-2.27C].

(d) For purposes of a reduction-in-force, any permanent classified employee on a detail to special duty shall be ranked on the basis of base job family level, not on the basis of the job to which detailed.

530:10-13-33. Calculation of retention points for years of service

(a) Affected employees shall be given credit for all current and prior service which is creditable for the Longevity Pay Plan, Section 840-2.18 of Title 74 of the **Oklahoma Statutes**. An employee shall not be required to have been continuously employed for **2** years to be given credit for either current or prior service.

(b) An employee shall be granted **1** point for each full month of full-time service. Points shall not be granted for any work in excess of full-time. Points will be prorated for each month during which the employee worked less than full-time or less than the full month. In no case shall more than **1** point per month be granted. Appointing Authorities shall make sure that pro rata computations are consistent in application and calculation within the agency.

(c) A break-in-service or leave-without-pay period of more than **30** calendar days shall not be included in the calculation of retention points unless the employee was on military leave or on leave-without-pay in accordance with Section 840-2.21 of Title 74 of the **Oklahoma Statutes**. Periods of leave without pay of **30** calendar days or less shall be counted as full-time service.

(d) The end date for the calculation of years of service shall be uniform within an agency and shall approximate the date the reduction-in-force implementation plan is posted.

530:10-13-34. Displacement opportunities and limits

(a) **Limitations on displacement opportunities.** Except as provided in this Section, displacement opportunities shall be offered to eligible classified employees. Displacement opportunities shall not be offered if the result would be to cause the displacement of a permanent classified employee with higher retention points. Employees who have no displacement opportunities or who choose not to exercise a displacement opportunity, employees who do not respond to an offer in accordance with 530:10-13-37, and employees who refuse an offer shall be separated in accordance with 530:10-13-38. *The appointing authority may protect from displacement action up to twenty percent (20%) of projected post-reduction-in-force employees in affected positions within displacement limits; provided that any fractional number resulting from the final mathematical calculation of the number of those positions shall be rounded to the next higher whole number. The appointing authority must explain why affected employees are being protected.* Employees must have received an overall rating of "meets standards" on the most recent performance evaluation in order to exercise a displacement opportunity. For the purposes of this Section, employees who have not been rated within the past **12** months shall be deemed to have received an overall rating of "meets standards" on the most recent performance evaluation. [74:840-2.27C]

(b) **Offers of displacement opportunities.** Starting with the employee having the highest retention points, displacement opportunities shall be offered to eligible classified employees and to displaced employees. Such offers shall be confined within any displacement limits established by the Appointing Authority. Options available will be offered in the order listed below. If an opportunity at one level, e.g. (1)(A), does not exist, an opportunity at the next lower level, e.g. (1)(B), shall be offered, if available. *If the affected employee has not held within the last five (5) years a position in the job family level or predecessor class in which the affected employee is otherwise eligible for a displacement opportunity,*

the appointing authority may determine that the affected employee does not possess the recent relevant experience for the position and deny in writing the displacement opportunity. [74:840-2.27C]

- (1) Transfer within the same job family and level into a retained position which is currently:

For shorter absences, the Appointing Authority may require the employee to supply proof the absence was consistent with (1) of this Section. Sick leave shall not be granted until approved by the Appointing Authority. An Appointing Authority shall approve sick leave unless there are facts to show that an employee abused sick leave privileges or the employee failed to supply requested evidence of illness.

- (5) Sick leave shall be charged against an employee's sick leave balance based on the amount of time an employee is absent from work during the employee's assigned work schedule. (g) For employees who are required to work in fire suppression duties on a holiday, the Appointing Authority shall pay the employee for the holiday based on an 8-hour workday times the employee's base rate of pay at the time of payment. (a) The federal Family and Medical Leave Act of 1993 entitles eligible employees to family and medical leave. This section is not a comprehensive listing of the provisions of the federal Family and Medical

Leave Act of 1993 (29 U.S.C, 2601 et seq.) and regulations promulgated thereunder, and is not intended to conflict with either the Act or the regulations. To be eligible, an employee shall have been employed by the state at least **12** months and have worked at least **1,250** hours during the preceding **12**-month period.

(b) An eligible employee is entitled to family and medical leave for up to a total of **12** weeks during any **12**-month period, for the following reasons:

(1) the birth of the employee's son or daughter, and to care for the newborn child;

(2) the placement with the employee of a son or daughter for adoption or foster care;

(3) to care for the employee's spouse, son, daughter, or parent with a serious health condition. As used in this subsection, "son" or "daughter" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing *in loco parentis*, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability;

(4) a serious health condition that makes the employee unable to perform the functions of the employee's job; or

(5) any qualifying exigency (as defined by U.S. Department of Labor Regulations) arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty or has been notified of an impending call or order to active duty in the Armed Forces in support of a contingency operation.

(c) An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember shall be entitled to a total of 26 weeks of leave during a 12-month period to care for the servicemember. The leave described in this paragraph shall only be available during a single 12-month period. During the single 12-month period described in this paragraph, an eligible employee shall be entitled to combined total of 26 weeks of leave under paragraph (b) and (c). Nothing in this paragraph shall be construed to limit the availability of leave under paragraph (b) during any other 12-month period.

(d) An Appointing Authority may require that an employee's request for family and medical leave to care for the employee's seriously-ill spouse, son, daughter, or parent, or due to the employee's own serious health condition that makes the employee unable to perform one or more of the essential functions of the employee's position, be supported by a certification issued by the health care provider of the employee or the employee's ill family member. An Appointing Authority may require a certification issued by the health care provider of a covered servicemember being cared for by an employee.

(e) The entitlement to family and medical leave resulting from (b)(1) and (b)(2) of this Section expires at the end of the **12**-month period beginning on the date of the birth or placement.

- (h) The Appointing Authority has the responsibility to review requests for sick leave and leave without pay for designation as family and medical leave. The Appointing Authority has the right to designate leave taken for an FMLA-qualifying event as FMLA leave, regardless of whether the employee has requested FMLA leave. The Appointing Authority's designation decision shall be based only on information provided by the employee or the employee's spokesperson. In accordance with the federal Family and Medical Leave Act, the Appointing Authority shall not designate leave as family and medical leave retroactively, unless the Appointing Authority does not have sufficient information concerning the employee's reason for taking the leave until after the leave period has begun.
- (i) Family and medical leave is not a separate type of leave, and it is not accrued or accumulated. An Appointing Authority shall give employees the following options to account for time lost because of leave under the federal Family and Medical Leave Act of 1993.

The Appointing Authority must certify the reasons for non-uniform treatment as described in paragraph (1) of this subsection. It is possible that more than one reason may apply in any specific furlough. Paragraph (2) of this subsection describes how the Appointing Authority may limit the effect of a furlough on specified employees. Any certifications issued by an Appointing Authority shall be included in the furlough plan.

(1) **Certification of reasons for non-uniform treatment.**

(A) If the Appointing Authority certifies that uniform treatment of all employees would cause undue hardship on lower paid employees and uniform treatment is not required to meet the reduced revenue levels which made the furlough necessary, the Appointing Authority may limit the applicability of a furlough on lower paid employees.

(B) If the Appointing Authority certifies that uniform treatment of all employees would endanger public health, safety, or property, or continued operations of critical agency functions, the Appointing Authority may limit the applicability of the furlough on specified employees, positions, jobs, or organizational units as needed to avoid the danger.

(2) **Types of non-uniform treatment.** In certifying the reasons for non-uniform treatment of employees, the Appointing Authority may use any of the following types of limits. The Appointing Authority may:

(f) **Continuation of benefits while on furlough.** While on furlough, employees who would otherwise accrue leave shall continue to accrue annual and sick leave as though the furlough had not occurred. The Appointing Authority shall schedule the furlough so the furlough does not interrupt the agency's payment of the employees' insurance premiums.

(g) **Failure to return as directed cause for discipline.** Failure on the part of an employee to return from such leave to his or her previous work status as directed in writing shall be cause for discipline.

(h) **Appeal rights.** *Furlough, as provided for by rules adopted by the Director of the Office of Management and Enterprise Services, or his or her designee, shall not be appealable under the provisions of the Oklahoma Personnel Act [74:840-2.27C].*

Part 7 - LEAVE WHEN OFFICES ARE CLOSED OR SERVICES REDUCED

530:10-15-70. Leave when state agency services are temporarily reduced or when a state office is temporarily closed

(a) The rules in this Part are special leave rules which may be exercised if state offices (that is, agencies or parts of agencies) are temporarily closed or services are temporarily reduced for the safety of the public or state employees. The rules in this Part are applicable to all classified and unclassified employees of the state, including those on temporary and other limited term appointments.

(b) The rules in this Part do not prevent agencies from approving leave as usual to employees who request time off in accordance with other Merit Rules governing leave, such as sick and annual leave. The rules in this Part do not apply to agencies or employees if a voluntary or involuntary leave without pay (furlough) is in effect.

(c) *Appointing authorities of affected agencies shall notify the Office of Management and Enterprise Services of agency closings and reductions in services [74:840-2.20A(C)].*

530:10-15-71. Leave when an office is temporarily closed due to unsafe working conditions or hazardous weather; or when services are temporarily reduced due to hazardous weather (paid administrative leave)

(a) If agency offices are closed because of an imminent peril threatening the public health, safety, or welfare of state employees or the public, or when state offices are temporarily closed or reduced due to

hazardous weather conditions, the Appointing Authority shall place employees who are scheduled to work in the affected work areas on paid administrative leave or, if applicable, shall assign them to work in another location. During their normal duty hours, employees on paid administrative leave due to unsafe working conditions are on stand-by or on-call status. Appointing Authorities may call employees to return to their normal duties or respond to the demands of the situation as necessary. [74:840-2.20A(A)]

(b) As used in this Section, paid administrative leave means leave granted to affected employees if offices of agencies are closed because of an imminent peril threatening the public health, safety, or welfare of state employees or the public, or when state offices are temporarily closed or reduced due to hazardous weather. Examples of reasons for temporarily closing an office due to unsafe working conditions are: leaks of toxic fumes in buildings; life threatening damage to building structures; or emergency operations which would be disrupted by the presence of the usual work force; or any other condition which poses a significant threat to the safety of the work force.

(c) Paid administrative leave shall be accorded to all affected employees only when a state office is temporarily closed or services are temporarily reduced due to hazardous weather in accordance with 530:10-15-70 and this Section. Upon its reopening, normal Merit Rules governing leave and agency procedures shall apply. The granting of administrative leave applies only to employees scheduled to work during the time period of the closure or reduced services. It does not apply to employees who are absent during the closure or reduction on any previously approved leave. Employees who are not eligible to accrue leave, such as temporary employees, shall not be granted administrative leave under this section when state services are *temporarily closed* or temporarily reduced due to hazardous weather conditions.

(d) *When the Governor or a designee of the Governor authorizes agencies or parts of agencies to maintain basic minimum services because hazardous weather conditions impede or delay the movement of employees to and from work, employees responsible for providing such basic minimum services shall report to work. Appointing Authorities of agencies shall be responsible for determining essential agency functions [basic minimum services] and ensuring that employees who staff such functions are so informed.* [74:840-2.20A(B)] Employees who are considered responsible for basic minimum services and who are required to work when state services are temporarily reduced due to hazardous weather conditions shall be entitled to accrue administrative leave on a straight-time basis up to eight hours per day for hours worked in their regularly scheduled work periods during such reduction. Administrative leave accrued under this provision must be taken within 180 days of its accrual or the employee shall be paid for the leave. An extension of the time period for taking the leave may be approved for up to an additional 180 days, providing the Appointing Authority submits a written request with sufficient justification to the Human Capital Management Division. Accrued administrative leave must be used before granting of any annual leave except when the employee may lose accrued leave under 530:10-15-10 and 530:10-15-11(b) (5) .

(e) Employees who are responsible for basic minimum services who do not report to work have the following options to account for leave:

- (1) Charge the absence to accumulated compensatory time;
- (2) Charge the absence to accumulated annual leave;
- (3) Make up lost time in a manner consistent with the FLSA, if the Appointing Authority determines that office hours and schedules permit.

(f) An employee who leaves earlier than a designated early dismissal time, or who arrives later than a designated late arrival time, shall be charged leave for the excess time.

530:10-15-72. Leave when services are temporarily reduced due to hazardous weather conditions (automatically allowed authorized absences) [REVOKED]

The form provides spaces for the supervisor to enter an overall accountability rating, an overall performance rating, and a summary/development plan. The form requires signature by the employee, the supervisor, and the reviewer.

(h) On or before each March 31st, Appointing Authorities shall report their agency's compliance with the requirements of 74:840-4.17 to the Administrator.
