STATE CHARITABLE CAMPAIGN

WHAT IS IT?

In an effort to provide the employees of the State of Oklahoma with a convenient and responsible system which will allow them to contribute to various fully accountable private nonprofit social, health and welfare organizations on a voluntary basis, there was created a single combined charitable solicitation to be called the "State Charitable Campaign" that allows state employees the opportunity to make a charitable contribution through payroll deduction. Although employees are encouraged to participate, each individual has a free choice to give or not to give, and to designate gifts to any of the qualifying organizations.

GIFT DESIGNATION

Employees are strongly encouraged to designate to one or more of the participating agencies or federations. **Utilize the 4-digit code number** to select your designation.

TWO WAYS TO GIVE

First, payroll deduction (**card must be signed**) is the easiest way to give your fair share. It spreads your donation over an extended period of time. Payroll deduction will begin January 1, 2008 and terminate December 31, 2008. Second, is to contribute by cash or check (**Payable to "State Campaign"**). Regardless of which method you select, be sure to designate the agencies you want to receive your donation.
