RE: Job Family Descriptor Plan Effective July 1, 2001

Attached is a revised Job Family Descriptor Plan reflecting all Job Family Descriptors that have been adopted for the classified service. The primary change in this version of the plan is in the salary rates assigned to each pay band as a result of the 13% increase approved as of July 1, 2001. However, other changes made as a result of revisions that have been adopted since the plan was last distributed in November 2000 are also included.

Any questions concerning this plan may be referred to your agency liaison in the OPM Classification Division.
