The State Charitable Campaign is a program that gives state employees the opportunity to share in providing support to agencies of their choice. This is the only state approved program permitted by the State of Oklahoma to conduct a campaign once a year, with on-the-job solicitation and the privilege of payroll deduction.

HOW CAN I DIRECT MY GIFT?

As a state donor, you may direct your gift to specific voluntary agencies or groups of your choice, by designating in the boxes provided on the pledge card. The agencies that appear on the District 3 brochure are the only agencies authorized to participate in this year's State Charitable Campaign.

As a state employee, you make important choices everyday that affect the citizens of our state. Each fall, through the State Charitable Campaign (SCC), you make a different set of choices that impact others.

By contributing to the SCC, you support a variety of health and human service programs that improve the quality of life for all Oklahomans and those served by international charities.

Together, we can continue to make Oklahoma an even better place to live and work.
