TO: ALL APPOINTING AUTHORITIES

FROM: Oscar B. Jackson, Jr.
Administrator and Cabinet Secretary of Human Services

DATE: April 13, 1998

SUBJECT: Executive Order 98-11 and 98-12

Executive Orders 98-11 and 98-12 (as attached) respectively place the Oklahoma State and Education Employees Group Insurance Board, and the Oklahoma Ethics Commission, back under the purview of the Merit System of Personnel Administration. The agencies were removed from the Merit System of Personnel Administration based on changes in the statutes which removed the agencies from the State Personnel System. The Executive Orders issued by Governor Keating on April 8, 1998 re-establishes these agencies as Merit System Agencies effective on that date.
